

An Ending of an Era for Babylon-America 9-11-26@1:15 PM

Ezekiel 22:14 Can thine heart endure, or can thine hands be strong, in the days that I shall deal with thee? I, the Lord have spoken it, and will do it.

Ezekiel 22:20-22

²⁰ As they gather silver, and brass, and iron, and lead, and tin, into the midst of the furnace, to blow the fire upon it, to melt it; so will I gather you in mine anger and in my fury, and I will leave you there, and melt you.

²¹ Yea, I will gather you, and blow upon you in the fire of my wrath, and ye shall be melted in the midst thereof.

²² As silver is melted in the midst of the furnace, so shall ye be melted in the midst thereof; and ye shall know that I the Lord have poured out my fury upon you.

Daughter, hear Me well. Now is the time for all men, all women to repent. As darkness descends this evening, shades of this foretold day, ends an era of America-Babylon's rule of ruthless and vicious power over nations and people.

It is even as you supposed Daughter. This is the night that starts at all. On the silver anniversary, and ending of an era. I shall strike the fatal blow that begins the physical death of this evil nation and her role as top superpower. Tonight Daughter as the rest of the world and nation relax and say, "Ah, we made it safely through another of this anniversary," on this day of infamy that tore this nation apart and killed many lives by the very people elected to protect them. The reason behind it. Greed! Gold!

It is that time, the appointed time.

"Lord, does this mean the mustard gas is released, activated later? Is this correct Lord?" "It is, Daughter."

O' weep and wail, lament and cry out for tonight that wicked city of Babylon-America gets struck the first of double blows. Give her double for her trouble for all the trouble she has caused other nations people.

"Repent," I cried out over and over again. Not prideful Babylon-America. "We will not!" You screamed back to Me with your shaking fists.

I warned you, Father warned you. You are not prepared for the war I bring to your shores Babylon-America and O' world.

Many assume I simply control the elements, the weather of nature's fury. You misunderstand! I am all powerful and I control all things but free will. This include your world's military arsenals

She burns! She burns by nuclear fire. I melt her land and people, that evil wicked city of New York's Manhattan! This Daughter is what I wanted to say and why I had you pulled over while

driving. It starts tonight. The wait is over. It's time and Manhattan burns tonight beneath the starry skies I created.
