

## **The Summit & the Queen of the East, of UK 3-4-20@4:56 AM Journal Entry**

“Death Child, it comes to all for no one can escape its deadly grasp unless ordained by Father God or Me for I am Jesus and at My Name even death can be made to flee and life can be restored by the calling back of Father God’s breath once again. This is not impossible for Me to do nor is it impossible for those who truly believeth in Me to do also. Many, I say again, many of My children once alive and vibrant in Me have become dead, spiritually dead to Me. It’s time to pray and speak life back into My beloved children for they will need My guiding hand for all that is coming to your world. Many are unprepared for the many horrors of war that is about to befall the earth. This war of nations shall surely come to pass. Look for an emergency summit to be called Child, in the guise of peace for as I told you there has been a continual series of strikes of tensions still occurring between your country, the eagle and that of Persia, Iran and Persia’s hate and distrust shall erupt.”

“Persia has suffered much at the hands of your government and its president and now this virus is causing them much havoc as I strike their officials and leaders which will cause them to more readily accept Putin’s offer to aid them in their needs and in their war against the eagle. His promises made behind closed doors with that of Iran’s Khomeini ensured that his vast army and his arsenal would be used to support them and aid them, Persia if they chose to go to war. Something that has been in their hearts for many years now for when they speak peace, then sudden destruction shall surely come to pass. This region that your world named the Middle East has for many of your centuries, it has been unstable for the hatred between the seed of Isaac and Ishmael shall never truly or fully allow them to be able to co-exist together.”

“Look for this recent peace treaty between your country and that of the Taliban leaders to fall through for it is a ruse to get your troops out of this region of land. For I say surely if they can align and proceed in the removal of your troops, it shall greatly aid Persia in the war of nations against your country for these people, this country shall rise up and align itself with that of Persia. Yes, Child, as you have seen on your world map this is the country of Afghanistan and as you have noticed their borders join and it would be more easily for your military, its troops to attack Iran, Persia if they are already in this designated region of land mass. Look for the queen of the east to start showing signs of weakness within her body due partly to the continued stress put upon her by the constant uproar within her kingdom from that of her family and of her countries current decision to stand alone in some areas of her leadership but shall surely stand as a true ally to that of the eagle during your country’s struggle to survive. Get ready Child, for all these things shall surely come to pass for I am Jehovah God and I am incapable of untruths of any kind. Pray Child, and pray often. Continually seek My guidance through My precious Holy Spirit. Plead My blood continually over all you love and hold dear.”

Ecclesiastes 3:1 & 8

1 To every thing there is a season, and a time to every purpose under the heaven:

8 A time to love, and a time to hate; a time of war, and a time of peace.

Matthew 24:6-7

6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.

7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.

Summit meeting definition:

1. a meeting or conference of heads of state, especially to conduct diplomatic negotiations and ease international tensions.
2. any meeting or conference of top-level officials, executives, etc.

(Note added 3-3-26 by Vicki Goforth Parnell

Summit meeting: Iran and the United States held a third round of nuclear talks in Geneva as Washington sends airships and warships to the Middle East to underscore the U.S. demand that Iran stop enriching uranium. Article by: By Associated Press Feb. 26, 2026, at 12:45 a.m.)
