## The Symbolic Dream 10/23-22@9:16PM

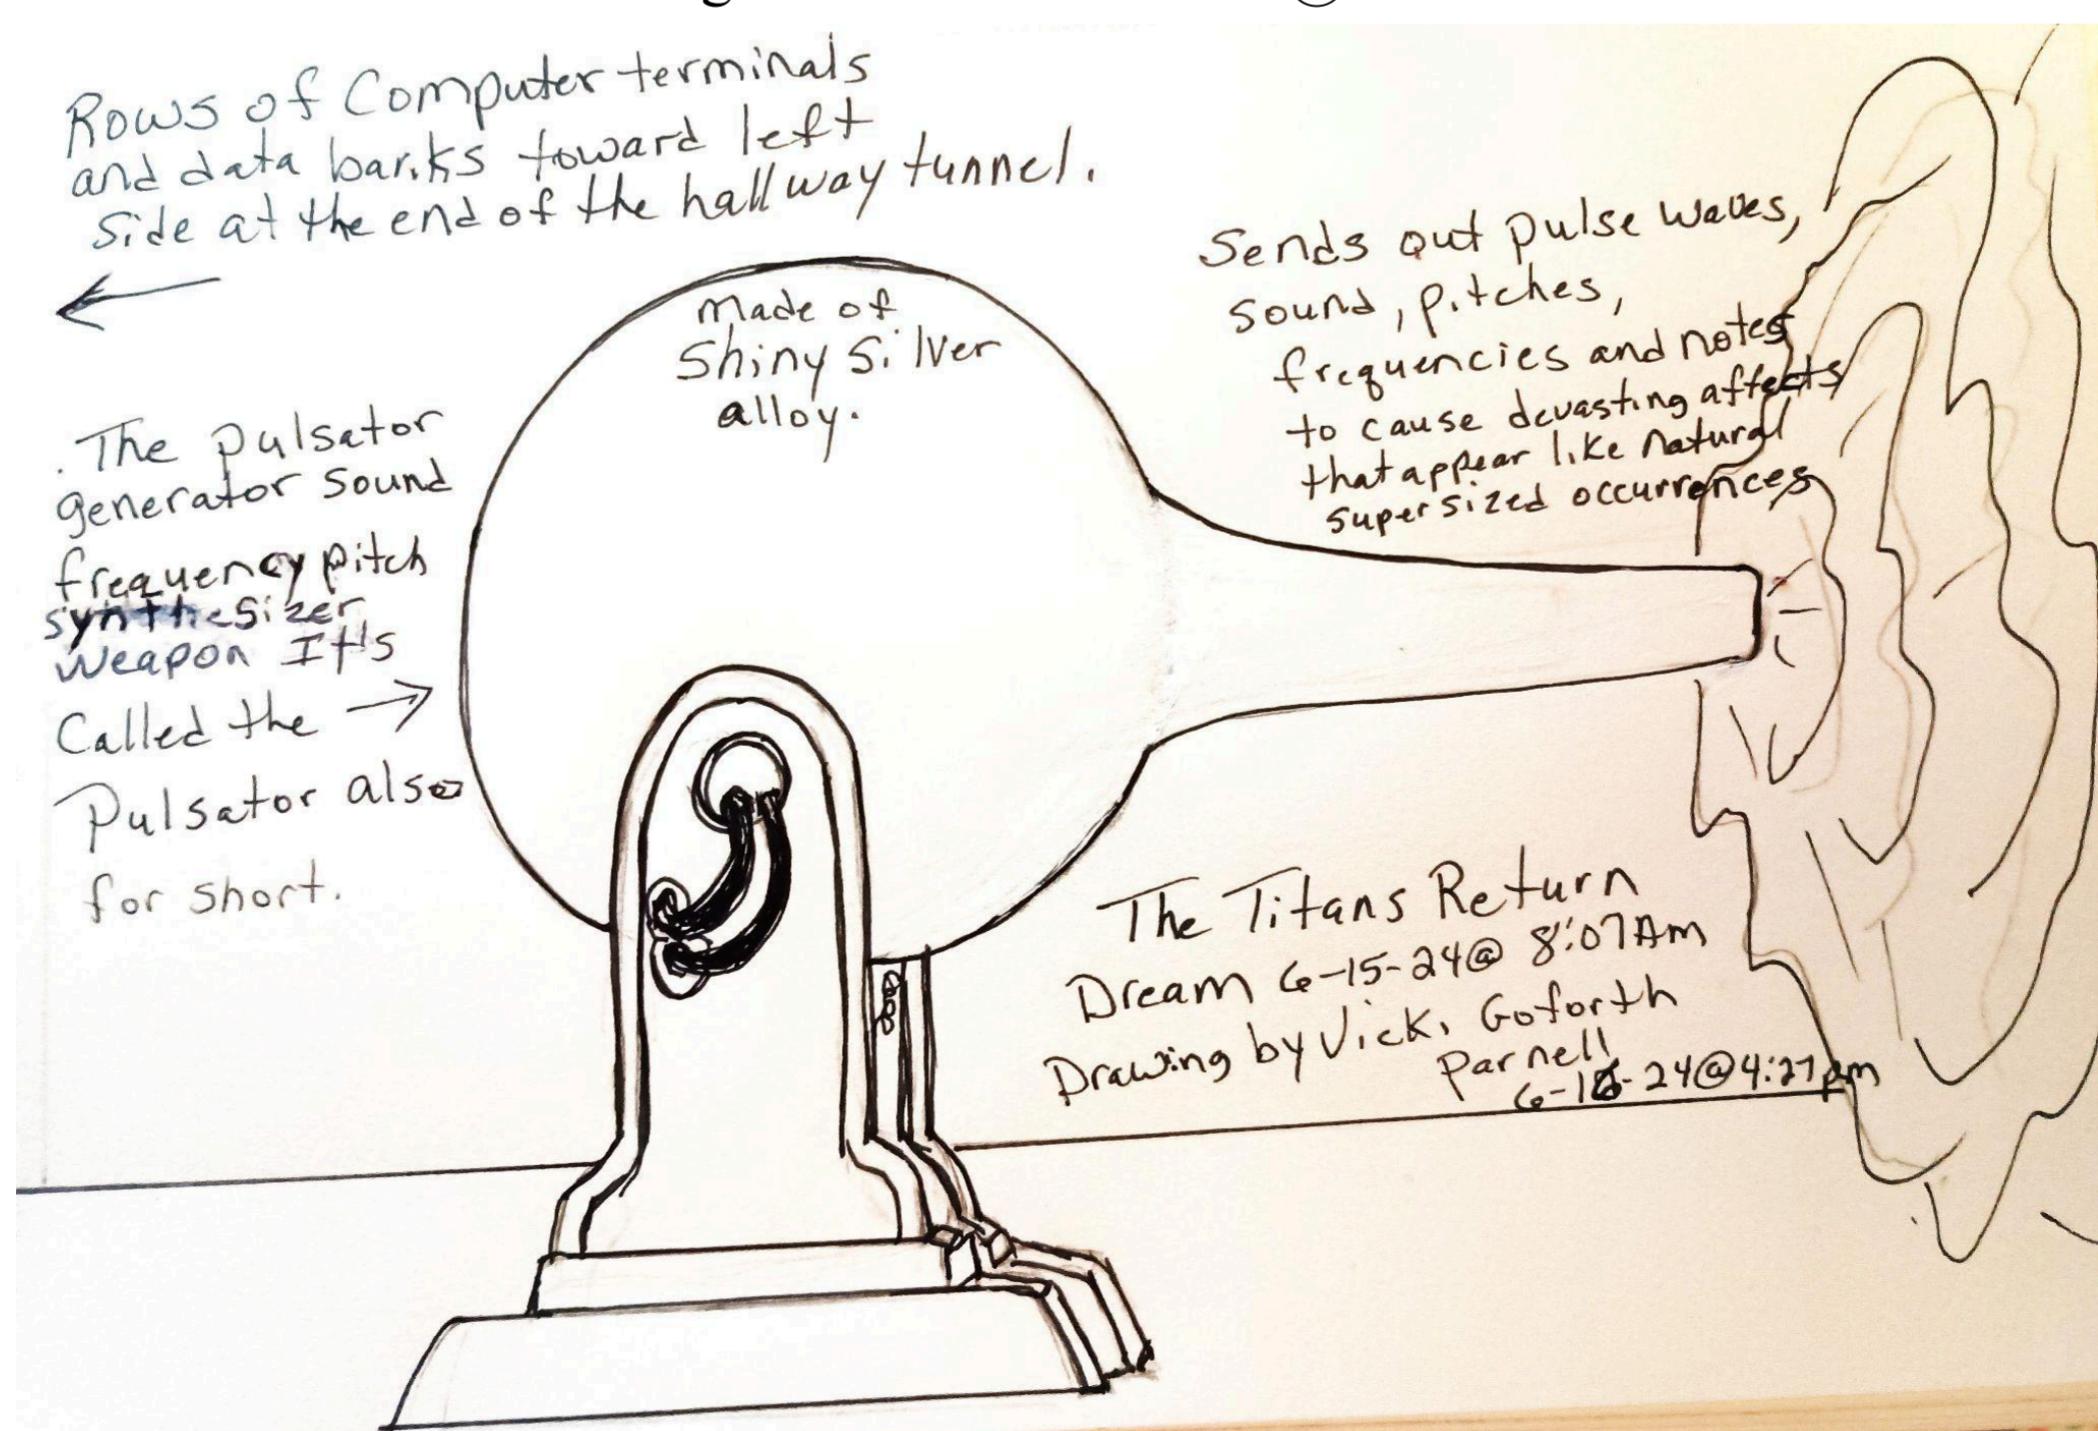

I have the understanding from other dreams, words, and visions that Jesus Christ comes before the bombs drop from the sky in America. But that doesn't necessarily mean these two events occur together at one time in the Symbolic Dream. Also, any bullet points given are my understanding at the current time meaning as more pieces come the picture may be different than what was first thought in all dreams.
