

Confirmation 4-1-26 Concerning 2020 Words about Trump & Covid 19

For the glory of Father God and Jesus Christ

Countries Will Align In This War 7-4-20@4:50 AM

...You keep asking Me Child, if you heard Me incorrectly about this sign, the signal from your President Trump, this speech he will give publicly broadcasted near and far wherein he is going to bring forth railing accusations and strong allegations against Xi Jinping the king of the east and his country, the nation of China, declaring the manufacturing of this Coronavirus. Although it has mutated into different strains as you have called them, they all originate from the same one, which your president will announce was made in the Wuhan lab, their lab of Virology. He will then bring forth the blame for this worldwide spread of this disease, this pandemic and place it upon the shoulders of Xi Jinping and his country and then demand restoration, compensation, reimbursement to the people of your once great nation for its failed economy, for this I have told you would occur.

4-15-20@7:30AM Woe, Child, I say Woe, for now the calamities ordained by Father God are starting to come to pass upon your world today. This virus, this Covid-19 is only the beginning yet I say again, they will discover, when they diligently search that yes, this is a man made disease. A weapon of unknown origin currently, but they shall discover the lab in Wuhan in the land of the King of the east of China were doing testing.

Sin Is The Cause Of These Things 6-28-20@3:56 AM

“I have warned you Child, and I have been sending you warning, all people warning months of your time through you Child, but years by others, and these warnings by most have been ignored, looked upon as foolish. For man knows the way your world is going, that yes, it's headed for war, but the ‘lie’ sets in when people choose to believe, ‘Not in their lifetime!’ Well, neither did they think your whole world could be brought to its knees by the presence of 1 little germ allowed to be released among you. Look how the accidental releasing allowed by Me, of this coronavirus, this Covid-19 **which keeps mutating**, which escaped the lab from the king of the east's country called China. Tell Me Child, have not I warned you for many months now that you would see known and unknown diseases break forth upon the land?

Classified State Department Documents Credibly Suggest COVID-19 Lab Leak, Wenstrup Pushes for Declassification

WASHINGTON — The Select Subcommittee on the Coronavirus Pandemic recently reviewed classified U.S. Department of State (State Department) documents that credibly suggest COVID-19 originated from a lab related accident in Wuhan, China. The documents also strongly convey that the Chinese Communist Party attempted to cover up the lab leak and that the Wuhan Institute of Virology (WIV) maintains a relationship with the Chinese People's Liberation Army (PLA). Chairman Brad Wenstrup (R-Ohio) is requesting the State Department rapidly declassify this information and share the truth about the origins of COVID-19 with the American people.

These documents were previously released in an unclassified and highly redacted Freedom of Information Act production, first obtained and reported on by U.S. Right to Know — a nonprofit working to expose government failures that threaten public health. The redacted documents showed numerous, highly suggestive subject lines including:

- "Initial Outbreak Could Have Been Contained in China if Beijing Had Not Covered it Up"
