

## America, Give No Mercy, Receive No Mercy 5-5-20@4:24 AM Journal Entry

“I woke up this morning Jesus with these verses running through my spirit and I looked them up on the internet to make sure I remembered them correctly. The 1st one being James 2:13 For he shall have judgment without mercy, that hath shewed no mercy; and mercy rejoiceth against judgment. The 2nd... Luke 6:36 Be ye therefore merciful, as your Father also is merciful, and 3rd... Matthew 5:7 Blessed are the merciful: for they shall obtain mercy. Then Luke 6:31 says, ‘And as ye would that men should do to you, do ye also to them likewise.’ As these verses, these blessings, yet warnings go through my spirit, an article from the internet which the Holy Spirit led me to, came into my mind. You, Jesus, had me look at the world news headlines yesterday. It’s from CNN (www.cnn.com). It’s titled ‘Maximum pressure,’ on Iran amid Coronavirus could backfire for Trump, by analyst Nic Robertson, CNN updated 3:31 PM ET on Wed. April 8 2020.

In this article, Iranian leaders are accusing the U.S. of crippling its medical system amid a Coronavirus pandemic. The Iranian president Hassan Rouhani was calling the White House an economic terrorist as he slammed U.S. sanctions on Iran. The contagion is beyond their government control. The article also tells of the leaders of Venezuela and Cuba also demanding that President Trump also lift the crushing U.S. sanctions which impede their access to global financial systems. It also says these accusations could erode global trust in Washington. Although the sanctions technically exempt food and medical supplies, Iran reports their having an impact on them gaining access to essential medicines and medical equipment. One comment was made that the Iranians who may have thought that the U.S. was a benign power that took care of other countries in moments of crisis instead are being seen as this nationalistic America.

As I read this sweet Jesus, my thoughts went 2 ways. The Iranian government has proven themselves in times past as untrustworthy and I realize why the sanctions are imposed, yet it’s the actual Iranian civilians, these people who are suffering and suffering greatly. My mind dwelt on this for only a moment because my heart went out to these people, to all the people of our world. Your words from Your Holy Scripture keep echoing in my heart and spirit and I am putting them in my words. If you do not give mercy and treat people as you should, as how you want to be treated, then when we are in need, in want of mercy, then none will be given to us.

I’m not saying that we need to lift the sanctions, for I truly do not understand the ways of man’s government, but where is our faith and trust in You, Jesus, that You will take care of us? It’s left when America, turned from You to their idol gods of their own making and now when this war of nations hits and we, ourselves, America are going to need it, then very little will be given. We will not be utterly forsaken for our country still holds, as a whole, a small amount of favor with You, Jesus, through our alliance with Your beloved country of Israel and for the faithful few that still truly love and serve You. But Jesus...we are supposed to be merciful and kind, yet strong at the same time. Mercy to me is not a weakness but a strength! Am I wrong Jesus? If I am, please right me.”

“My dear Child, when I say that he shall have judgement, that hath shewed no mercy, then this is exactly what I mean, for an act of mercy within itself is a show of great strength. Mercy is usually given out of love and compassion and these are attributes of Me that will make a country and its people strong. But as you said, Child, when this war of nations hits, your country is going

to be in need of mercy and compassion and you are going to find to your horror, you as a people, just how bad your true state is when countries who were once considered your country's allies shall align with Putin and China due to the aggressive actions from your current president and your government. A harsh word and a display of power thrown around in an abusive manner is not a way to maintain an alliance among countries. When faith and trust are broken, then loyalty no longer remains." "Then what are we to do Jesus?"

