

War Rides on the Tailwinds of the 3 Days of Darkness 12-17-25@12:28 PM Shared 12-18-25

"I'm here, my lovely Jesus Christ. I heard You call out to me to come." "Yes daughter I did."

War is imminent in your land. It will not be stopped. No man, no woman, no fallen one can prevent it, for I have commanded it so. There is a time, a purpose, a season for all things in the world of man, because it's in times of judgment, of hardship, and calamity that men and women will turn their hearts back to Me, their Holy God and Creator. History shows this to be true.

Daughter, this war that is coming, that's here, at your nation's and world's door, knocking loudly to come in, is a war like none other. For besides the use of the nuclear and other high technology weapons whose blueprints and designs were given in exchange from the fallen ones for each world nation's continued loyalty, it shall shutter and shake, and tear this world apart. Shaking its very foundations that it is established and built upon.

When I had Isaiah the Prophet speak of how this world will rock and stagger like one who has taken of strong drink, man assumes I am referring to the Earth's axis. Another invisible, imaginary line, created by the fallen ones, given to man to repeat to the world's narrative spoken to the public, and taught throughout the world. This is not what I was referring to.

The world is established upon pillars, and is unmoving, this Earth I have created for you as My Word says. But I hold the world, the firmament inside My hand, so when it is shaking, it is My hand that does it, because the Earth is Mine and the fullness found there in it. I am what should be called the Earth's axis. I hold the mountains, the earth and its depth, the water, all of it daughter, yet men and women of your world prefer to believe and imaginary lie, a line, an axis they can't see, than to believe in the One who created the Earth, and all that's seen and unseen for mankind out of My tender love for them.

In judgment shall be found true repentance for some, for others, it will not make a difference. Their loyalties are still with the kingdom of darkness, and in their abject misery and horror of all that's occurring on the earth, they will only pursue more ardently the wicked ways of the fallen ones in hopes they will take pity, and have mercy on them, and intervene on their behalves. There is no mercy found, or given in the kingdom of darkness that does not have strings attached, and only leads one further into sin's bondages.

This war rides on the tailwinds of the three days of darkness. It shall bring harshness and bitter living for all, because it will be after death rides fully, all hell has been released to accompany him, and all the other nephilim, demons, fallen ones, and such like that were still confined to the spirit realm before this time, shall be roaming freely on the world of man, no longer contained or restrained. This will be the horriblest time the earth and its inhabitants have ever endured or encountered. It is also the time of My Great Wrath poured out upon the world, the Earth, inside the whole firmament in the time known as the tribulation.

It's a dark day.
A day of sorrow.
A day of wrath.

A day of bleakness.
A day of calamity.
A day of destruction.
A day of fear.
A day of terror.
A day of pestilences.
A day of plagues.
A day of death.
A day of torment.
A day of deception like never seen before.
A day of a mark that dooms your eternal soul once taken.
A time of war.
A nuclear war.
A technological and electronic war.
A day of a bitter winter of both the natural and nuclear kind.
A day of lack and want.
A day of famine like never seen upon the earth.
A day of hiding.
A day of persecution by those you loved and trusted.

It's the time of tribulation spoken about throughout My Holy Word.

It's a day of holy judgment.
A day of righteous retribution.

It's a time there will be no more land of plenty, for the common man or woman.
It's a day of captivity.
A day of slavery.
A day of hopelessness.
A day of running for one's life.
It's a day of decision for those still left upon the earth.

Daughter, when evening shades fall and the new day begins, as it transitions from the age of grace to the time of My Wrath, nuclear happening shall shortly follow, timewise, in man's understanding. This will be after much upheaval, shaking, mountain moving, island sinking, Earth's splitting, volcano erupting activities occur by My shout of exaltation, when I come for My bride. For My voice has the power of Father's inside it, for We are One. This is not the power of My voice when I was weakened by the torturing of those who whipped and beat My fleshly body, then hung Me upon a cross, so that when I cried out, before giving up the ghost and dying, it caused a great earthquake. A notable one in Jerusalem that rent the woven temple veil into two pieces, cracked open rocks, and land. No, daughter, this shout has the full glory and power of My Father given to Me, and I return in His glory and My restored glorified state. All will know that I have returned with a voice of authority and great power. They will not be able to deny it.

But soon after, when the fake demons, and fallen angel aliens arrive from outer space, the upper heavens of your firmament, they will take credit for the removal of My bride. The cover story for

all eyes seeing My return will be, "It is an after effect from the 3 days of darkness mankind has just went through, and the combination of the technology the so-called fake aliens will declare they have used to remove all the missing people from the world."

Many different reasons will be given for the missing people whose bodies cannot be accounted for after the darkness has lifted, and people have searched for loved ones they have lost. After the aliens, the fake aliens reveal they have come to save mankind from destruction, and the world, they will begin accusing, to the people in bold accusations that those who were removed in part, was due to the many illnesses and diseases they carried in their bodies, because they refused to take the necessary precautions by taking things given into their arms, and by other means with their supposed cure alls, (become vaccinated) to help prevent further spreading of such things to mankind. But also to point the blame of the three days of darkness on the Christians, those of My bride who I have removed.

This shall cause a rise in hatred for those of Mine who find themselves left behind, because there will not be one person remaining on the earth who did not have to endure the three days of darkness, or who lost someone they know or love. Whether it's a child, a loved one who died in the darkness, one who later commits suicide as a result of it, or they have, or know, someone who made up part of My bride.

This will be in addition to the chaos of nuclear happenings and war. Destruction by nature's fury from My command as I pour down righteous, holy judgment, and the antichrist, the man is sin, begins his reign of terror, first proceeded by goodwill, false peace, seducing words. While he tortures and kills all who gets in his way in the shadows, along with any of My children he can find during this time. Woe has come to your world daughter. Are not these things written up in My Holy Word? Have not I left pages upon pages of these warnings of holy judgment, in which many are so simply written you cannot misunderstand what is being said?

Those wearing their rose colored glasses shall endure additional shock and horror, as the rosie delusion of deception and lies are torn away by the harsh reality of the truth of My Holy Written Word that so many of Mine have been yelling out, so man would know. So that man could repent if they so choose.

So daughter, I wanted to speak My heart to you, as you have asked to know My heart again. This is where your world stands. It's on a precipice of nuclear war and destruction after the 3 days of darkness lifts, and I remove those who are Mine and dressed in only the purest of white linen, clothed in My righteousness.

Thank you Jesus Christ my love, for this time together.

Definition of Earth's Axis: an imaginary line passing through the planet from the North Pole to the South Pole, around which the Earth rotates.

Verses:

Isaiah 40:12 Who hath measured the waters in the hollow of his hand, and meted out heaven with the span, and comprehended the dust of the earth in a measure, and weighed the mountains in scales, and the hills in a balance?

Psalms 95:4 In his hand are the deep places of the earth: the strength of the hills is his also.

Isaiah 24:18-20

18 And it shall come to pass, that he who fleeth from the noise of the fear shall fall into the pit; and he that cometh up out of the midst of the pit shall be taken in the snare: for the windows from on high are open, and the foundations of the earth do shake.

19 The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly.

20 The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again.

Psalms 93:1 The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself: the world also is stablished, that it cannot be moved.

Psalms 96:10 Say among the heathen that the Lord reigneth: the world also shall be established that it shall not be moved: he shall judge the people righteously.

Psalms 104:5 Who laid the foundations of the earth, that it should not be removed for ever.

1 Chronicles 16:30 Fear before him, all the earth: the world also shall be stable, that it be not moved.
