

A Righteous Appeal for Control of the Internet & Such Like 1-29-26

"Jesus Christ everything the kingdom of darkness has created including the internet, the internet highway, the digital world, 3D and such like is Your knowledge from Heaven and created only by what You have created first. So technically wouldn't that mean it's not theirs? Do You have Creator rights? Your word says in Psalms 24:1 The Earth is the Lord's, and the fullness thereof, the world, and they that dwell therein. So legally and technically all inside this created firmament is Yours. Even the things that others create inside it because all things are only possible to be created by what You created first."

"Why then does the kingdom of darkness have absolute control over the internet, digital world and such like things?"

"They don't daughter, but they have controlled it unchallenged. There have only been prayers prayed at times for areas to be protected by My children, or safe passage when they are researching something in My Name Jesus Christ." "You have brought this to my attention Jesus Christ my love, why do You want me to do, or how do You want me to pray?" "I want you to take control of it for Me in My Name Jesus Christ like only My children can do." "How do I do that? Do I pray? How do I pray or petition in Heaven's Court for the kingdom of darkness to lose control of the internet, digital, 3D world, and such like, and its technology and science and such like and the control be restored or given to You in full? I know many times You do not step into the affairs of man unless we, Your children begin praying first."

"You pray as I have taught you daughter. You pray and appeal to Heaven's Courts and My Father for control of all these things like the 3d, the internet, internet highway, digital world, and such like with all of its knowledge, technology, science and all that pertains to it directly, indirectly and randomly in all Father God's existence and knowledge to be removed out of lucifer and the kingdom of darkness' hands with their usage being limited, and control granted of the needed systems and such like only as needed. This is to be authorized by Father God in Heaven and Me, His Son Jesus Christ who owns the world and all that's in it according to Psalms 24:1. My Holy Ghost Spirit shall lead you daughter."

In Jesus Christ's Name there will never be any form of retaliation or evil actions in return that's known to Father God in all His existence and knowledge for all that I do here and now I decree through the authority of Heaven given to me through Jesus Christ as Job 22:28 and Luke 10:19 speaks of. Scripture cannot be broken, so therefore this is the truth.

In Jesus Christ's Name I make this appeal and petition to Father God and Heaven's Court. The Word of God says in Joshua 1:3 Every place that the sole of your foot shall tread upon, that have I given unto you, as I said unto Moses. Romans 2:11 tells us Father God, You are no respect of persons, so therefore this word applies to me as well. My digital footprints have already traveled and walked upon the digital highway, the internet highway and such like and partook in prior digital footsteps even in the 3D world. As the Word of God says, I take possession of the internet territory, it's many highways they're called and such like that interconnects to it directly, indirectly and randomly and all that Father God knows off and in all His existence which includes the past, present, future, and out of created time in His Heaven. Because His Word says

He will give me every place that the sole of my foot shall tread upon. The Word of God does not specify that this is just for physical land only because the 2 realms are indirectly connected.

Proverbs 2:6 States For the Lord gives wisdom; from his mouth come knowledge and understanding. So the knowledge that was used to even create these types of technology, science, and such like for the internet and even the usage of the invisible and seen things originated solely from knowledge given by the God in Heaven. Therefore Father God and Jesus Christ are the source of all knowledge. So knowledge belongs to God who gives it to whom He chooses. So all that is created is done through this given knowledge and rightly belongs to Him as Creator of All and His Son Jesus Christ.

The Word of God also says in Colossians 1:16-17

16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him:

17 And he is before all things, and by him all things consist.

John 1:3 All things were made by him; and without him was not any thing made that was made.

So all things were created by Jesus Christ and when Father God spoke, Jesus Christ created. All things were created for Him in heaven and earth, proving full ownership belongs to Father God and Jesus Christ who are One as John 10:30 says. In addition, all the visible and invisible belongs to Jesus Christ too, which include the physical equipment, computers, technology, and such like that pertains to all these things, but also the sound waves, airwaves, microwaves, all the types of different waves of any such like things used in travel in the invisible and visible. This includes the elements such as the wind, but also includes all types of sound, pitches, tunes, notes, frequencies, vibrations, color, acoustics and such like of any such like thing in all God's existence knowledge and understanding both seen and unseen inside this created firmament. This also includes such like things as infrared and gamma rays, and weapons technology. Anything that pertains to the Creation of this world and is inside this firmament belongs to Jesus Christ. The Word of God, the Scripture cannot be broken, Jesus Christ himself declared to all in John 10:35.

