

I Send A Carrington-Type Event, O' World 6-11-26@9:28 PM Shared 6-12-26

I received this word first from my lovely Jesus Christ then this short one shortly after which I was instructed by my lovely Jesus Christ to post on the ministry's sites. I am to read it first then start with the full word received. Please try, test and discern this and take it all to Jesus Christ in prayer.

Who is really in control? 6-11-26@9:38 PM

Is it man who is in control?
Is it the fallen angels, demons, and such like who are in control?
You shall see, foolish world.

There is an event to come, that neither man, nor demon, nor nephilim, nor fallen angels will be able to control, because it is controlled by My hand, My command. I bring it down in Heaven style justice. And then YOU WILL KNOW THAT I AM GOD.

Look to the Heavens, look to the sky.

From my lovely Jesus Christ

I Send A Carrington-Type Event, O' World 6-11-26@9:28 PM Shared 6-12-26

I'm sending a Carrington event.....Heaven style!

Hear Me children, a Carrington type event, but greater. Without backups or relays, then children, choose wisely how you spend this time. On your knees drawing closer into Me your Lord God who does this for your good, or use your time in foolishness like most did when they were quarantined for the last great pre-planned sickness upon mankind. It was by My hand it was released sooner than they were ready for it to be released. So shall I step in and bring a Carrington type event, but only different, only greater. Done in righteousness and justice.

Nothing man can do will prevent this. Nothing man can do to hide this event and there's nothing lucifer's kingdom can do to stop Me, or manipulate this event I'm bringing... and it shall be....
SUDDENLY!

And then they will know again, those paying attention, that I am God!

I shall take out, take down, burn down your resistors, your towers, your transportation, your hub centers evil kingdom of darkness from sea to sea, from nation to nation. Not every one, but all will be affected. I shall reach My hand, to below the surface deep of the waters and land. I shall strike capacitors above and below. Your shielding shall fail O' kingdom of darkness. Your warning system shall fail of time of advancement, so it comes upon you.... suddenly.

And just like that which is falling from the sky of metal and rock that has left many puzzled, as the demon driven great places of science make up a lie upon lie to explain the reason why those things are still falling from the sky, the heavens. So, shall they try to do with this event.

The increase of objects falling from your Heaven's Daughter, is a result of My Heavenly Angels clearing out the skies above. Sometimes it's a release of a fallen one, but most times it is the periodic removal of all that the kingdom of darkness' and man tries to place in the atmosphere to dominate man and control their lives.

This Carrington-like event shall be fueled by the elements of the sky, the heavens of the firmament and all that's contained inside it. Such as the stars, moon and yes, the sun.

But there's more, so much more for My event will utilize the force of the magnetic black mountain, the black rock I created that beats like a heart inside your world. It will not shatter, for this time it's not come yet. But it will be greatly weakened to where the days leading up to it shall become weaker, as those restraints and hold upon the establishing of the world, the Earth, My reached out hand shall remove the boundaries established in many things in preparation for My end time Day of Judgment and wrath, the Great Day of the Lord as found written in My Holy Word.

It is the Word given to man, My Holy Word that judges you, wicked, evil world and fallen ones with your evil kingdom.

This Carrington-like type event shall drain the Magnetic Black Rock Mountain of most of its power and abilities, so when the darkness descends for 3 days, she shall shatter with ease by My command. I do My Father's will, for We are One.

Daughter, this even shall shake the world and its people and inhabitants. For by one swoop of My hand, I shall cause a failure of systems beneath the Earth and even above, for many of the so-called elite of your world's bunkers, hideaways, and what they called the Doomsday preparations.

I shall take out climate controlled storage containers, factory productions of your preservation machines and you will see that it will be you the rich and famous, upper elites, lower elites slaves to satan, to lucifer that to survive you will have to eat your own prepared, mutated wheats and grains, and your processed, poisonous 3D meat that you prepared to feed the world's population. The cattle of life as you call them in your pre-planned famine. As you again, kingdom of darkness try to fulfill My word... written of a famine in the end of days.

Your evil plans have contributed to it in a small way, but that's all. Hear Me, hear what I say. I'm sending the famine and it will be the severest that's ever struck in this created world.

In your pre-planned famine, you starve the people, the cattle, the edible, available food. This causes the reduction of the population for a better controlling of them and removes the food from their hands, creating a dependency on your evil systems of the world. In your scenario, evil people of this world and kingdom of darkness, as the world suffers in hunger, you hide in the shadows partaking in an abundance of food and delicacies, the choices of wines and fine

chocolates. This is not how it's going to be! I bring this famine worldwide, inside the whole firmament. Only those who are mine shall be provided for.

So, lucifer, so, evil people and inhabitants of the world who must eat to survive, or have nutritious substances inside their bodies, you do not get to keep your vast, bountiful supplies. None will be permitted except what is determined by Heaven to be allowed during the time of the tribulation period, with much of it being in the hands of antichrist and his beast system. Others at times will have things for there is a need at times for My children to be able to barter for a period of time.

This Carrington-type event children in areas where your internet is taken down is to give you time to disconnect from your electronic devices, because for many of My own it has become an idol to you, and you still have not recognized it, so I'm removing it momentarily. Seek Me with all your heart and you will find Me. I'm waiting with My arms open wide.

Another reason I do this is so many of My children who have been led by My Holy Spirit to prepare in advance of things coming can see the weaknesses in some areas in their preparations. These are the benefits for My children, although many of them shall look at all the internet and related issues as ill-timed inconveniences.

Children, your eyes are fixed on the events of the world's stage, as lucifer's puppets keep you entertained and amused, accompanied by fear. Again, I remove this from your eyes and give your mind a moment to relax and refocus on Me your God, Savior, and Good Shepherd. I am your Lord. I do what's best for you out of My great love for you.

Remember Daughter, My Carrington type event shall happen...suddenly. Look to the heavens, the sky, seek Me earnestly My children in My Name Jesus Christ, Yeshua Ha' Mashiach, and you will know when this time has arrived. Even before many inhabitants of the world know what's coming. I do this because I love you, My children.

The Carrington Event of 1859

The Carrington Event was the most intense geomagnetic storm in recorded history, peaking on 1–2 September 1859 during solar cycle 10. It created strong auroral displays that were reported globally and caused sparking and even fires in telegraph stations. The geomagnetic storm was most likely the result of a coronal mass ejection from the Sun colliding with Earth's magnetosphere. The geomagnetic storm was associated with a very bright solar flare on 1 September 1859.
