

### **Day of Declaration of War 1-22-20@4:59 AM Journal Entry**

(Please note that even though this was concerning 2020, grace was given and war was delayed. Now these events are lining up as they did in 2020 but for the year 2027. Please try, test and discern this in Jesus Christ's Name.)

“God!” “Yes, Child!” “Why do men behave so foolishly toward one another? It seems like all throughout Your Bible there was conflict and a lot of times it was from hatred toward one another or some other action or deed from another type of sin.” “Child, there is only one kind of sin, for sin is sin. There are no big sins or little sins in My eyes. They are all exactly the same and it is sin which causes men to do these things. Sin is the cause, the actual reason behind this war of nations which the earth is facing. It is the seed, the root from which it originated in the hearts of men, birthed within them by satan, himself the great deceiver of all mankind.” “How did we manage to fall so far? Look at us now. We as a whole, the human race are in such a sorry state with hate and unforgiveness in our hearts. Our governments and our city officials, a lot of them are full of corruption. Sexual immorality is running rampant which can also lead to unwanted babies, but that's okay, they have a solution for this too. It's called planned parenting which has helped to lead to the murder of an innumerable amount of innocent sweet babies. Murder and suicide are in the news daily and war among many different nations. Nobody seems concerned for anyone else anymore yet I, when I go out of my home for whatever reason, as I look and watch the various people that come and go during this time my heart begins to break. Besides the obvious things you see like the self-centeredness and selfishness of heart, I see loneliness on many of their faces, pain, and unhappiness and I know that if they would just come to You and accept Jesus, Your Son into their hearts their lives would be different. Then we as a whole would not be sitting on the brink, the edge of war.” “You are correct, Child, for true repentance of the heart brings about change. Change to the individual and all lives that they touch but sadly, Child, men prefer not to change, but to hold on to their sins embracing them firmly to their hearts holding them and wearing them for the most part like a badge on display that they wear across their chests and with unforgiveness and hatred toward one another and the people as a whole's refusal to heed My warnings and to repent. This, Child, is why you're facing war for I have always known in advance that once again man would come to this point again, to destroying one another in an all out war. I am all knowing, all seeing, and yes, I am even all hearing which lets Me hear the thoughts and words of each person upon the earth, in Heaven above, and hell beneath at all times.”

“This war has been preordained by Me because it is through this war that many of the nations shall become greatly weakened, those who participate in the war physically, for it must needs be done to ensure the coming of antichrist to the position of Supreme Ruler. It's through his downfall that the ending of satan and the fallen ones and all sin will be eradicated from the earth and its atmosphere. If man as a whole had come to repentance then things would have been different, but I knew in advance that they would not for I am all knowing and I have all knowledge in advance of the future, the present, and that of the past as well for I am God, the Creator of all that is good.” “Lord, it's not long for the official declaration of war to be announced sometime in the month of march for You have told in prior conversations that it would be around 3 months from January before the beginning of the 4th month. God, this month is almost gone.” “It is going to happen, Child, just as I have spoken for My words are not slack but full of truth for I am incapable of untruths, of lies. There is no sin, no guile, no form of

deception found within My holy being because Child, I am a spirit not made of flesh as man is. I have always existed and shall continue to do so. Think it not strange that I, being that of a holy God, would allow for man, His beloved creation to suffer the horrors of war? I tell you now these occurrences shall be of your own choice, your own free will, though ordained by Me, it is man who refuses to return to Me with a repentant heart.” “You told me, God, this morning when You woke me up earlier, that Hungary needed to be watched and about them rising to the forefront of his neighbors. I wrote it down as I always do but God, I, once again don’t know where it’s located. I think if I remember correctly that it is a country. Well, it would have to be if it’s his neighbors.” “Yes, Child, it is a country and it’s located in what you call Europe near to the people who mistreated My beloved people with great atrocities in times past.” “These people that You have been referring to as mistreating Your beloved people who are Israel would be Germany, wouldn’t they?” “Yes, Child, it is as you supposed.” “The people We discussed yesterday morning, God, the ones of knowledge and surrounded by water and is further east described as small, yet big is this the country of Japan and the other to the north, the indigenous people born in the cold and who revolts from the queen and unites with the eagle. God is this Greenland? I noticed yesterday when You had me look at the map while We were conversing that under the name Greenland was Denmark and I have already discovered that there are currently only 2 queens of the east, one being Queen Elizabeth of the UK and the other Queen Margaret over Denmark and through prior conversations we have also learned that her country shall join Russia and Iran sometime after the official declaration of war.”

