

America Face Me Like a Man! I Am a God of War 3-3-26@7:47 AM

I'm here Father God and Jesus Christ my Love. I heard You called out to me, I am here.

Daughter, it's time to bring the rain to your world, the rain of hail. I send hail, raining hail, chunks of ice small and large upon evil, wicked Babylon. From My Heavens, I shall pour it down like a mighty army against Babylon of old and Babylon new, your nation of America. She, who has openly defied Me and declared war upon Me, her holy God and Creator for many of your years now. I am a patient God. A God of mercy, love, justice, and understanding. I have patiently waited for you to repent and return to Me. You have known Me as your Holy God of love. You have known Me as your Protector. Babylon-America, you have known Me as your Provider.

Now you shall know Me as the God, the Man of War!

You have openly declared war upon Me for years as you removed Me from your lives, your homes, your churches, your schools, your government, your nation, even your money. Now see My hand raise in righteous judgment against the error of your ways.

Stand up if you can wicked evil Babylon-America and give an account for your evil doings you thought you had kept hidden from all, even the God of Heaven.

From the Mercy Seat I have stepped down O' wicked, evil, corrupt hearts of America-Babylon, for you have failed to repent leading still...even further...more souls...more lands astray. I warned you I was stepping down and into the happenings and affairs as Righteous Holy Judge. My mercy is extended to only those I choose to extend it to. To receive mercy Babylon-America you must also give it.... You have none.... unless it benefits you!

Now you shall see how pitiful your attempts have been to stop all from knowing of My existence. I send the hail! Hail that you cannot predict or control unless I allow it. I rain it down not on one place alone but many, from small amounts to much amounts.

Have I got your attention yet Babylon-America? I warned you I was going to bury you in snow. Have I not done so? While more has been coming down in places as I open up the treasures of the sky I created against you, where your gizmos and gadgets, and cheap tricks of fallen angel technology shall be revealed as inferior and sadly lacking against the true power of a Righteous Holy God and Judge.

Babylon-America O' great power of the world that you call yourself, rise up! Stand up and face Me like a man and give account for yourself.

I am a God of War! A Man of War! Hear Me roar. I am the Lion of the tribe of Judah. My Father has opened up the treasures of Heaven against you and now I shall smite you in holy righteous judgment. This is the only way for some of you stiff-hearted, stiff-necked, rebellious people to repent and come to Me.

Babylon, your power was given by Me, not the angels that fell into sin, even though that's who you give privately your credit, your thankfulness, and worship to, when it is I who sets up nations and rulers, then pulls them down or destroys them.

Did I not make this clear to all when I gave King Nebuchadnezzar of old the dream of the image of metals and clay that My beloved Daniel was given the interpretation for from Me? Did I not also again prove this O' evil, evil, wicked Babylon-America when the same king in lifted up self-pride and self-exaltation claimed that it was he who had given himself such wealth and power, even after I had forewarned him in another dream with My holy angels, the watchers within it. I took away the reasoning of Nebuchadnezzar's mind for 7 years. Seven seasons until My Word was fulfilled. He was humbled and repented, realizing it is I who sets kings and rulers up and I alone cast them down. You have My Written Word, you know this.

You have no real power anymore Babylon-America. You are like a country that's extended into the height of power whose foundation is built on a tower of tiny wooden toothpicks. Now watch My destruction's hand bring you tumbling down for all eyes to see and not inside the shadows where you maintain a facade of power to the rest of the world to see. Nothing remains hidden, all things come to light at My ordained time.

Stand up now America-Babylon! You gave it your best shot as your world says to remove Me. To change My true nature as a God of love. You twisted and changed My Written Word. You gave it your best shot to kill Me out of your society and world. You have failed and because you have failed to repent of your sins and evil, wicked doings that I repeatedly cried out and urged you to do so as I sent warning upon warning what would happen if you did not, now I meet you as a Man, the Lord of lords of War!

To My children inside of Babylon-America's walls I say, "Come out from her and abstain from her sins. Live holy and know that I am coming for you." But until this time I will protect that which is Mine from total annihilation by evil, wicked Babylon-America's systematic attempts to kill and change My created people inside her walls, her very own borders. As I shall do for all My children in this world, this created firmament.

Daughter as all eyes are focused on Babylon-America with their bold move against Iran with Israel in unified attacks, it's as I told you in the dream given to you about the US, Russia and Kazakhstan. This intrusion into Kazakhstan was the start, the beginning of it all. The War of Nations I've spoken about to you and many other of My children over the years of your time. It shall continue to increase. Putin shall step in and assume the lead position in the war that shall take your once great nation down. He will fire his first strike of nuclear weapons but only after the 10 hidden, nuclear, rogue devices in your nation are detonated first as I have spoken.

Many say this darkness for 3 days will not come now, but later because the blood moon has passed..... Oh really!.... Who made you God to determine when I move My hand of judgment? If I can create the world in six days and even rest on the holy seventh day, then I can certainly call for the moon at any given time to become red, so that it is once again the season for the darkness to come. But daughter, the new calendar season to come, has not come yet in the world of man because My people have many in every nation.

As this war progresses and many also find they have been left behind after I have returned, know that I will step in and help Babylon-America fight in this war when her people begin coming to Me with true repentance of heart. I will even help drive the enemy back. But the end result will be... this is done so that those children of Mine I love so much, if not taken captive, or removed from your nation's shores by the enemy, if they're still trying to survive, I shall gather them up and take them to areas of safety, safe camps you now call them daughter and further remove them to safety off this evil nation's shore before I sink and bury her under the waters of the seas and oceans deep, never to be seen or rise again.

But for now, I send the hail! I send hail with destruction both great and small. This is only the beginning of My holy arsenal Babylon-America. Now prepare to face your God and King, Your Savior and Lord as a Man of War on this battlefield for a war you started and cannot possibly win. Let all the world take notice of Babylon's plight and fall on your faces and repent.

I say to My beautiful bride, you didn't get it wrong. You're right! You just didn't understand all the signs and answers I have been giving in dreams, visions, words and parables. So stay ready, My bride because I'm on My way. I love you, My bride. You are so radiant to Me. I come now, I come.
