

## **I Punch My Fist Through Babylon-America 1-15-26@ 5:02 PM**

Now hear Me, Daughter, hear Me well, My FIST of judgment is about to punch through your land. Hear Me, Daughter, things not yet revealed, I speak to you now... even before the darkness settles for 3 days.

Speak Lord, I am listening.”

I send forth judgment, harsh, for a cruel nation that kills the babies in their wombs and calls it, ‘Planned Parenthood.’ ‘Murder,’ I call it, ‘premeditated murder.’ Thou... shalt.... not.... kill! And those children that do live, many of them are abused in their own homes, their innocence taken from them by those entrusted to take care of them. Or sold into slavery to be sex slaves, to be used and abused by the kingdom of darkness and their rituals. Your vile nation is the leading one. Now hear Me, Hear Me, Daughter, Hear Me. I punch My fist through your nation now!

God, what 's going to be more terrible than the tin nuclear suitcases? Speak to me, Lord, in the Name of Jesus Christ. What are You going to do that's going to punch through this nation? Please tell me, Lord. You said, You were going to tell me.”

A disaster Daughter, a disaster, a disaster is coming.

Jesus Christ, I hear the word, ‘Industrial.’

Yes, Daughter, an industrial disaster and in addition, your President Trump's embargoes, tariffs are about to sink your nation in many ways he has not realized. I am about to deplete America’s resources. Natural resources daughter, I’m about to deplete America’s natural resources. America-Babylon....vile...vile, America-Babylon I deplete your natural resources that I placed inside this earth.

NO MORE!

NO MORE!

NO MORE, I say.

It’s going to be Epic, Daughter, that's the word your world likes to use, it's going to be an epic event.”

Lord, how? How can something happen when we're this close to things happening?

By My command Daughter alone. Yes, Daughter, what happens in Heaven, then happens in the earth. I have already given this command in the earth. This is a mystery I've kept hidden even from you Daughter. I punch through America-Babylon, I punch through her gut. I punch through her, you vile, vile nation.

When does this industrial punch through the gut happen?

In the morning when I rise, give me Jesus,” is what you say so many times. That's what your sign says, ‘In the morning when I rise.’ It's going to be an epic happening, Daughter, an epic happening.

Cruel, cruel, evil, vile, Babylon. I see what you're still doing.

I see.

I see it all.

I see it all.

I see it all.

I see what you do to My people. I see what you do to their water. I see what you do to their food.

I see how you poison them. I see how you try to change and mutate the DNA.

I see it all.

I see it all.

I am God, and you will get your recompense, by a just God that has heard the cries of their people. MY PEOPLE, crying out in despair, because of all that's coming out, feeling overwhelmed, because of all that you've done to them, but knowing somehow, I am protecting them.

It starts now, Daughter. In the morning when you rise, in the morning, when you rise,' while you're seeking Me, I start depleting Babylon-America's resources. Daughter, I deplete the resources that they depend on, the natural resources. That means the God-given resources in the earth.

They are Mine.

They are Mine, given to man in love to use.

It's time, children, to flee Babylon. It's time, children, to flee Babylon. Stubborn children, it's time to flee Babylon, and those called to stay, it's time to run in and lock your doors. Because I've stepped My foot down in judgment, and I'm coming in anger at Babylon-America, and those that further take her down. That has led her own people to serve idol gods, including self, deliberately. Causing them to partake in so many sins, including fornication, including murder, including the destruction of the body by illicit drugs and prescription drugs that are made to kill. I see it all.

You are judged Babylon.

You are guilty.

You are condemned.

Now you die.

I'm done, Daughter.
