

The Antichrist & False Prophet 8-23-26@6:32 AM Shared 8-24-26

"Jesus Christ, Daddy God, Sweet Holy Ghost Spirit I am here. I heard You call out to me Lord."
"Yes Daughter, I did."

It's within the quiet times I can be heard, because I do not force Myself on any man, woman, or child. Those who seek Me, shall find Me. Those who are still, are those who wait, and shall know Me. For how can you learn of Me, know Me if you're always rushing about? Stop from your busy lives and take time with Me, your Holy God and in My presence you will find peace, joy, love, companionship.

For I am the Good Shepherd and I am a friend to those who love and serve Me faithfully. To the faithful I am all these things and more. To the faithless and doubters I am not! To the wicked and the evil I am not. They that do not the will of My Father and Me are Our enemies.

This world is on the verge of destruction. So many are trying to stop the voices of My true children daring to speak My truth as the time of revealing that which is hidden continues further in the world of man. Although the world lies in evilness and wickedness, Daughter, the truth cannot be prevented. It cannot be stopped, for I am the truth and the source and power behind all that's being revealed.

Many of Mine whose hearts will not be ready as the world enters the tribulation period of My Great Day of the Lord but still have seen or heard of many of these truths once hidden, and this shall aid them as they try to survive in these horrendous, perilous times that has come upon the world and its inhabitants.

Many today want to squabble and argue over My Written Word. Does not it say, man has an appointed time to die? Yes it does Daughter. Many say My Word contradicts itself, because there are those who shall escape this appointment like some in the past already have. Such as Elijah and Enoch, and yes Daughter there have been others. But still yet, those that shall be caught up to Me, who make up My bride shall not taste death's sting either. For Father and I determine if someone has to keep their appointment with death or not.

Then there are those who contend about the accuracy of My Holy Word. If man is appointed once to die then afterwards they will receive their judgment on Judgment Day, then how can, in the end time days, the false prophet and the antichrist who is the man of sin, be cast, alive into the Lake of Fire which is called the second death? In a world of technology and science where sheep are cloned, babies are created in test tubes and developed and birthed inside robotic machine wombs with technology and knowledge applied from the angels that were cast from Heaven for the rebellious, wicked hearts and ways, this is how it's possible.

But they do not escape death. The two beasts that rise from the sea in the Book of Revelation found in chapter 13 in the Holy Bible, My Written Word, when it comes time for them to be cast alive into the Lake of Fire, these shall be duplicates. The first beast from the sea in which the dragon lucifer grants him his seat of power is the man of sin. The antichrist. The one who is appointed, being anti- Christ, to lead the whole world astray to worship him whose names are not

found in My Book of Life. To have your name written inside it, you must be born again. Reborn by accepting Me, Jesus Christ into your hearts after asking Me to forgive you of all your sins, your wrongdoings.

The second beast that rises from the waters is the foretold false prophet and is the forerunner to the antichrist like John the Baptist was for Me. The only difference between these two is that John proclaimed with his mouth of My coming. While the false prophet by works and deeds has done more to aid the rise of antichrist than any other human or nephilim on the Earth. This forerunner false prophet already swayed and will sway again the world with his enchanted charming words. He speaks in reality with an evil, forked tongue, never speaking fully the truth.

Signs and wonders he shall do as the false prophet, yes. His original body shall be replaced with one of mutations and electronic parts to where he can perform the so-called miraculous happenings through all his new body's modifications with the aid of demon spirits and witchcraft enchantments and such like.

The false prophet is already possessed by many demons and by aiding the antichrist's rise and its beast system himself alone, then I say once again, the antichrist spirit resides greatly inside him. More so than any other person besides the man of sin himself. This causes many people, even My own, to mistake him as the antichrist himself.

The antichrist is here! He came into the public scene with a big bang of fulfilling what was written of him to be, from My Word so those who were waiting on the outer circles of the dark kingdom would recognize and begin their part of the dark kingdom's preparations. Then he stepped back slightly, though very arrogantly, so the unwanted eyes of the righteous and others would overlook who he is, or by his later actions believe they were wrong about him.

The man of sin and the kingdom of darkness are trying to draw attention away from himself to make the public's eye see others to be the antichrist. When you study My Word fully of all the information I have given and revealed, many of these would then be removed as possibly being the man of sin.

Like Barack Obama. Daughter, I have shown you how he is the false prophet, the antichrist's forerunner. Yes, he's wicked. Yes he's evil, but no he is not the antichrist himself. The antichrist, the man of sin is to be known, Daughter before I return for My bride. Known to who? My body, My bride, because it is written that there are two requirements that must be met besides all the turmoil, wars and happenings in the world of the perilous tribulation days as it has been foretold the world would be in during these times. These are signs you were told to watch for.

But Paul wrote to the Thessalonian church that before that day comes when I receive My bride, those that I come for and gather in the air to Me, there has to be a great falling away from the faith and belief in Me, a falling away from truth, for I am Truth. Next the man of sin must be revealed after the Restrainer has stepped back to allow this, which He has already. Now the antichrist has been revealed by you and others, but there's so much confusion about who he really is, few know his true identity.

The man of sin, once he's struck down by a wound to his head, he too shall have a new improved, hybrid, cybernetic, mutated body prepared for this time. But, unlike Obama whose mind will be transferred into his new body by the Lazarus Mind Machine technology, although now greatly improved Daughter than when you first saw it...his will not be.

Instead, lucifer shall let him die by not transferring his mind and his body shall become possessed and occupied by satan himself, for no man can do all the horrors to come to My people and others that shall occur as the Great Tribulation advances. This Daughter is how both the false prophet and the man of sin having the first physical bodies die, which kept their appointment with death being of the evil kingdom, and then they are able to be cast alive into the Lake of Fire.

Obama shall rise again, and return to power, but not as the President of the United States of Babylon, nor as the man of sin. He shall acquire a position, an honorary position among the united nations of the world still standing when the aliens arrive supposedly from outer space. More deception for mankind to behold.

Fake aliens who are really some of the demons who have now a type of physical body, some of the remaining fallen ones who will still be left on the Earth and not bound forever in the abyss awaiting Judgment Day for all, and some, a few of the remaining nephilim. These are the fake aliens that shall be embraced as saviors and gods of the world by the weak-minded and easily deceived inhabitants of this world.

Daughter, do not contend with others about who the antichrist is. As I have shown you, the majority will see who he is for themselves. Then it will not matter how they foolishly refused to seek Me for My truths in these things. Many of My own accept everything they are seeing, shown or given even though it's written to warn you, even satan can appear in deception as an angel of light and that more than one spirit can speak to you. That's why you're told to pray about all these things. Discern them by prayer, by My Holy Word which gives you all you need for everything in your life.

In the end, as the Great Day of the Lord, the Tribulation is upon the world, it's not going to matter who was right, who was wrong, nor does it now. Each person's main focus should be the condition of their heart's relationship with Me, their Holy God and Savior.

Plainly put Daughter, My Word warns that the gate, the door, the way to Heaven is straight and narrow. It's uncompromising because I am the Gate, the Door, and you must walk in unwavering, uncompromising faith in My ways to be found worthy to enter into My Heaven for no sin shall get past the gate, get past Me.

And few Daughter, few in number shall this in reality be.
