

Other Nations, Fake Aliens, Trump is Manasseh & Called to Try It Children 5-31-26@6:03 AM

There's a shaking coming to Sweden, a great shaking. I shall shake her cathedrals and grand places of worship wherein I have been replaced from being a God of love, Holiness, and Justice, to one of love who declares all sin is acceptable. I say to the ministers, the pastors, the bishops, and priests, "There is blood on your hands and the time for your accountability has come. I shake your foundation stones, for you have rejected Me, Jesus Christ as your cornerstone.

Cast your eyes to the war between Ukraine and Russia. Can you not see how it has escalated, though most eyes now are looking toward the region of the Hormuz Strait? Because now it affects their pockets, their households, and not only a distant country far off for some and close to others. Did I not say Putin will fire his Oreshnik missile again? Has he not done so not once, but twice since this warning went out which I did not say how many times before the Sarmat 2, satan 2 missile was used? It's a number of completion for the Hazelnut Oreshnik's uses that brings the Sarment 2...satan missile into use by the cruel hands of Putin upon the people of Ukraine. Heed My warnings, the sins of the land of Ukraine rose up in a great stench and war was called forth. Putin of Russia the bear, has been raised up like Pharaoh of old in Moses' day. He has many parts to play and fulfill for these days of judgment and judgment to come. He will indeed use the satan 2 missiles and Ukraine will fall to his army and rule, and become once again the land of Magog united as in My Holy Word.

Daughter, now look upon the land of Indonesia. This is a land steeped in the tradition of idol worshiping of false gods. They have not changed as a whole people who embrace further the ways of the fallen ones. Out of its people, many times because of the loyalty of hearts to their pagan gods and false worship, some of their people will be chosen and handpicked to be taught the secrets of demon enchantments, divination, and all the ways of the forbidden knowledge of witchcraft under the guise of seeking inner peace. Do not be fooled, My children. Do not be deceived by their humble looking appearances. For these are mighty in the ways of evil practices, but nonetheless all fall and can be destroyed through the power of My Name when you bind the demons they have allowed into their lives in what they call moments of trances, deep meditation, and transcending.

Daughter of Mine, did I not tell you there was coming a revealing to your world, of the existence of alien beings and their ships being real? Did I not mention the month of June would be such a time? Watch closely as My words are fulfilled again, for the time of antichrist's ascension into full power above the Earth soil has begun. The world will embrace with open arms these fake alien beings who are really demons in disguise. Who are fallen angels in disguise and even some nephilim. Those who are close to Me shall not be deceived, for lucifer, satan, the kingdom of darkness are all masters of deception, but I am the Light of Truth. Those who are not close to Me will be deceived, except for those I call to help expose the truth from all walks of life about the alien deception. It's all one great, big delusion, illusion to all aid antichrist, the man of sin, and his reign of power. But he, himself is the greatest illusion of them all who by only his words, charm, charisma, and familiar spirits, seduces the whole world into following and worshiping him as not only the world savior, for many he will be their god, for those who are not Mine.

The time for this deception of the arrival of the fake aliens has come. Many shall be deceived, as all the pre-planned, prepared years of information from more countries than just yours Daughter, begin releasing their fake eyewitness accounts, their captured videos and such like that will ring true in the hearts of many when the stories of alien abductions start coming out more and more, because many of these accounts really happened. Only it wasn't the pretend aliens, but the fallen ones, the demons, and the nephilim doing such horrible atrocities to mankind. While other reported accounts will speak of beautiful encounters. These are the same ones mankind will bow down and worship as superior alien life forms.

Woe has come to your world Daughter.

Watch for the Bismarck to return in the world of man's wars, but not as before.

My children, Daughter, who do not try all things, who do not test and discern everything and everyone who is in their lives, who do not try the spirits inside and behind what is occurring, may find themselves swept away into deceptions of wind in many things. Even now, many of those speaking falsely, words in My Name will say in their words, dreams, comments, in their videos and such like, to discern what they're saying. They are sharing this because in a man's mind, many assume because they are told to discern it in My Name Jesus Christ, that they have nothing to hide and must truly be speaking in My Father's Name or Mine. Thus they fail to put the word, video, and person to the testing and discerning as I have instructed all My people to do. I have warned you Daughter, from the start, when I called you to step out and to share what I have given you to never assume anything. Always, always bring all things to Me in prayer. This is where the body of Christ as a whole still fails in their walk today. Just one of many ways that allows and causes My church to go astray. Why is it so? Because it's walking contrary to My Word. You're called to test and prove all things. All Daughter, not only some things, yet they choose not to do so.

Now cast your eyes on your nation's President Trump in the forefront of action. While he bullies the world, he passes executive orders and laws that further constrict and lock down the freedom of America-Babylon's people. Who lost their freedom as a whole people on July 4th, 2025 when President Trump signed publicly before the official 4th of July celebrations occurred, at the White House for the people, the one great big beautiful bill. He is still the one I have chosen to aid the people, My people who will remain inside Babylon-America's walls when the tribulation period begins in your world. But until the time of reckoning in his life, a time of further humbling and removal, he has become like King Hezekiah's son Manasseh of old who did much evil in My sight. He sinned greatly, served idol gods, and caused Judah and Israel to become a divided nation even further when Judah was later taken into captivity. President Trump is following in the footsteps of Manasseh as he further aids in ushering in the beast system and antichrist to power. After Manasseh was humbled and removed from power, he repented of his sins and followed Me, but always bore in his name and memory the great evil he had caused his people he had ruled over.

Such it is with Babylon-America's President Trump, except his father was not a righteous man like Hezekiah was. President Trump shall be humbled and removed from his throne. The queen shall appear for a short reign. Like Manasseh I shall return President Trump to his seat of power

to aid those left behind. To defend this nation until those who are Mine are fully removed either to safety or by death, for war will be occurring, invasion will be at hand, and the time of martyrdom for My children will have come as well.

If President Trump repents of the sins like Manasseh, or not, it will not affect his call to return to power, because in him I have placed the backbone and skill to be able to rally and defend the best able in evil, wicked Babylon-America's borders. Lest others that would be placed in power by someone other than your Just, Holy God, would surrender this nation to foreign control and invasion without lifting a finger as your world says, Daughter, to prevent it. This is how I will preserve America-Babylon, though wicked and evil, from completely falling until I give the command, because I will still have beloved children inside her broken down borders.

Understand though Daughter, she will no longer be a superpower at all, but a broken down land trying to keep from being consumed totally by Putin and his evil coalition's attacks and invasion, because your nation has been judged, found guilty, refused to repent, and will be enduring the repercussions of holy judgment, that in the end will cause some of Mine to return back to Me, and therefore their souls will be spared from hell's burning fire, and the Lake of Fire to come. Your nation's President Trump Daughter, he is a Manasseh of today.
