Vicki Goforth Parnell 1-24-26

There is no retaliation, or evil actions and returns from the kingdom of darkness in all Father God's knowledge and existence for this Salt Covenant Warfare & Prayers information that I am sharing. I bind the kingdom of darkness and all forms of attacks from occurring in Jesus Christ's Name.

Leviticus 2:13 And every oblation of thy meat offering shalt thou season with salt; neither shalt thou suffer the salt of the covenant of thy God to be lacking from thy meat offering: with all thine offerings thou shalt offer salt.

### **What is a Covenant of Salt?**

The meaning of a salt covenant is an agreement that is meant to endure regardless of the circumstances. It was an ancient symbol of unbreakable friendships and alliances that were to be preserved. In ancient times, salt wasn't just used for food. It was used to seal covenants. A covenant made with salt was a binding agreement, symbolizing something pure, enduring, and unbreakable.

Salt, in the Near East, was an expensive commodity that was considered indestructible in fire. Under ancient Israel's sacrificial system, it was a critical element in offerings made to the Lord. Its inclusion was mandatory for all offerings (Leviticus 2:13, Ezekiel 43:24), and without a doubt symbolizing the eternal and indestructible covenant God made with His people.

This mineral also impedes the action of yeast (leaven) on food. In the Word of God, leaven many times symbolizes sin and a rebellious attitude, as well as the ability to negatively influence others (1 Corinthians 5:7; Galatians 5:9). The inclusion of the mineral, therefore, can represent the preservation and maintenance of purity and holiness in a world that can cause corruption through sin.

Salt was a symbol to all that what was committed, could not be corrupted. In spiritual language, salt represented that which could not be defiled. When two parties would share salt during a covenant meal, it meant that betrayal would be met with judgment. That's why in divine agreements, salt was not optional. It was necessary. This is why God required salt in every

offering brought to Him. It was more than flavor. It was spiritual integrity. It was a declaration that the one offering was in alignment with divine purity and would not mix holy things with the profane.

Salt separated. Salt preserved. Salt sanctified. Salt also speaks of preservation. Naturally, salt keeps things from decaying. Before refrigeration, salt was the primary tool to keep meat from spoiling.

In the spirit realm, this is what salt symbolizes in your life. When you live in alignment with God's order, when you walk in righteousness, your life becomes like salt, preserving what the enemy tries to destroy. The devil may try to attack your mind with fear, anxiety, or lust, but when you are aligned with Father God through Jesus Christ you are in a spiritual sense salted in the spirit, and in Jesus Christ's Name the enemy's attacks will fail.

You become preserved by the presence of God and the Blood of Jesus Christ that has redeemed you. You have the mind of Christ and have power over the enemy. You are sealed in this holy covenant. The salt represents the cleanliness and holiness found in your spirit that keeps you from rotting in bitterness, depression, or spiritual apathy. It keeps your discernment alive. That's why demons hate it. Salt is a symbol of separation. It draws a clear line between what is holy and what is defiled. In spiritual warfare, that line matters because witches and demonic spirits are looking for access points. They are looking for any way to gain an agreement, covenant, an access point in any area of the true believer's life.

This is not superstition. This is warfare by wisdom. Get ready in the power of Jesus Christ to proceed as He leads. Salt is not just a seasoning. It is a spiritual symbol loaded with divine mystery and kingdom power. For too long, the people of God have underestimated what heaven has placed in their hands. Just like anointing oil represents the sweet Holy Ghost Spirit also called the Anointing in 1 John 2:27.

Salt may be natural in form, but it is deeply prophetic in meaning. When you understand the true spiritual significance of salt, you begin to see that what looks like a grain in the natural world is actually a symbol of holiness, covenant, and consecration in the spirit realm. And when used with faith, revelation, and obedience, salt becomes a prophetic weapon that breaks curses, repels evil, and restores divine alignment, because when applying or utilizing salt in a salt covenant you are reminding Father God of your covenant with Him and your promise to uphold your part of it with His help through Jesus Christ. When you are in a covenant with the God of all Heaven and His Son Jesus Christ the Word of God shows us Their faithfulness in upholding it.

### **Salt in Spiritual Warfare**

Salt is one of the most underestimated weapons in spiritual warfare. It looks common, but in the kingdom, salt is a consecrated authority. It's not just mineral, it's a prophetic element. It represents purity, covenant, and preservation. Three things the demonic realm despises. While people in darkness chant spells, sacrifice animals, and place curses, many of the children of God are rising out of their slumber and beginning to fight in the spiritual battle before us. We do not belong to this world but to the Kingdom of God through His Son;s sacrifice and shed Blood.

