

## **You're the Cause, Lucifer For 10 Sky Cities Instead of 10%! 4-8-26@1:11 AM**

"I'm here my beloved Jesus Christ, my Lord, my God, my Savior, my Everything. I love You Jesus Christ, I love You." "I love you too, My Daughter. Daughter, I have somewhat to say to you. Please take down My words. These are to be shared openly" "I will my lovely Jesus Christ, I'm listening. I've already prayed in Your Holy Name Jesus Christ and our conversation is covered in Your holy Blood." "Yes, Daughter it is."

"The time has come to once again administer holy judgment. This judgment is fair, just, and true. Lucifer and his kingdom have launched a complaint to Heaven's Courts declaring that 10% should not be a set amount to limit his kingdom to fulfill their evil doings, because men's hearts are corrupt and evil, which they are. My judgments are weighed fair, just and true and what has issued forth by My mouth in righteous judgment still stands."

"The request was, 'for there not to be a set 10% amount left alone for them to fully operate in.' This has been reviewed and after weighing the judgments still yet to be released, Father and I have come to a decision. From here on out, lucifer, your kingdom will not be kept to your 10% of any other forthcoming judgments from the throne of My Father, Ruler and Creator of All. I utter His judgments, for We are One."

"Hear Me lucifer, and hear Me well, I give you what you have asked for! There will be no further hearings or appeals on this matter of holy judgment and the allotment of what you need or you don't need, to fulfill your part in the affairs of mankind and the remaining time on Earth until I purge it fully with fire. I see what you do in the shadows."

"I see the fleet you have and are creating, of your floating, sky cities. You have determined to use them to replace the controlling of your lower weaponry and satellites. You understood that antichrist, the man of sin, would have to be able to travel through the air and the war planes and other weaponry would too. So, you realize you would still have access to the lower cloud areas where your cloud cities are still able to travel unseen through the clouds. Through these cloud, sky cities you intended to use them to cover by air the world, and to hunt down My children quicker, because in the end, your first priority besides ruling in power, is destroying My children!"

"This I say, I take your sky cities from you also, but instead of leaving you 10% of all you have created and are creating, after reviewing all things from the past, the present and the future and upon your request O' kingdom of darkness, to not be held to 10%, I leave you only 10 cloud, sky cities. Only 10 of My choosing instead of your 10% which you and I both know has reduced the number you could have had if you had not objected to the 10% that was just, fair and allowed you what you would have needed. Again, I say, I take from you lucifer, all but 10 of your sky, cloud cities. Michael and his Angel shall take them down and cast them out of My heavens shortly. This is also fair and just for My children now and those left behind."

"Hear Me kingdom of darkness, this is what your petition has granted you, the restraint of having only 10% of some things, to now, if it is fair and just, I can and will reduce it to numbers and not hold it to a percentage. I told you kingdom of darkness....lucifer....satan.... I just began fighting

for My children for these last end time days. I have stepped down into the affairs of man and you've only seen the start of what I shall do for those of Mine."

"So, kingdom of darkness you are hereby notified your petition was granted by Father and Me. The 10% hold on your kingdom has been removed, but only do you now realize what a mistake that was! I say again, you will be left with only 10 cloud, sky cities of all that have been, and all that will be, and not one single, one more on orders of Heaven's Courts with the order delivered by Myself. I am the Righteous Judge of the earth and I judge by the Word given of My Father."

"Daughter, I say to you now, only 10 of all the massive floating, sky, cloud cities shall I allow the kingdom of darkness to keep. Only 10 out of the hundreds already in operational use above the skies." "Whoa, Lord Jesus Christ, they would have come out better if they had not complained about being left with only 10% and then petitioning Heaven for the granted 10% to be removed, because if they have hundreds and they are only allowed 10 instead of 10%, then they got their sky cities greatly reduced, didn't they?"

"Yes, Daughter they did. Now Daughter, because of their actions and the judgment from Heaven's Court and the judgment brought forth in honesty, truth and righteousness, I will fulfill now the prayers of many of My children. I now through lucifer and his kingdom's action and the fulfilling of the petition to have the 10% said amount removed, I now take them down unhindered with all of Heaven behind Me to the prayed after amount of a skeleton crew to be all the kingdom of darkness will have to fulfill their part with the antichrist for the end time days."

"What this means Daughter, wherein beforehand for most things, lucifer's kingdom would have 10% of different weapons, technology, knowledge and such like which would have still given them the ability to do all they needed to do with ease. Now I shall reduce their numbers even lower in those things they have not received Heaven's judgment on yet." "Jesus Christ, is there still a lot left?" "Daughter, there is quite a bit still not pronounced, but not all shall be publicly announced, for they still have to be able to work in deception and lies, because that is who they are. Liars and deceivers with disobedient hearts that will never change their ways."

"Daughter, so now instead of Me taking all but 10% of the kingdom of darkness' sky cities, I take all and leave them 10. When this announcement goes out by your mouth, by My command, Daughter, then know My Holy Angels have already begun the removal of such things from your world's atmosphere."

"Now Daughter you are called to try, test, and discern this Word in My Name Jesus Christ as My Word says, even though you know it's covered in My Blood. Never get out of the practice of trying, testing, and discerning all things, because as your world passes from grace to the time of wrath, it will take My holy discernment given to you, to My children to survive the tribulation period that has come. Reach for the lost Daughter, all you can and never stop reaching, for time is short." "I will my lovely Jesus Christ with Your help." "My help Daughter is given"
