

O' Jerusalem, Jerusalem, Gog Arises 8-29-26@9:59 AM Shared 8-31-26

O' Jerusalem, Jerusalem how I once weeped over you for all the destruction you shall endure. Your hearts have returned to the state of Jeremiah's and Ezekiel's day. Your haughtiness knows no shame. You play the adulterous with nation after nation in the secrecy of the shadows, while proclaiming to stand for My Father's Great Name.

O' Jerusalem who still kills today the holy prophets of God and the two still to come upon you as antichrist, the man of sin defiles your city.

I am stirring the people from the north to rise up against you O' Israel of today. You are not a holy people, but an unclean one. You're idolatry of self, of idols of pleasures of this world supersedes that of Jeremiah's days when I sent the King of Babylon of old against your nation and its people.

I stir up again the Medes, the Persians. I call to awake the lands and their people that shall surround you for the great battle and besiegement to come to fulfill that which Ezekiel and other of the Holy prophets of old forewarned to come in the latter days of Jacob's troubles.

Awake! Awake, I say, O' surrounding lands and isles, it's time to awake. As Netanyahu and others inserted into Jerusalem pushes further the antichrist's agenda in the form of the Noahide laws, I rouse My armies of sleeping lands and people, the foretold nations of old, to prepare their battle preparations to march upon My beloved land of Israel and Jerusalem.

Hear the battle cry go out! To arms, to arms, to war, to war! Israel has been judged and found to be as rotten as the loincloth apron Jeremiah the prophet was instructed to buy, wear, then buried. Your sins are many! Your hearts are evil! Your land is defiled by blood spilt, worship of angels both good and bad, and your lives are not that of purity as My people were called to be, My Father says for Me to say.

O' Jerusalem, Jerusalem what you are about to endure as the sleeping Gog rises to the forefront, you can only be delivered from when I, Jesus Christ, Yeshua, Yeshua Ha' Mashiach, the One you have rejected in the days I walked the earth as both God and man...and reject still in most hearts today, set My feet upon the Mountain of Olivet and show you finally who I am.

I am your Savior, your Messiah, your Deliverer, your Good Shepherd, and the only One who can stop your land from being fully destroyed. The land will be purged of the wicked and evil of those in the synagogue of satan. Referring to the wicked wolves in sheep clothing that were supposed to protect this land and its people. But due to their hearts loyalty to satan, to lucifer they have sold out your nation's people for position and wealth.

This war that Gog brings foretold to come has arrived. Israel has been judged and found wanting. Jerusalem that once Holy City is defiled, for people defiled. Judgment's holy gavel falls This moment in time against the land of Israel. It's written within times of holy judgment that people begin repenting. They realize they need their God and Lord's help. They begin learning the ways of righteousness. Such as it is in this time again.

The time has arrived, the time of the Great Day of the Lord foretold by the prophets of old in which I revealed to John in greater detail. The time of judgment falls upon every nation great and small. It does not matter for all have sinned as whole nations, but one who is divided with the rebellious unrepented hearts.

It's time for the world to meet antichrist, his time is now. Then O' people and children of Mine, for most shall still be here to see who he is, your arguments and vehement behavior to others shown differently to you who he was will have little value to you. Whether wrong or right, the condition of your heart is what will cause you to be there to see his face broadcast it as leader and ruler of your beleaguered world

It's time for the tribulation period.

It's time for the Great Day of the Lord.

It's time for the world to see with their eyes I am the Son of God and Messiah for the whole world.

Before this time fully arrives, repent! Fall on Your knees and ask Me Jesus Christ, Yeshua Ha' Mashiach to wash away your sins and I will. Do this, do it now, before it grows dark. Before you cannot see and you stumble around as it fully sets. For 3 days I bring the gross terror-filled darkness from the deeper recesses of the abyss. From the deep that shall completely cover the whole inside of the firmament including the recesses of Hell beneath.

My children shall have light. Those with My children in their locations shall have light through them. Otherwise you will face the terror of the darkness alone with great gnashing of your teeth. Hearts shall fail many.

It's during this time that the witches, yielders and users of witchcraft, if not repented of their sins, shall meet death's blow. I have fully warned of this already. These are those who are human and not the nephilim who for the majority have already blasphemed the Holy Spirit, or have been turned fully over to reprobate minds controlled by lucifer, by satan and his demons.

You have been warned O' world this time would come. You have been warned, My people, this time would come for all these things. Now I say to all, that which you have been warned of from the past to now is upon you.

Arise, arise, I say to the lands of old, of Magog, of Gog for this time has come. Arise from slumber. Take up your arms. Cast your eyes upon Israel. Her skirts have been removed. She has been defiled and it's time for her destruction to come until I save her.

O' Jerusalem, Jerusalem repent now while you can. For times of destruction come upon you from the Throne of Heaven for your backsliding, adulterous ways and hearts full of idolatry. Repent, I say, for this judgment is sent down from Heaven's Throne this day.

No longer shall you gain ground in the current battle you are in.

No longer shall the atrocities of the murder of the slain young and old be withheld from the eyes of the world.

No longer shall the abuse of the prisoners you have taken be hidden.

No longer hidden shall be the chemical and poisons you've used on others or the deliberate destruction of homes and food supplies needed for people to survive be buried in bureaucratic red tape, as your world calls it.

As the eyes of the world's nations begin to see your evil ways, leaders of Israel, each one will turn their back on your land Israel so the battle foretold with Gog can and will take place.

America-Babylon, Babylon of new shall not be able to help you Israel! For she shall already have been struck down by blows of the nuclear sort upon her nation's soil. You will stand and fight alone and you will lose many battles, but you shall not be destroyed.

I shall come to fight for you but I shall not come alone. For I am the mighty Captain of the Host of Heaven and included in My army at this time will be My 144,000 riding with Me, fighting in holiness and righteousness.

Even still My children pray for the peace of Jerusalem, for the people of Israel, and for the world to repent of their sins and to accept Me into their hearts as Lord and Savior. For My arms are still open to all My Father is drawing to Me to come. Pray children for your prayers prayed in My Name contain great power and can move mountains when prayed in faith.