"You do what you are doing now. You pray, Child. Have I not told you already that your prayers are effective for opening up windows and doors of opportunities? Child, I was not only referring to lost souls, but for every aspect of your life. Do you not realize yet Child, that this is how a prayer you prayed some 20 years ago can still come to pass? When the moment in time arrives when this need is needed to be met, whether it be the saving of a soul, or as you have found out recently, the availability for the purchasing of a home, the window of opportunity opening up right as the opportune moment, was opened due to prayers prayed in the past. Your prayers have the ability, when prayed in accordance to My Holy Word...the ability... to reach into the Holy of Holies, into Our very presence, that of Father God and Mine. Although We see all, hear all and know all, when you pray to Father God and it comes before Him in My Name, it grabs His attention more so than before. For the cries from His true children touch His heart, Our heart and He will move all Heaven and earth if needed to meet the need of just one of His little children. For Our love for mankind is great, everlasting, and unending. There are, as you say, 'No strings attached.' Our love is unconditional.

This war of nations shall leave all nations in distress in some way or another, but those which shall endure the attacks from the strikes of the of the weapons of the nuclei shall be in great distress overall. The weakening of the strongest of nations must be brought about for antichrist to be able to come into power as Supreme Ruler. But your nation Child, the nation who forgot Me as their Lord, you shall be crippled by the hand of Putin's 1st strike with the weapons of the nuclei, although this is but his 1st. There will be another, a 2nd strike by his hand as well as that of North Korea on the authority of Kim Jong Un. Even yet still, I am a God of great mercy and My compassion for your people shall keep you from being utterly destroyed. Make no mistake though, in thinking that these things shall not come into being, for they are lined up in their designated slots in the great hourglass of time and the orders have been given and they are already in the process of taking place.

Your country Child shall be crippled, but not totally defenseless, although your country shall surely feel the feet of foreign soldiers upon your soil from that of Putin the bear, Xi Jinping from China the king of the east, and even Mexico from the south. I shall send you military assistance through the hand of the queen of the east... of UK's lands. Do not despair Child, for even in the darkest of times, there is hope, for hope lies within Me and I, Jesus, can always be found to all who truly seek My face, My ways. I am available 24 hours a day, 7 days a week. Time holds no restraints on My holy being. Think it not strange that while I let you look at the headlines last night, that you saw confirmation after confirmation of these things that We have discussed in prior conversations months of your time ago. Child, I know already what is going to come to pass. I know each man's thoughts, their actions and deeds even before they are created into existence, for Our Father God has ordained all that is to come into being from the dawning of time.

There are no surprises or chance happenings, for everything is ordained and allowed for His divine plan to be fulfilled upon your world which shall forever eradicate satan, his demons and all traces of sin forever as they are eventually cast into the eternal lake of fire. I send reproof, I send warnings and I send encouragement through My true servants. Many are called but few have responded.

To be My voice, Child, is an honor for all My children because when they accept Me into their hearts, their lives become Mine and as they learn to follow the leading of My Spirit, they shall speak on My behalf more often and with more boldness. Most shall surrender their lives up to a point but shall still put their love of their families above Me and this causes them to become unusable in most times, for did I not tell you in My Holy Word in times past, anyone who loves father or mother more than Me is not worthy of Me; anyone who loves their son or daughter more than Me is not worthy of Me? I, Child, am supposed to sit upon the pedestal of your hearts, not man or woman, for they are created beings, and I am your Creator. As you have learned for yourself Child, when you love Me wholly and put Me above all else, then you have more capacity in your heart for those you love here on earth as well, for Child, My words spoken while I walked upon your earth are just as prevalent today, as they were then.”

“You know Jesus, I started putting You above my family and setting my eyes upon You, to please You and to do Your perfect will for my life and my love has grown and grown more deeply for not only my family, my friends, but for this world, for the people that are lost. I am so grateful Jesus, and thankful. As I draw closer into You, I realize just how spiritually dead I was. I love You, Jesus Christ, I love You so much and even though I’m ailing in my body, I am soaring in my spirit. As long as I keep my heart right and clean before You by Your holy and righteous standards for mine, well they ‘stink,’ Jesus, I shall be okay in You and through You.” “Yes, Child, you shall. I will be with you today Child, as I always am. Always expect the unexpected.” “I am trying Jesus.” “No, Child..you will!”