When a child of God rises up and operates under the direction of heaven, even the most common things become powerful. He takes the foolish things of the world to confound the wise it says in 1 Corinthians 1:27.

It's not that salt itself holds any type of supernatural or spiritual power, it's just that sometimes in spiritual warfare, you need a tangible point of contact to activate your faith and stand unwavering against the enemy's assaults. Salt can be used as such a point of contact when praying, just like anointing oil is done at times also. When you hold salt in your hand while praying declarations or spiritual warfare verses, you are physically engaging with the spiritual truth. You are activating your faith with the Holy Word of God, but holding the physical salt as a point of contact that we as humans need sometimes. When the reality of what we are fighting at times gets blurred by attacks of doubt, unbelief, deception and other such trickery by the enemy hands, God will and can use something as simple as salt or anointing oil to activate our faith in His Power and Jesus Christ's Name so we can be victorious. This is part of the power found in our Covenant with Father God.

**Here are examples of prayers of decrees prayed when using salt in a Covenant with Father God and Jesus Christ.**

\*\*\* Note: Please remember to repent, break any agreements and such like with the kingdom of darkness and pray against the enemy from retaliating before entering into any type of spiritual warfare in Jesus Christ's Name.

Job 22:28 Thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways.

Remember, you are not praying to the salt. You are using the salt to remind Heaven and earth and to declare to hell that you are in a covenant. You are walking in purity. You are marked. The power is not in the salt. The power is in the Covenant, the agreement between Father God, Jesus Christ, you, your faith, your obedience, and the power found only in Jesus Christ and His Name.

Stand in your authority and decree out loud in Jesus Christ's Name over your home:  
I sanctify this threshold in the name of Jesus Christ. You can sprinkle small amounts of salt as the Holy Ghost Spirit leads in Jesus Christ's Name. Every spirit of witchcraft, every curse, every unclean entity assigned to enter this home, I block you. You are forbidden to enter. This place is covered by the Blood of Jesus Christ and preserved and purified by a salt covenant with Heaven. This house belongs to the Kingdom of God. Only the King of glory and what is holy may cross this line. (Psalms 24:7-10)

While holding the salt, speak these kinds of declarations.

Father, as this salt is pure, let my spirit be purified.

As this salt preserves in the natural, let your covenant preserve my household.

Let every word spoken against me, every monitoring eye, every satanic utterance be reversed and fall to the ground.

I stand under divine order in the authority of Jesus Christ.

I stand in alignment. No witchcraft shall prosper in my life.

No spirit shall manipulate me.  
I sleep under divine protection.  
The fire of God surrounds my mind and the angels of the Most High stand at my bedpost.  
I cleanse this room from every curse, every spell, every whisper of darkness.  
No demon shall dwell here.  
No portal shall remain open.  
Let fire and salt purify this environment.  
Let holiness return.

**Another example of praying and sprinkling salt in a salt covenant with Father God through Jesus Christ:**

Lightly sprinkle a fine line of salt around the four corners of your bed. You don't pour mounds, just a symbolic perimeter. As you do, walk around it and declare:

This bed is holy ground.  
I draw a line in the spirit.  
No dream attack shall enter here.  
No night demon, no incubus, no astral projection shall cross this line.  
Let the fire of God encamp around this circle.  
Let angels stand guard at each corner.  
I sleep under the wings of the Most High. I decree and pray all this in Jesus Christ's mighty Name. (Luke 10:19)

If you have children, do the same around their beds.  
Speak life over them.  
Cancel any generational curses that try to visit them in the night.  
Declare that their rest will be sweet, guarded, and filled with revelation, not torment.

Walk your property and speak with authority that only comes through Jesus Christ. You're not the tail, but the head. Declare over your home, your children, your threshold all that you possess these prayers and decrees. Use that salt not because you're desperate, but because you're informed. Speak the word not because you fear demons, but because you've been commissioned to establish light. You are of the Kingdom of darkness, not the dark kingdom of lucifer's.

Lay hands on your walls.  
Circle your bed.  
Stand at your gate.  
Declare out loud, "This ground is holy.  
This house belongs to the Lord.  
Every unclean spirit must go.  
Every curse is broken.  
Every monitoring spirit is blinded.  
Every altar is silenced.  
The blood of Jesus Christ speaks louder.