John 10:35 If he called them gods, unto whom the word of God came, and the scripture cannot be broken;

Therefore in Jesus Christ's Name I continue my petition in Heaven's Court as a daughter of Heaven, and daughter of the earth and as Earth's representative. Reminding Heaven's Court although dominion was first given to man during Creation in Genesis 1:26-28 in which man fell into sin through the kingdom of darkness interference, authority is given to the believers of Jesus Christ through His Name over lucifer and his kingdom. This is the spiritual law of Heaven that applies to the spiritual realm and the physical realm as well. Luke 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

I'm submitting these verses from the word of God that shows us all dominion has been given to Jesus Christ and the dominion that was given to man during the time of creation.

Psalms 8:6 Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet:

Ephesians 1:20-22

20 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places,

21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:

22 And hath put all things under his feet, and gave him to be the head over all things to the church,

Genesis 1:26-28

26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27 So God created man in his own image, in the image of God created he him; male and female created he them.

28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Even though man was given dominion during creation, the enemy usurps and twists this authority through those in his kingdom. The enemy is called the prince of the air in this world in Ephesians 2:2, but yet still, full control of this world and all inside the created firmament belongs to Jesus Christ.

The kingdom of darkness has only maintained their stronghold and power over the digital, internet, its highway, the 3D, holographic worlds, and such like because their control had not been disputed. As it has been noted earlier to me by my lovely Jesus Christ, many times, unless the children of God begin praying and warring in the spirit, Heaven many times does not intervene because these such like things like the created internet, its highways, systems and technology with its wi-fi, wireless abilities, bluetooth, and all such like utilizing the bandwidths and invisible signals and such like are needed for the beast system of the end time days written of in the Word of God. All Scripture must be fulfilled.

I appeal this day to Father God and Heaven's Court with Jesus Christ my advocate advocating on behalf of all that's in the created firmament, for that full control of not only the internet, it's highway, it's many networks and networking, the 3d, the holographic, the technology, the science, knowledge, and such like in all Father God's existence and knowledge be fully removed from the controlling hands of all of lucifer's kingdom, including the human and physical realm and all that pertains to them directly, indirectly and randomly. I respectfully request Father God and Jesus Christ to maintain full control of all these things in a godly and just way for all in the created firmament in Jesus Christ's Name standing on Matthew 7:7 which says, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:

I also submit 1 John 2:1 and Romans 8:24 as evidence in the Scripture of Truth giving legal right for Jesus Christ to advocate for me, for us.

1 John 2:1 My little children, these things write I unto you, that ye sin not. And if any man sin, we have an advocate with the Father, Jesus Christ the righteous:

Romans 8:24 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.

I asked that all evidence in the earth, inside the firmament be gathered and brought up to this Court of Heaven supplying the proof of all the evil that's been done by the kingdom of darkness by mankind, nephilim, demons, the fallen ones and such like through the internet, the digital world, the 3D realms, the networks and networking and such like, but also including all the invisible things of the air and atmosphere, the technology and science and such like used for the immediate removal of control out of lucifer and his kingdom's hands effective immediately, and placed into the hands of our beloved Creator in Jesus Christ's Name. As a daughter born of the Earth and still living on the Earth, I have witnessed personally first hand and by other means the cruelty done by the kingdom of darkness in these such like places, things and with this knowledge.

Also as one born of the Earth my feet have tread on physical locations, but also spiritually and in the digital realms. In Jesus Christ's Name I claim these territories, these grounds that the soles of my physical, spiritual and digital feet have trod in every location known to Father God in Jesus Christ's Name. This includes the internet, its highways, networks, networking and all that connects to it directly, indirectly, randomly. All that interconnects, intertwines and relates to these places in all Father God's existence and knowledge. These territories are now mine as the Word of God says in Joshua 1:3. Now Father God, all this digital, physical and spiritual land, these territories I have possessed I freely get back to You out of love.

I request that if this petition and appeal is granted it be done according to the perfect will of Father God on Earth in all things as it is in Heaven. In my petition, I asked that all the internet and such like that connection directly, indirectly and randomly, the atmosphere, the heavens, the invisible, visible, the digital worlds including the 3D and holographic, and such like that I rightfully possessed in the God of Heaven's knowledge be placed in Father God and Jesus Christ's loving hands. In addition I request that doors of Heaven be created and locked by Heaven at every access point known to Father God and in all His existence to these aforementioned things, places and such like in the spiritual realm, the physical and combined realms inside this firmament with the kingdom keys of Jesus Christ as spoken of in Revelation 3:7; Matthew 16:19 & Isaiah 22:22.

I submit these verses from the Word of God as evidence.

Isaiah 22:22 And the key of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open.

Revelation 3:7 And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth;

Matthew 16:19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.

After the doors are locked by Heaven which nothing can open or shut except through the authority of Jesus Christ's Name, let the dark kingdom's usage and access of these places, things, knowledge and such like be limited and only allowed time for what's needed to fulfill what's written in the Word of God, but without their abusive use in their activities and such like except if needed in all Father God and Jesus Christ's understanding. Again I reiterate, if the Earth is the Lord's and the fullness thereof, then what right does the kingdom of darkness have for full control of these such like things as aforementioned, when all that's inside this firmament belongs to Jesus Christ and Father God?

