

Brace Yourself & Focus on Me, Death Arrives 8-15-26@5:15 PM

1, 2, 3, here I come riding on a cloud in great power.
Knock, knock, knock hear Me knock on your heart's door to let Me in.

There's no time to delay. No time to play, for when I deliver My bride safely to My Father, I will return not as your redeeming Savior for unrepented men and women of the world. But as righteous Judge unleashing fiery judgment and a sword in hand to purge this land, this world of the ungodly and unrepented. While I preserve those who are called to make it to the end of My Terrible Day of Wrath and Vengeance.

Daughter, when the time comes, I, the Lord, will make all things happen as My Father has commanded.

Do not look to the right or the left, but keep your eyes focused on Me because before My Day of Wrath begins you shall begin to witness My anger.

The time of death, much death has arrived. Tribulation days, trying days of perilous times, you've been enduring as I foretold to my disciples of what would come. Now it's time for the period of tribulation. The foretold time that within it holds what is referred to as the great tribulation.

Do not children, hear Me, do not take your eyes off Me when these foretold things start suddenly happening. Beginning with the burning fire, nuclear heat and fire. Do not watch! Do not listen! You've been warned it was coming, lest your heart fails you with fear and your birth inside you an evil heart of unbelief. Focus on Me. I'm telling you now, focus on Me your God, your Savior, your Lord. Or you will sink in your faith like Peter did when he stepped out in faith in Me, but lost sight of his salvation. Lost sight of Me to behold the raging storm all around him.

Brace yourself in Me children, and remember for such harsh retribution that may seem cruel, remember, I know the unseen things these unrepentant people and inhabitants of such a vile city does openly, but mostly in the shadows of darkness. If you knew the full severity of their unrepented, wicked actions, you would become violently ill from their evil deeds and in righteous indignation request a far severe punishment.

This is why I am the righteous Judge and not you. I weigh every action and word justly. This is a fair recompense and although some may not see it, it is also merciful, because so many will die almost instantly. Which is more than most of their victims who usually die after many days of torture, abuse, partial healing so it can all be done again from little newborn babies to the aged man or woman.

So, My children, stay focused on Me! Brace yourself in Me and don't move. Not even to take a peek. I shall spread My arms like the wings of a hen that gathers and protects her young, her chicks until the storm and danger has passed.

If your heart is not ready, then repent and get it ready. I will help you. My Holy Spirit shall help you. When these things begin to happen, you focus on Me. So you do not drown in despair,

hopelessness, and the horror of the countless newscasts, videos, and headlines displaying what has happened to New York's Manhattan as news. But actually broadcasting it as a trophy and a sign to the world, it is time to move antichrist, the man of sin, into his position to rule.

Run, children, Come running now. Now, I say and hide in Me, because I drop judgment's hand in full-blown anger and fury on this evil, vile city before the three moons still darkness comes and before the second has fully reached its peak point, though in the shadows she shall be for some.

To those who aren't Mine, I say, do not understand what I speak.

To the computer systems, the AI, and advanced software programs, your configuration and calculations of My words' meaning shall find yourselves, both machine and demon, unable to determine the meaning of My words.

To the rest of the world who are not Mine, including the devil, the old serpent, satan, and your whole kingdom, My words will bring you no understanding. Nor shall you hear anything from My children's voices and minds. And should you read something written pertaining to the clear understanding of that which I speak, you will not be able in any clarity, perceive its meaning. For you are not to know the 'when' of such things.

My words must be discerned and understood by My Father's Spirit, the Holy Spirit that resides within each. This means kingdom of darkness, should you manipulate or trick one of Mine to reveal something to you they understand, having My Spirit inside them, all you shall gather shall lead you into an infinity loop of information with no hopes of ever getting an answer. This I speak and this it shall be.

Now children, heed My words. Focus on Me, not on the fiery destruction I'm bringing and allowing. Try My words as you have been taught and warned to do, because when these things hit, they will hit hard, fast, and it's unlike anything most have ever seen. I say to your nation's President Trump, remember and heed My warnings concerning Errol Flynn for this coming, is that time.
