

War is Just a Prelude 2-14-20@6:13 AM Journal Entry With Confirmation

“What or whom do We need to speak about Jesus, for I am ready to hear all that You have and need to say?” “Child, you, the civilians, the regular people, those not in your military are not yet truly aware of all the conflicts and the high alert that your country stands at for tensions are high between your country and that of others. As this declaration of war draws closer they shall become more aggressive for as I have foretold, a series of strikes between your country, the eagle and that of Persia being Iran and as I have foretold, there shall be what you **call summits** which will span a few days in hopes of stopping these acts of aggression toward each other’s country but it shall fail. Your president will walk in with no intentions of negotiating as well **as Iran for they have already decided this day of Purim, of March for the official declaration of war.** Putin has secretly behind closed doors promised his support and aid to the country of Iran should they so choose to proceed into war and they shall Child, and Putin with his charismatic personality shall sway many to follow but will influence others through force and threats to join him as well in his alliance with Iran against your nation. But as I have said Child, there will be those who shall rise up as and align themselves with that of the eagle for the UK shall align herself with that of the eagle and she with her vast number of countries under her rule shall continue to be a powerful ally.”

“Jesus, forgive me for asking but how is all this to happen so quickly?” “Child, when man gets the taste, the thirst for war in their minds and body, it becomes like a drug to them consuming their thoughts and actions totally allowing very little time or room for anything else. Take this ruler Kim Jong Un whose thirst has become his all consuming drive to possess the power of the nuclei contained within his weapons, making his people work non stop day and night to fulfill his desire and he shall Child. He shall within a short time possess this power within his hand which will make him feel like a ‘god’ among men! Will he use his new powerful weapons of the nuclei upon your nation? Absolutely, but only after Putin’s strike with both missiles... weapons of the nuclei and some without, for some areas store the power of the nuclei and do not require the additional power of the nuclei itself. The other missile strikes shall cause the damage, have the same effect by causing these stored units to ignite and having the same effect of that of of the nuclei, for although these said areas are heavily protected, many shall still, I say, cause to become ignited... even through their barriers, their man made walls of construction which shall collapse and some shall become twisted upon impact.”

“Child, when the sin of hatred or even that of any sin becomes the controlling force behind a person or even a country’s whole people then they possess the capability to accomplish anything as long as it is lined up to be allowed for Father God’s divine will to be accomplished, for man needs must to endure this war of nations to weaken your many nations who become involved. because this war is a prelude to the time of judgment. It is the beginning of the beginning, of the end, for as mankind enters the period of the time of judgment, satan’s protege, this antichrist shall rise and assume full and total power of your world. He shall be the force behind your one world government and even your one world religion for if your countries are already in weakened states then they shall be more willing, more easily swayed to accept and elect antichrist as their Supreme Ruler.”

“It still seems like a short time for all these things to happen but truly Lord Jesus, I do not wish for any of these things to occur!” “I know this My Child, but they are necessary for man’s sins are many and My continual call for repentance has been ignored by most, preferring rather to delve deeper into their perverseness and evil ways. Judgement has been passed and this sentence shall all the world be made to endure and this shall only be the beginning. The period designated to start the beginning of the full punishment for their sins which shall be the period of the time of judgment in which mankind, besides enduring the horrors of life under the rule, the control of antichrist, they shall also endure the wrath of Father God and Myself for I am Jesus, the Lamb of God. When Father God steps off His Throne of Mercy, of Grace and sits upon the seat of Judgment then He shall withdraw His mercy and grace to all but those of His remnant. The few innocents that shall be born, and the few who shall accept My precious gift of Salvation for My gospel shall forever go forth until the ending of time. No matter how much or how many times the enemy shall try to stop it, it shall go forth for MY WORD SHALL GO FORTH. It shall accomplish all that I have ordained it to and it shall not return unto Me void for that is not even a possibility! So I tell you, Child, that no matter what each must endure during their allotted time upon this earth, nothing shall ever be allowed to take place without My prior knowledge and I shall cause good to come out of the bad for all those who love and serve Me. Even at times those who don’t, for in doing so, some shall come to the saving knowledge of Me.”

Nuclear War, Revival & Martial Law 2-17-20@4:25 AM Journal Entry

...”Your president sits in his oval office contemplating this war of nations for the taste of war is now in his blood and that of the other leaders that shall become predominant during this war. Even now Putin has been discussing secretly with Persia, with Iran the very locations that I have warned you they would strike for each missile’s strike is strategic for the crippling of your nation. But again I say not everyone of their missiles shall strike true but those of the eagle, their

aim shall be true to their mark striking most accurately the area that they will target for they will strike the Kremlin. But Putin, he being the sly fellow that he is, will be nowhere near this location choosing rather one of the locations of his unknown hidden bases to order his strikes from. Your president as well has been determining which locations to strike within Persia, in Iran but after the declaration of war made in **March on Purim as I have foretold and which you have revealed** on My website that you have created for Me, he shall cast his eyes on the bear more fully. Although each country already has their many strategic targets laid out before them for each possible strike in advance, your president will begin to realize that somehow you have prior knowledge of things to come but he will reject the knowledge that it comes through Me, Jesus Christ.

⚠️ THIS IS NOT A DRILL ⚠️

Iran has officially declared JIHAD against the United States and Israel.

A formal religious decree has been issued citing Quran 22:39 -- granting divine permission to wage war against "Crusader aggression."

What this means:

- This is not political rhetoric. This is a RELIGIOUS WAR DECLARATION.
- Every Shia militia across Iraq, Syria, Lebanon, and Yemen now has theological authorization to attack U.S. and Israeli targets
- Hezbollah, Houthis, Iraqi PMF. All activated under one fatwa.
- The document calls on the ENTIRE Islamic world to mobilize

This changes everything.

A political war can be negotiated.
 A holy war cannot.

We just entered the most dangerous phase of this conflict. If you're not paying attention - start now.

Save this. Share this. This is the moment it escalated beyond return.
