

I Come With A Bloody Sword, O World 8-10-26@6:50 PM Shared 8-12-26

Ezekiel 21:41 If I whet my glittering sword, and mine hand take hold on judgment; I will render vengeance to mine enemies, and will reward them that hate me.

"Lord Jesus Christ my Love, I'm here. I'm here my Love, I'm here." "Daughter of Mine, I'm here as well."

Evening shades have fallen and the hour of midnight is transitioning to the New Day dawning.

A day of wrath
A day of anger
A day of torment and terror
A day of judgment upon judgment
A day of running
A day of hiding
A day of ruthlessness
A day of marking
A day like no other, My Great Day of the Lord.
A day of tribulation
A day of persecution
A day of war
A day of famine
A day of devastation
A day of fire
A day of beheadings
A day of betrayal
A day of deception
A day of the miraculous both real and false
A day of fire and melting heat
A day of earthquakes
A day of disaster upon disaster
A day when the man of sin, the antichrist sits on the throne of the world's power
A day of retribution
A day of vengeance
A day when I draw My sword and do not replace it in the sheath until judgment's hand of righteousness has been completed
A day of the Second Exodus
A day of safety for some

My Great Day, the Day of the Lord of Wrath and Judgment is here, and it's not going to be like what the world's movies portrayed its as, or the great scholars of old and present. For much of it has remained a mystery, hidden away until the end of days arrived upon the world of man.

As the world waited in fear and dread for My Day, also the time foretold of the tribulation period of harsh judgment against the wicked and unrepented to arrive, unbeknownst to them, the elites,

the illuminati, the council of 13 and others were creating a narrative of terror around the man of sin, the antichrist and his mark. This tradition has carried and passed down from generation to generation, even among My body of believers. Yet it's never been about him. He is part of the holy judgment issued against an evil, wicked, unrepentant world.

Like Pharaoh of old in Moses' day, he will be simply raised up for this time and like the children of Israel were placed in the hands of the cruel Pharaohs and the Egyptian government who enslaved them, killed them, hunted them down if they ran away, tortured them, such as it will be with the man of sin. The only difference is that the antichrist's reign shall have him ruling the world with other nations backing him and one must pledge their loyalty to him by taking his mark. Also to buy and sell.

So it's never been about him. It's all been hyped up by the kingdom of darkness, while Father and I watched from Our Heaven. Those who sought the truth of these things, whether partly, or in full understanding, it was freely given. The Holy Spirit has done this by teaching and providing the truth for all who would heed and listen to His words and not reject them.

Now I say again, it's not about the antichrist, the man of sin.

It's not about lucifer and his kingdom finally ruling through antichrist.

It's not about the beast system government

It's not about a united one-world religion of deception

It's not about a mark that you take to buy or sell food for

No! No it is not!

This cruel Day of the Lord, the time of tribulation in your world Daughter is this.

I return to the Earth as King of kings and Lord of lords who owns this world and all that's in it. All Daughter, every bit of it.

I am coming with My holy avenging sword that shall not stop dripping with blood until all is set right.

I bring purging fire

I bring pestilence and plagues

I bring fire and hail raining down from the sky

I bring famine, famine so severe that eating the flesh of one another will be all that some can do to survive. This is because they are cursed children of satan, of lucifer who chose to live lives of sin, wantonness, and open rebellion to Father and Me.

I bring starvation, scorching heat, bitter cold

I bring war that burns one's flesh and consumes their eyes in their sockets and their tongues inside their mouths even before they're flesh has totally melted and the bones disintegrate into nothing, even before they hit the ground.

I bring righteous judgment into the world too long held back, but no more. For I have been long-suffering in waiting for mankind to repent and change their evil, wicked ways.

I bring death and so much more as the seals of the Book now opened are fulfilled during My Great Day of Wrath and Tribulation.

So, no Daughter, it's not about antichrist but he is a vital part. Because during My Great Day, no longer will mankind halt between two opinions. You will be made to finally make a choice, a freewill choice of who do you want to serve and spend your eternity with? You're at the end of the line O' world, the end of the line, I say.

All the manipulations of time that you did kingdom of darkness to try to change the past in small increments of time to change the future have been corrected. All that you have done in the past with the knowledge you once had obtained and used has been reversed. Now time has been righted and advanced to its proper alignment with My Creation days for the Earth's timeline. So all you have done, lucifer, fallen ones, and evil men, women, even nephlim of this world will prove to be all in vain. I say again, this world is Mine, I created it. It's made for Me and all that's in it. For it's written in the Holy Scripture of Truth that it is so.

Now I say, world oh, world, behold! I come with the Right Arm of Justice, an Avenging Fist, and a Bloody Sword. Each step I take or ride across the world to be in Holy fire. For I am that Consuming Fire that John saw when I gave him the revelation of the end time days of My Great Day of Wrath and Tribulation.

I come

I come for My bride

I come for vengeance

I come with My Heavenly Host by My side

I come with My 144,000

I come to destroy the evils of this world and no man, no woman, no nephilim, no demon, no dark lord fallen angel, no mutant, no hybrid, no military army, no military weapons, can stop Me.

I come

Hear Me! I am giving you this final warning O' world. I come!

I come

I come and you're not prepared or ready for what I am bringing.

Daughter, I'm done speaking on this. I come, be ready Daughter. It's now!
