

## **Tribulation Days, Trump & It's 10% lucifer 4-4-26@12:12 PM**

“Come My Daughter, I wish to speak with you. I'm here, Father God, I'm here. My lovely Jesus Christ.” “The time of the tribulation period on your world has arrived. Tribulation days, the days of testing, of trying, of purging. Days of tribulation are ending for they are both times of tribulation, but the time of tribulation days is all that escalates and occurs to advance your world into the tribulation period. The time in which the antichrist, the man of sin will take center stage and rule the affairs of man. The whole world in the end, the world's people will embrace him as their God and Savior, except what few are Mine and have chosen to stand for Me no matter the cost to them. To stand for Me, My Name, Jesus Christ, Yeshua Ha' Mashiach, or even just Jesus, the Son of God, gives you in the end an immediate death sentence unless you endure to the end. There will be those that do so.”

“The hour of trial is upon you, O world. You have passed the point of no return, as your world says so often, Daughter. From the age of grace, this given time since My crucifixion and resurrection, for men and women of all nationalities and races to come to Me, to accept Me into their hearts as their Lord and Savior, and when they do, I come down and forgive their sins and wash them clean. I clothe them with My righteousness so they can stand before My Father in united fellowship once again. When the world passes through the door of grace, only a crack shall remain, and the time of the Jewish people will have arrived, and they will finally know I am and was indeed their long awaited Messiah. This also means the tribulation period will start.”

“This is what I refer to so often as a new day dawning. The world shall move from the day of the time of grace fully into the new day of wrath and judgment. The world is passing through the ending of this day of grace. Night has already fallen, and dawn is about to rise into the new day of wrath, but in doing so, so does My darkness come. Does not My Scripture of Truth speak of the sign of My returning? Does not Scripture after Scripture speak of the sun darkening and the moon turning red before I return, but also before My Day of Wrath begins? Connect the dots, Daughter. Connect the dots, children, and see how the darkness is written in My Scripture of Truth. When I returned from death, from the darkness of the grave, was not darkness involved? When I return again, it will be the same yet different.

“Daughter, now cast your eyes upon your nation's President Trump. He has suffered much embarrassment and ridicule as I foretold, yet you continue to pray for him as I lead you to do. When he is made to depart and the queen arrives to sit on the throne of power of your once great nation, before long the facade of everything is getting better, will fall, and the queen shall be deposed. The king shall return, yes he will, because it is he I have chosen to fight for the nation while My children are still inside her walls. Babylon-America is wicked and evil. Your President Trump is not innocent and bears much wickedness, not yet forgiven. That choice is still open to him to be forgiven or not, but he has the strategic mind needed to begin the defense for your nation. Then another shall take his place.”

“I do all this because I am protecting those who are Mine. Those who faithfully still serve Me and call Me their Lord, even during this time of war, invasion, captivity, the threat of death for loving and serving Me, but I'm still fighting for My children and leveling the battlegrounds. But I do so

in legal righteous judgment, for I see all that's done that the kingdom of darkness and others think they have done in secret. Therefore daughter, take down this as well as I pronounce and deliver further righteous judgment against lucifer and his dark kingdom.”

“Hear me well, lucifer, hear me well. I speak to your kingdom and I say again, you have been weighed in the balances and you have been found wanting, greatly wanting. You and your kingdom, you fallen ones, you know better than all the rest that My judgment's hand will come down. I do the will of My Father. Now hear He, hear Me, and hear Me well. When the darkness descends for three days and when it lifts, know at this time all your precious gemstones, all your diamonds of power, your sapphires of power, your crystal technology, you will be limited to only 10 percent. 10 percent of what is above ground, above water. Hear Me, 10 percent! Enough to do what you need to do. No further advancements or re-creation or creation of any further new or old crystals and diamonds of power and such like technology. This I decree and I declare. I do this in My Father's Name, Jehovah Elohim, Yahweh, the I AM that I AM. This is a holy decree issued from the Courts of Heaven. I take from you your crystal technology, your excess of gems and crystals and precious metals, you will have 10 percent.

“And for your kingdom, your ten kingdoms that unite as written in My Holy Word, that will be used to utilize antichrist's rule, you will have 10 percent of all natural resources in existence for each kingdom. 10 percent for ten kingdoms. A hundred percent, that's all you get. (So he's saying 10 percent all together make up 100 percent, so 10 percent for each kingdom.) So use it wisely. I take all these things from you and you cannot resist and you cannot disobey because My angels are already sent down and acquiring all that needs to be done in My Father's Name. You are a defeated kingdom. You will obey, you will get your time to rule as written in the Word of God under the man of sin. But again, I say it's not as you supposed. Look for My earthquakes to cause these natural resources to no longer be available, nor for you to have the equipment above or below to retrieve them. Now do you realize I am in control of this world and all that's in it?”
