

The Holy Spirit's Burning Judgment & the 144,000 7-26-26@3:42 PM

Hear Me Daughter, hear Me. Let judgment flow like rivers of tears upon the ungodly nations of your world. Very little repentance has been found among the men and women of your evil world, but those who have I love with an everlasting love. Those who are Mine I say, let My mercy flow unending to them.

My Holy Spirit is speaking to the hearts of all who will listen, convicting them of their sins, for all My Father draws to Me. Repent, I say, while there's still time. Open your hearts to true repentance of your sins. Turn from your wicked ways and sin no more.

Daughter, I knew you before you were created and called you Mine like so many others who Father has given to Me. Now is the time to rise up in this holy anointing I place upon you. As a consuming fire, I shall now reside in you in the form of My Holy Spirit. Trust Him as you trust Me, for He is the Spirit of My Father.

I say this to all My children with listening ears and hearts, Let My Holy Spirit lead you, as He led Me each step I took while on the earth as both God and man. All the power you operate in My Name is through His holy presence in your lives. Don't grieve Him by being indifferent to His presence in your lives, or by entertaining sin in your lives also. For He is holy as I am holy. He is the truth, as I am truth, as My Father is truth, for We exist separately but also united as One.

Why do I speak of such things so late in these end-time days? Because, the Holy Spirit has stepped back from restraining and preventing the rise of all evil as it is now the time for antichrist to rule on this world. But the Holy Spirit shall not leave the Earth in its entirety. That is a misconception and wrongful assumption on the part of many people both in and out of My body, because it is the Holy Spirit that draws men's attention to their sins and lets them know these deeds are evil. They are sinful and His convicting power is the only One who can do this.

His presence will still be found, because people will return to Me. While others, including the Jews to come, will be drawn by the Father to Me, but conviction to repent, to realize they need a Savior, even their Messiah comes through My Father's Holy Spirit. He shall continue His work on this Earth as He did more so as in before the day of Pentecost, yet, He is not limited in His power in any way, for He is My Father's Holy Spirit, the same one who lived inside of Me.

It will take one's life submitted to Me, and fully to My Holy Spirit's guidance and direction, His leading as some call it, to make it to the end of the tribulation period for those who do not give their lives during this time for My Namesake. The feeble and weak-minded, the wavering man, the wavering woman who trusted in their own wit, their own ability to save themselves shall be those that shall cave in to taking the mark of the beast. For no one can resist the seducing voice of antichrist and his demonic charisma and charm without My Holy Spirit's discernment and leadership in one's life. It's evident even today before the world fully finishes passing the threshold into the 7-year tribulation.

So many of My own walk around in the enemy's webs of deception, lies, and confusion. Never once seeking for the truth of so many things, because of fear that the truth is not what they have been taught or embraced. To know the truth will shatter the happy illusion so many choose to live in with their rose colored glasses they wear by choice. while they sit in their easy chairs of apathy and compromise. I see it all Daughter.

If people would examine their lives through the holy eyes of My Holy Spirit, they would see the many places they have refused to let Me have full access to their hearts, or full control of their lives. Even in man's world it is impossible for two people to drive the same vehicle with both having a steering wheel without it causing conflict and eventually mishaps.

Hear Me Daughter, I am in all consuming fire of purity and holiness. Such as My Holy Spirit. He will not force Himself upon any person, no work actively in their lives when His control is not wanted. It takes obedience and a desire to submit to His will. Just as the Holy Spirit in Me led Me every step of the way in My life as a man, so I could walk perfect in My Father's plans, making Calvary and My crucifixion possible to redeem the souls of lost men, so shall He lead all My children on the path of truth, righteousness and power.

Though gentle and kind, though patient and loving, My Holy Spirit, My Father's Spirit is also one of great power who operates and is that Spirit of Burning Judgment. What do I mean by this Daughter? It is only once the Holy Spirit, the Holy Ghost enters someone and seals them who have accepted Me as their Lord, God and Savior can they begin operating in the power and authority I give to each through My Name.

How is the gentle Holy Spirit also the Spirit of Judgment and Burning? Remember in Acts chapter 5 when Annanias and Sapphira, his wife sold a piece of land and conspired to keep back part of the money for themselves. Then they went to Peter and lied about the price. Ananias was first, then his wife came at a later time. What happened? Peter declared, 'You have lied to the Holy Spirit.' It was not Peter who took Ananias' life or Sapphira's later when she came to Peter. No, it was the Holy Burning Judgment of the Holy Spirit that struck both so they fell down dead.

The Holy Spirit is righteous in all His ways, yet He issues holy judgment too, for He is the Spirit of My Father here on the Earth to aid mankind, those of His Kingdom. Just like the time comes when the other witness and you step out and all who try to harm you will be struck down dead by the Burning Judgment of the Holy Spirit's fire. For no man, no woman should hold the weight and cost of so many that shall perish as they try to kill the two end time witnesses and they will Daughter, you know this already.

The time has come, the call goes out now. Prepare for the entering of the tribulation period. 144,000, for those of you still not embracing the full leadership of the Holy Spirit in your lives, then please realize this will have to be dealt with before you step out as one of the 144,000 Warriors of Light. Absolute obedience will be needed. So until this time, let go of control of your lives and place it full into My hands through My Holy Spirit, the Spirit of My Father.
