

Your Actions Have Been Weighed Again Children, Prepare For the Darkness Now

Read first: Jeremiah 10:2 Thus saith the Lord, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them.

"Daughter, beloved of Mine, I wish to speak with you again this morning." "I'm here my lovely Jesus Christ. I'm available. My time is Yours, always Yours." "Thank you daughter. Hear My words daughter, words of truth. It won't be easy for them, daughter when the darkness comes. Denial is the first big obstacle many of My own shall face inside the 3 days of darkness. Just like when many realize they've been left behind when I have returned for My bride. When the foretold 3 days of darkness hits this world with all the warnings, it shall be, 'suddenly.' As many of My own have let the cares of this world, and the string of frivolous holidays and festivals to draw their focus and attention from being fully on Me."

"Oh why do My children embrace so readily the ways of the heathen practices, when they are called to be set apart and holy? My children, My children I am trying to lead you into the path of truth and of righteousness. Daughter, the time of man's pagan christmas, the real date, on the calendar I 'observed' and 'used,' as a Jewish man when I walked the earth has yet to come. So, again, in other religions and parts of the world, honor and homage will be given for a day, a time in memory of My birthday, yet they embrace father christmas. A false god who in your nation of evil wicked Babylon is a jolly old man, overweight, dressed in a red suit that goes by the name of santa. I watched so many of My own embrace this fallen god, as gifts were given in his name, just as the pagans do. They teach their young kids to be good, because santa is watching. If they're bad they will receive nothing from santa. A false god of deception that causes all involved to form an alliance and family bond with this fallen angel. Do they care? Most do not, because they want to enjoy the magic of christmas. The witchcraft spelled woven into the world is what it is."

"My children should be warning their children, their nephews, nieces, and grandchildren, their brothers and sisters, that I am always watching. They should be teaching the young of My holy ways, and of My Sacrifice and My gift of Salvation. I weighed My children's actions again in this season. This merry ole time, as the world calls it, and many have been found wanting. While some have chosen to step out of family and worldly deception to walk a path of righteousness, even among the ridicule and persecution of those they love who don't like it when someone rocks the boat, or their actions cause them to feel conviction. Holy conviction inside their hearts that they've chosen to brush aside so they can enjoy the festivities with family and friends. If they knew, really new daughter, as you have learned, how many so-called friends and family members are the enemy in disguise, causing much of the ill-happening inside their homes, finances, and lives, they wouldn't

be so quick to embrace them to their hearts and bind their soul ties into stronger tighter bonds that I have been moving upon My children to break, to clean out of their lives for their safety, for the prosperity. In Me is fullness of joy, not in the world."

"Many of My children are mocking, and scoffing at those of Mine who have chosen to take a stand, and refrain from these things, the practices of the heathen and pagan ways. Stand true children in Me! Your good deeds will be rewarded, and that's less you will have to deal with inside the darkness. Inside the darkness many shall come face to face with those things that refuse to let go of. Bitterness, betrayal, abuse, unforgiveness, fears, and more. I will help each of Mine, but if they refuse to deal with the rebellion, the fears, the unforgiveness, the doubt, and other forms of sin in their lives, and repent, and for many to choose to truly forgive those who have hurt them, or those they love and know, then they will come through the darkness unprepared and unrefined in preparation of My return."

Follow the patterns and timelines in My Word for My return. Even when I walked the earth, I knew the season of My return, or I could not have given warning, 'When you see all these things, then know this time of My return has come.' My Word says, 'No man knows the day or the hour of My return, not even the Angels or Myself. That My return would come as a thief in the night.' Yes it does, but read further children, it also says, 'To watch so that those who are watching, it doesn't come upon you as a thief.' Like the 5 wise virgins you are watching with oil in your lamps. Search it out, children. Study it out further. For many they stop at the part where it says, 'My returns will come as a thief in the night.'

Daughter, a day is like a week, at times with Me. So within 'this' week which is 'a day,' your world's christmas, new christmas is found. Before 'this' day ends, I send this world hurling into the 3 days of darkness.

And for those of Mine who still have your pagan tinsel trees adorned as a place of 'awe and wonder' for your children to look at, which by the way 'awe and wonder' are words described when worshiping something, you will be faced with the battle of the agreement you have made with the enemy. Battles that you as My children did not have to endure, but shall do so now, because I warned you in My Word not to embrace, or partake in the things of the world. To not learn the ways of the heathen.

Daughter, daughter, I once weeped over Jerusalem for all I knew was coming. So, do I for all My children shall endure during the darkness when their eyes will be opened to My truths. They will not be able to hide behind excuses. This is necessary to refine and purge away the sins, and hidden ones many of My children partake in, after continually refusing to heed the gentle warnings from the Holy Spirit.

Daughter, 'the week that is a day,' 'that's found within the quarter,' is the time of the 3 days of darkness, and so many daughter, are seeing dancing lights of another source all around. Lights that are the same in part, but different all together. These dancing lights, when outside, gives off colorful auras. Much like those in the sky, but of a lesser volume. Close minded by the participation in the world has so many of My children become. Deception's veil has covered the world as delusions settle further, for the man of sin to rise into his last position of power to be.

Repent, My children, repent, for soon your laughter, mocking, and scorning shall turn into lamenting wails inside the 3 days of darkness. Remember, My time is not your time. My day is not yours, nor is My week, or month.

When I prayed again in Jesus Christ's Name today and asked Him if He would give me Scripture to back up this word, after I already discerned it yesterday because of the content He in His love and kindness gave me Zephaniah 1:7-18 & 2:1-3. Please try, test, pray, and discern this in Jesus Christ's Name as we're all called to do. God bless. Stay under the Blood of Jesus Christ always.

January 6th is known as Little Christmas or Old Christmas, but also as Epiphany. It's a day originally designated for celebrating the birth of Jesus under the Julian calendar. The shift to the Gregorian calendar by Pope Gregory XIII in the late 1500s moved Christ's birthday to the new date of December 25th for Christmas. However, some groups, including the Amish, continue to honor it on January 6th. As well as many of the Orthodox Christian communities today throughout the world.

When Jesus Christ walked the earth He would have used and observed the Hebrew calendar among His people but also utilized the Julian calendar used by the Romans because the land was under Roman control at this time.
