

Med Beds, DC, Obama, It's Burial Day & I Send More World 10-15-26 to 10-16-26 Shared 10-16-26

Daughter, Daughter beloved of Mine, I send a shaking, a shaking to Washington DC. I send a shaking that will cause a quaking and that which is thought secured shall be found to be inferior against My Mighty Hand.

Daughter, I churn more the waters of the deep. Did I not say it was a time for waves and tsunamis? Yes, I did and here they come more and more. I, their holy God and Creator of the boundaries command it to be.

The time of meteors has come...not one or two getting through the Earth's atmosphere, weakened by man's evil weapons and scientific experiments with such devices as what the CERN foundation used to rip holes in the fabric of time and space. As they forced their way into the spirit realm to retrieve demons, graphene and so much more.

I called down meteors and rocks from the sky to the land in preparation for the great wormwood soon to arrive in the waters of the Earth for it is written it shall be so.

I send lightning! I send electrical storms of another nature also to the area housing the Cape Canaveral, Cape Kennedy aerodynamics and space station facilities. I send this judgment forth now and it shall soon make its forthcoming appearance. This I command and this shall be.

Hear Me, Daughter, hear Me. Hear what I say. 6 days, 6 days, 6 days, 6 days, 6 days, 6 days have come out of 7. What shall the inhabitants of the world do? They shall wail and bemoan all that has come to your world. 6 days, 6 days, I say.

The ten kings are beginning to rise in their positions for antichrist's beast kingdom. Foolish people, you are positioning yourself to rule 10 kingdoms pre-planned to be divided up in land: the nations whose forms and land masses for many shall change, sink, rise, and be divided. Thus your 10 kingdoms will have to be remapped and redistributed.

Look for Obama once the darkness lifts to make his presence known again but not in America-Babylon. As he, the antichrist's, the man of sin's false prophet shall be among those of special delegations that shall usher in the fake aliens' presence to the world.

Many choose not to pay close attention to My words concerning events that shall occur inside the tribulation, believing they will be part of My holy bride when I return for them, while wearing dirty, sin stained garments. Every Word I speak is important with much information given that could be relayed somehow to those who find themselves left behind. You with dirty garments, as much as I love you, I still will not take you with Me with sin stained garments. Repent now! For I'm on My way for a pure spotless bride. One of purity and Holiness like Me, through Me.

Idaho, Idaho soggy land you shall have from rain and hail.

The time of giant hail, record-breaking hail has come again for some.

The time for falling ash and blood red moons has come for all to see and not all moons have to be full to be seen as red.

Look to hear of news of structural damage. Structural damages to places and locations once called hidden treasures and wonders of the world. As I remove the ability from lucifer's hands and his kingdom to reclaim usage for their objects, relics, and actual habitational lodgings of old. I take them all away but two that shall be needed to house a relay signal for the one frequency the man of sin shall possess for his mark of the beast to come.

Watch as the med beds promises of youth renewal, health, and changing DNA begin malfunctioning and no longer will be usable in the beast's systems government to come. For this is technology that has been created not to heal, although it gives the appearance of one being healed at first, but to genetically alter by given permission, a person, an inhabitant's DNA.

The end result is the illness once healed shall return more severe with many dying from the effects with DNA that has now woven into it the number 666 giving your physical body's ownership to the beast, the man of sin.

But the soul can only become his if you reject Me Jesus, Jesus Christ as your Savior and Lord and choose him instead. You worship him instead, you take his beast mark. When one signs the agreement to enter a med bed and such like, or by voice agreement, then you have agreed for the DNA genetic altering to be done. You have been warned out of love. For I love all I have created.

I send this warning of judgment. Hear Me Daughter, My furious fist I set down upon Denver, Texas. You shall feel the quaking and shaking from My hand's impact upon your evil, wicked city. I bring more rain, cold, power outages, more rain, and disaster from the sky. Disaster, disaster in the sky can't you hear the people wail and cry? San Antonio, did you hear that? You will, I say you will, so listen up and pay attention.

Now O world, I begin My full assault upon you and the lands of evil wicked Babylon-America. Oh she falls, she falls! Sound the trumpet, all Heaven rejoice, for that vile of vilest cities ever to exist upon the Earth shall be no more a contributing factor of destroying the people and lands of other nations in the world. Its burial day for America-Babylon. This time has come.