When you combine obedience, prayer, and kingdom insight, salt becomes a weapon hell cannot resist. When you engage in spiritual warfare with wisdom and divine strategy, you must also learn how to discern the results. Warfare is not just about fighting. It's about detecting shifts, interpreting signs, and recognizing when the enemy has been defeated. Just as a general watches the battlefield to know when the enemy line has broken, you too must develop discernment through the Holy Ghost Spirit and even physical discernment to know when your prayers and acts of faith like using salt, (That's what it is, an act, a step of faith on our part.) have broken the curse, cleared the atmosphere, and turned the spiritual tide in your favor. Many people engage in warfare but lack the discernment to recognize victory. Again all we do is in the power of Jesus Christ's name.

Precision, strategy, authority. Salt is not magic. It's a prophetic reminder. When you use it by faith and revelation, you're not performing a ritual. You're partnering with heaven's order.

Salt in the hands of a true child of God is now more than seasoning. It's more than mineral. It's a weapon, a boundary, a declaration of purity and preservation. A declaration of faith. A boundary you can see with your physical eyes but with all of Heaven backing it up when your life is pleasing and in accordance with the Word of God. For the child of God, the salt reminds you, I am a covenant child of the King." Don't ever treat what God has made sacred as common again. Even in the old covenant, God said, "Let your offerings be seasoned with salt." Why? Because salt reminded them that what was offered to God must be pure, preserved, and separate from defilement. That same principle stands now. The salt you use in this warfare is not random.

It's a prophetic act that says, "My home, my space, my sleep, my gates are sanctified." You're not waiting for a miracle. You're walking in divine knowledge and authority. And I say to you boldly from this day forward, let the enemy, let their witchcraft fear you and the God inside you Jesus Christ that has already defeated the whole kingdom of darkness. (Colossians 2:15) Let demons, nephilim, fallen angels, astral jumpers and travelers and such like know your address is off limits. Let familiar spirits retreat the moment you step into a room. You are not passive. You are not weak. You are not forgotten. You are backed by holy angels. You are eBlood bought & Redeemed by the King of kings Jesus Christ. You are sealed by a holy covenant with the God of Heaven. You call Him Father and God. You are walking in strategic knowledge given to God's children, lest satan should have an advantage over us. So now we are not ignorant of his devices. (2 Corinthians 2:11)

Walk in your authority given to you through Jesus Christ. You have been given all power over the enemy's kingdom, so act like it. Speak like it. Pray like it. Walk like it. Don't apologize for your authority. Don't explain away your boldness or holiness in Him. The righteous are bold as a lion, and lions don't need permission to roar. So rise up children of God, holy warrior of the Kingdom of God. Rise up with wisdom. Rise up with discernment. Rise with faith and fire in your mouth. You were never meant to live under siege. You were born to take your dominion and authority to further the Kingdom of God. You are not defeated, but are an overcomer. You are more than a conqueror through Jesus Christ. From this day, the ground under your feet belongs to the Lord Jesus Christ. (Joshua 1:3) Every altar is dismantled. Every curse is broken. Every monitoring eye goes blind and every assignment of darkness returns to the sender through the power of Jesus Christ. All you have to do is believe....only believe in Him...Jesus Christ...

Yeshua Ha' Mashaiah who has done everything for you so you could be all this and more through Him. Rise up children of God. Rise up and prepare yourself because what's coming next is the sound of victory. What's coming next is the shift in your atmosphere. Your faith has spoken. The Word of God has been released and the spirit of the Lord God is moving. Stay alert. Stay faithful, stay in the Word of God and stay in prayer.

**Another prayer for a salt covenant example:**

Father God, I come boldly before your throne through the Blood of the Lamb Jesus Christ Your Son that grants me access and for the revelation that you have given me concerning other ways to spiritually fight the enemy. I lift this salt before you, not as superstition, but as a sign, a prophetic weapon consecrated for spiritual warfare. Just as You called Your covenant people to season sacrifices with salt, I now set apart this salt by faith. In Jesus Christ's Name, I declare it holy and declare it weaponized. I declare it surrendered for Your holy purposes. Let it carry the authority of Your Word, the sanctifying power of Your Holy Ghost Spirit, and the power and weight of Heaven within and behind it.

