

Strait of Hormuz Closed Again Confirmation 6-19-26

A Ruse at the Strait of Hormuz Poem 6-18-26@3:37 PM Shared by post 6-19-26@12:55 AM

Trickery is afoot, deception is the plan
Let's make Netanyahu look like a fool
As Trump makes a 'peace' stand
The Iranians declare, they surely can

"Our covenants are binding," the Iranians have said
"But only to those who are blindly, by Allah being led.
All others we must lie to, and bring them to defeat
And Trump's body with Netanyahu's we want
At the top of the body count of death's heap."

This is the black hearts
You have made a deal with
For the Hormuz Strait to reopen
Is it the truth or just another Iranian myth?

Peace is not an option at this time
In the world's plan
Because sudden destruction is what I,
The God of Heaven now commands
Now hear Me and pay attention if you can
For I have just exposed the world's enemy's evil plans

A ruse, a ruse
At the Hormuz Strait
Is the resounding truth
That echoes through time and space
While more and more ships pile up
At the Hormuz Strait's gates

Strait of Hormuz, Trump, Iran & Netanyahu 6-21-26@6:59 AM

The world has once again been held bound by the closure of the Hormuz Strait. Although the Iranians claimed it was a broken ceasefire that caused them to issue the orders to close the Strait of Hormuz again, they would not have allowed it to remain open. To the eyes of the world it appears that they are willing to deal and allow a number of ships to pass through, making it appear they are willing to honor their words. They will not!

But neither does President Trump hold true always to his own words. He shall bellow and roar, threaten and strike, bomb and make demands. Then he'll change his plan even before the 60-day deadline has come to an end that he had issued.
