

New Jerusalem is Ready, It's Homecoming Time 7-21-26@8:58 PM Shared 7-25-26

"I'm here my Lord Jesus Christ." "Daughter, Daughter the time has come. It has come." "For what time? There's so much coming." "Yes, Daughter of Mine, there is and most still are not ready." "What's coming my love? What time has come?"

The time of the reaping. The time of the reaping has come. As eyes grow duller to the truth and hearts grow colder towards Father and Me the time of reaping has come. The time for that which was planted in Me to be rooted up and taken with Me. I will take the good and leave the bad, or the not fully ripe to go through the time of the period of tribulation.

I will reap unto Myself the bountiful harvest of those of Mine who are ready for My return. This time has come Daughter, it has fully come. Ring the bells, sound the trumpets. Clap your hands and shout for joy because the Bridegroom is on his way to gather His bride unto Him. Rejoice you who are downtrodden and weary. Lift up your heads for your deliverance and salvation has come.

No longer My beloved bride will you have to endure the manipulative attacks of demons to witchcraft. No longer will you have to lay in bed at night in sorrow and pain by all you have endured from My Name. Hear Me My bride, all of Heaven is ready to receive you, but that's not all.

New Jerusalem is ready and just like the custom was for the Jewish people when I walked the earth, it was customary for the bride to stay at her parents home until the groom had finished preparing a home for his bride. Then it was time for him to go get his bride and take her to her new home to be with him. The bride, when she knew that soon her groom would come, but not sure of the exact moment when he would come, at the closeness of the new home's completion, the closeness of the hour for her groom to come for her, she donned her wedding attire wearing it in advance and would be ever so careful not to get it dirty while she waits.

The groom can only come for his beloved bride once his father inspects the new home his son has prepared for his bride. Once he gives his approval, he then tells his son to go get his bride and bring her to him.

This beloved Daughter of Mine is what I mean when I say this time has come.

New Jerusalem is now completed and all of Heaven is ready to receive My bride for the marriage supper. This is that time I speak of. In the Jewish customs when I walked the earth, once a marriage was arranged then the couple became betrothed to one another. They became married and bound to one another. The betrothal was a binding agreement of purity until they came together physically as a man and woman, as husband and wife. They belong to each other by a vow to become husband and wife, bride and groom. In the eyes of the law you were legally bound to one another.

Such is the same with all who have accepted Me into the hearts as their Lord and Savior. I have purchased and redeemed each one by My Blood. By My love I call them My own. These are those My Father has given Me. I am their Bridegroom, they are My bride. This Daughter,

beloved of Mine is the time that has come that I speak to you about this night, which is day in this created day for mankind. For each day begins as the sun sets and light fades from sight and ends on the next evening that follows. My creation days run forward, never backwards. For nothing in time runs backwards from the Creator's hands as the end of days allotted for mankind swiftly comes to its final end.

Be ready, My bride. New Jerusalem has now been fully completed. It awaits for you My bride and when the end of all ages has come and a new Heaven and Earth has been brought forth by the Creator's hands, New Jerusalem shall finally descend and mankind will finally walk freely upon the Earth with Father and I forever in their presence as they were created to do. But this time they will never... hear Me Daughter, there will never be another opportunity for the darkness to rise and sin to be birthed again. For all such likes shall be locked away forever in the Lake of Fire with the original seed of sin still found inside of lucifer, the devil himself.

Those of the fallen ones that cling to My Word given in Ecclesiastes of the thing which has been, will come again, or as you translate it Daughter as saying, 'what happens once will happen again,' I point you to your many times while on the earth. Such as for example the building of the Tower of Babel orchestrated by your evil kingdom to try to reach the top of the firmament to access a portal entryway into My Heaven to storm it and try to overthrow My Father's throne once again. This would be considered one of many times your evil kingdom tried to rebel and you lost. Therefore, this Word is already proven true. Hear Me all of those from the kingdom of darkness at the time of the Great Judgment Day you'll be cast into the Lake of Fire. You will never leave, nor can you ever escape. You knew in your hearts O'fallen ones, deep inside, that your revolt in Heaven would not succeed. Instead of repenting, you chose to continue. This was your choice. The same as every man, woman, or child rejects Me, Jesus Christ, Yeshua Ha' Mashiach as their Lord and Savior.

What most do not see or realize is that lucifer and his whole kingdom, although he rules in the shadows and darkness, is a slave himself. They all are slaves to the very sins they work so hard to ensnare and enslave mankind with. Such as a way of the evilness found inside the deep, the darkness once light has been separated from it. Herein is why the world of man has not only a sun by day to light their way, but also the moon by night who gives her glorious light by My command for all mankind and all the creation. God saw it was good, yes He did. God saw it was good for mankind.

"This is all for now beloved the Daughter." "Thank you for sharing this with me, my lovely Jesus Christ. Am I to share this word or keep it to myself, I asked Your great Name?" "Please share it, Daughter. Share it in My Name for I have spoken this day to let My bride know it's homecoming time." "I will Lord with your help."