Now by the authority placed within me through the Name above all names Jesus Christ, I lift this salt and speak a divine charge over it. Every grain of this salt shall carry the fire of the Lord God who is a consuming fire. Let every grain shall be anointed with the power of Jesus Christ's Name to break curses, dissolve demonic attachments, and purge the environment of every unclean spirit when used in faith. Let this salt become a line of demarcation that hell cannot cross. Let it become a purifying agent that sanctifies my home, my mind, my sleep, my children, my bloodline, and my destiny. In the Name of Jesus Christ, I bind every witchcraft attack that has been sent against my life. I decree that no incantation, no spell, no monitoring eye, no altar of darkness, no word curse, and no demonic projection shall prosper against me. I reverse every assignment now by fire and the Name of Jesus Christ. As I sprinkle this salt across my home, at the doors, the windows, the mirrors, the corners, the closets, the gate posts, the beds and such like, I decree this entire dwelling is sealed under the authority of Heaven in Jesus Christ's Name.

I speak to every lingering spirit, your time is up. I break your hold, I bind you and I command you to flee in the Name of the Lord Jesus Christ. Every evil covenant connected to this ground is now destroyed. Every portal opened by sin, by witchcraft, or by ancestral rituals, by agreements and such like known or unknown to me is now closed by the Blood of Jesus Christ and fire of God. I command all residue of darkness to be uprooted and burned by holy fire. Let every cursed object lose its power. Let every demonic signature and mark be erased. Let every marine spirit retreat. Let every altar be shattered. Let every demonic voice be silenced in the Name of Jesus Christ.

Now, Holy Spirit, Jesus Christ I invite You to take full possession of this space. Let Heaven's angels of war patrol every threshold, every access or entry point. Let Your consuming fire burn in every room. Let the sound of worship replace the sound of warfare. Let the oil of peace flood every corner.

I decree that this home is now a sanctuary for Father God, Jesus Christ and the sweet Holy Ghost Spirit. No nightmares, no intrusions, no whispers in the night, no spiritual heaviness, no unexplainable tension, no fear, no anxiety, no oppression, or such like can abide here because

this atmosphere is charged with the glory of the Lord God Almighty. This is holy ground. I now declare over my life, I'm covered, I'm protected, I'm victorious. I cancel every cycle of spiritual harassment and every generational curse in Jesus Christ's Name in all Father God's knowledge and existence.

Now I speak to every unclean spirit in hiding, Luke 8:17...you are uncovered. I remove your legal rights, I bind you, I banish you and I declare that your influence is over in Jesus Christ's Name. Let every familiar spirit lose its voice. Let every spiritual parasite be disconnected. I renounce all contact with darkness, whether known or unknown, inherited or introduced through dreams, relationships, or objects. I stand under the blood covenant of my King Jesus Christ and declare, I am not a victim. I am not a target. I am a threat to the kingdom of darkness and from this day forward, no weapon formed against me shall prosper.

I speak over this salt. Wherever it touches, the enemy shall retreat. Wherever it falls, the Spirit of God shall reign. Wherever it is sprinkled, holy angelic forces shall surround. This is not mere salt. It is now sanctified particles in my hands, and upon the ground making it holy. I command divine order, holy alignment, and prophetic protection to enter this atmosphere now. Let confusion strike every demonic camp sent against me. Let blindness hit every monitoring agent. Let holy chaos scatter every evil plan. Let Heaven's gavel render judgment against every witchcraft operation linked to my name, family's, the ministry and such like in Heaven's Court in Jesus Christ's Name.

In the mighty Name of the King of kings, Jesus Christ I send every arrow of witchcraft back to the sender. I break the spells, I block the curses, I close the doors and access points, I bind the strong man, I take my power back I have in Jesus Christ. I reclaim my joy. I take possession of my home, my health, my purpose, my finances, and my time. I decree, this house belongs to the Lord Jesus Christ. My life is a testimony. My space is protected. My destiny is preserved. I thank You, Lord, for the power you've given me. Thank You for the wisdom to fight back. Thank You for holy discernment and for sanctifying what is simple and making it spiritual. Thank You for showing me that even salt, something so small, can become a kingdom weapon in the hand of the righteous. I receive the fullness of Your protection, Your favor, and Your rest from this day forward. Let Your Kingdom come and let Your will be done in my home, in my family, and in my atmosphere as it is in Heaven Father God. I seal this prayer in fire and in truth in the Name of Jesus Christ. So let it be done.