As part of this petition, this appeal regarding the kingdom of darkness' unnecessary and brutal usage at times of these aforementioned things upon the people of this world and all of creation such like the internet, its highways, networking, the digital worlds, the technology, the misuse of the invisible including the airwaves, bandwidth, the visible things and such like known to Father God in all His existence and knowledge, I formally request that the kingdom of darkness be prevented, and/or severely limited of any kind known to Father God in their spying, tracking, monitoring, attacks, confusion, disruption, interferences, hindrances, delays, and such like, including stealing of funds, selling and gathering information, manipulation, data collection, and such like known to Father God in all His existence and knowledge. I ask where possible, let these types of actions and such like be forbidden for them to do where applicable. Let each occurrence be reviewed on a case by case, and situation by situation basis by Heaven and let Father God and Jesus Christ determine in holiness what is necessary from this point of time forward until Judgment Day has come for all things petitioned here this day with Jesus Christ my advocate by my side.

If the kingdom of darkness has infiltrated illegally any of these prior spoken of places, things and such like where they are already involved in these types of illegal activities mentioned, especially surrounding the children who truly belong to Jesus Christ, I request that the enemy be immediately made to withdraw and remove all their access and entryways. Then let Heaven create doors which they lock allowing no man, no being and such like to enter without being authorized by Father God in Heaven and Jesus Christ. If any of the kingdom of darkness tries to resist or dispute the righteous actions of this appeal or refuse to withdraw, if granted, then I ask that all involved be brought up immediately before Father God in Heaven and have delivered to them righteous judgment that's fair and true. I respectively request any found guilty to be given grievous torments and heavy burdens and if possible let them be removed from any positions, title and such like with time spent bound in the abyss for an allotted period of time determined by Father God and/or Jesus Christ or until the day of judgment when they are thrown into the lake of fire forever. The only exception I request is that if any involved are savable souls, then let them be offered the gift of salvation first, then let judgment proceed in holiness fair and just

in this righteous appeal in all Father God's knowledge and existence. Again, I request if this appeal is granted in Heaven, please immediately create the doors and lock all further access to all these aforementioned places, things, situations, atmospheres, time and space and such like found in all Father God's knowledge, existence and understanding in Jesus Christ's Name.

This petition and appeal I make this day on behalf of my brothers and sisters in Jesus Christ, those still to come, for the Earth and all that's created inside of it, referring to all creation that cries out to Father God and Jesus Christ of all the evil deeds and the murders and such like the kingdom of darkness has done and is still doing, plus for myself in Jesus Christ's Name. I request this be granted immediately with no appeal process being allowed for the kingdom of darkness, because the evidence speaks for itself. The Word of God says in John 8:44 the devil is the father of lying and no truth is found within him, so therefore none of his words should not be taken into account as truth. Let it be noted in both Heaven and the kingdom of darkness this appeal and petition has left allowances for lucifer's kingdom to still operate and fulfill what needs to be done for Father God's will to be done here on Earth. I asked Sweet Holy Ghost Spirit in Jesus Christ's Name if there's any loopholes that I have left unknowingly, please bring up to Heaven any evidence if needed that would seal tightly shut this petition and appeal for the glory of Father God in Jesus Christ's Name. I understand that Father God and Jesus Christ don't need us, but They want Their children to be part of the operations in their holy Kingdom, the Kingdom of God. Amen, let it be so according to Your will Father God in Jesus Christ's Name I pray and ask standing on John 14:13-14 which says:

13 And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.

14 If ye shall ask any thing in my name, I will do it.

I submit John 8:44 as further evidence.

John 8:44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

1-30-26@9:23 AM This petition was granted in its full entirety Jesus Christ told me. Now I ask in His Name that this appeal be written in the laws of Heaven forever inscribed and enforced by all of Heaven for the glory of Father God.

Amendments made and accepted by Heaven's Court on 1-31-26.

Legal clarifications:

Father God in Heaven refers to: Jehovah, Elohim, The Creator, I AM, I AM that I AM, The God of Heaven, and such like other names for Him found in the Word of God.

Such like: Found in Galatians 5:21 Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.

It refers to anything related directly, indirectly and randomly to what it is being used with and is honored by the God in Heaven, Father God because it's found in His Word and applies to all that's in His knowledge and existence.

I submit Isaiah 55:11 as proof.

Isaiah 55:11 So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

I also request that it be noted in the records of Heaven the names of all my brothers and sisters known to Heaven in Jesus Christ who are part of His body that have come into agreement with this Righteous appeal, placing their faith and prayers with mine to unite and work as one body as we are called to do for the glory of Father God through Jesus Christ our Lord.
