

Refocus My Children & My Wrath 9-17-26@11:18 AM

So much woe has come to your world Daughter, so much woe. But with all the noise, the constant bombardment of noise, of headlines, of war, of economic pressures, many of My children have lost focus of Me once again and instead our focusing on the many lies, deceptions, the presented facades and play acting. Whose play acting continues to destroy lives and cause the death of so many in the whirlwind of mass chaos deliberately cast upon the world to try to hide the advent of the world's chosen one. The man of sin, chosen to rule this one world united, written about in My Holy Word by satan, by lucifer himself.

At such a perilous time, My children must refocus on Me, Jesus Christ, Yeshua Ha' Mashiach their Lord, their God, and Savior. For those who don't, for the majority, they will be caught up into the storm of lies and deception and will be picked up with the chaotic world wind and cast into the coming tribulation.

Refocus, My children, refocus. Take your eyes off this world and all its evil doings and refocus on Me and I will shelter you from the storm under the shadow of My wing like a mother hen does her chicks.

Trouble, I say more trouble is brewing in the Middle East and the Hormutz Strait. The choke hold on the world supplies is pre-planned, and predetermined by the fallen ones, the council of 300, the council of 13, and the committee of 300.

You are about to see it heat up more with these participants. For even after the 3 days of darkness lifts and the majority of those in the ships and waters shall have passed, or went missing inside the darkness, there will be a rush of activity for antichrist's forces to swoop in and gain control of such a strategic location.

This is why I have foretold in the time of the Earth's great shaking, no longer shall it remain such a narrow travelway but shall be widened. So no longer can this be used to hurt those of Mine and those to come, from receiving some needed supplies to evil wicked Babylon-America before she has been fully taken to her knees to rise no more and she is surrounded by Putin and his evil coalition's armies on all sides of water... where it shall be possible.

Destruction's Hand falls hard and heavy on the unrepented world and its inhabitants. My wrath is stored up for the evil, the wicked, and the unrepented. It is not meant for My children. Those who knew Me before the tribulation and find themselves living during these times, then know it is because at this time they were counted with the unrepented, because they still had sin-stained garments instead of garments that were pure, white, and unspotted for My return.

Many woes have come to this world, Daughter. Woe upon woe, destruction upon destruction, and I have yet to release the judgments by trumpet and by bowls.