“Once again, Child, you are correct and I knew that once you begin compiling the list of different countries starting to be brought forth that your understanding would soon be enlightened.” “And it is God but there are still some like the people of the Isles I don’t know, but I am learning God, that all these things shall come together at its proper time.” “Yes, Child, for this is the way it has always been since before time existed and shall always be. Come, Child, and pay attention and listen once again closely to My words that I speak unto you and write them down leaving nothing out, not one ‘jot’ or ‘tittle’ for I speak no words idly.” “I will... I am God.”

“Before the beginning of the third full moon you will begin to see more evidence that My words are true.” “What exactly does this mean God?” “It is the ending of the timeline leading to the beginning of this war, this war of nations.” “What do I need to do with this information?” “Child, pull up the occurrences of the full moon for your area, for it’s your area of time in which this information is I have given thee and tell Me if it does not as I have spoken, line up and fall within the information which We have spoken of in prior times past.” “Okay, God, I have located on the internet on [www.almanac.com](http://www.almanac.com), the Old Farmer’s Almanac and they have what they call a Moon Phases and Lunar Calendar. Do You want me to use my zip code?” “Yes, Child, and it shall give you the information that you need but do not desire to truly know.” “What exactly does this mean God?” “You will see Child, now tell Me and write what you have discovered.” “The first moon from today will be 1-24-20@4:44 PM which is in 2 days so that will be this Friday. The second is on 2-23-20 @10:33AM on a Sunday.” “Child, you will need to pull the information from the beginning of the month for that is when I first gave you the information.” “Okay, God, forgive me for I was not thinking about that.” “Do it again, Child, the times of the full moons for you are currently doing the new black moons.” “You’re right God, that’s what I was doing. Forgive me, and let me start again. I understand now why You told me to pay attention. Okay, here We go. First full moon in January was on 1-10-20@2:23 PM, on a Friday.

Second full moon is going to be in February on 2-9-20@2:34 AM on a Sunday and the third location during March is on 3-9-20@1:48 PM on a Monday. What exactly does this mean God?" "What do you think it is Child, tell Me?" "I fear that it is the day or time when war will be declared upon us by Iran." "You are correct Child." "But I thought that we would have more time!" "Child, review the information that I have given you in times past for I cannot lie and you will see that all will line up to My words as well that I have spoken unto you today, this morning." "Alright, God, I read over the prior entries that I have already compiled and there are many entries referring to 3 months time but on 1-4-20@3:59AM War With Persia, You stated, "The 3 month period is the time that you have to prepare yourself for war starting today, from the beginning of this month, for approximately 3 months from now, you, America will be in full war with Persia." It states clearly here that it will be sometime during the beginning of the month. I had just assumed, in prior entries like 1-8-20@9:31 AM War, the Eagle & Oak Ridge, TN. it states by You that, "There are 3 months time before the 4th month is upon you, Persia shall declare war upon the eagle," that it would be at the ending of the month when the declaration of war is declared upon us by Iran." "This is why Child, I have told you not to assume things but to come to Me and I will always show you the truth."

"Tell me God, if you don't mind, why do You have me look up these things when You could just tell me the information?" "My dear Child, faith without works is dead and as you start pulling the information whether it be from My word, your internet, or other sources, it helps for your faith to grow as, No.1 You move, step out in faith when led by Me and My precious Holy Spirit and 2. It increases your faith when you realize that yes, everything that I have been speaking to you is possible. I have not told you an untruth for I cannot lie. When you look at these things coming together you also realize once again that there has to be some kind of order to all the chaos on the earth for it to continue to exist. Which also reaffirms your belief that yes, I am God Jehovah, I am still alive, and I am in complete control." "You are right God, for I find this is true as I have been compiling information and looking at maps with You and I didn't even know there was such a thing as an 'App' on the computer for moon phases. You amaze me God, over and over again! I love You, God." "And I love You."
