

Dome of the Rock & 3rd Temple 9-11-26@6:36 AM Shared 9-13-26

"Lord Jesus Christ, I hear, 'The sacrificing animals have come for you Israel, but I will not receive their blood for atonement for your sins.' Are you wanting me to take a Word from You to share Father God?" "I do Daughter of Mine, I do." "Okay Lord."

Israel, O' Israel, the time for the sacrificing of animals for your sins has come again, but I will not receive them. For atonement for one's sins is now only possible through the Blood that was shed from My Son Yeshua Ha' Mashiach, Jesus the Christ when He died on the cross on Golgotha's Hill.

The time for the actual construction of your temple, O' people in Israel has come. All that's needed has been, where possible, pre-made and it's waiting to be assembled once the way is cleared.

The time of the noahide laws is here. Laws that I did not give, although man and fallen angels have formed them through using parts of My Holy written Word given to mankind out of My great love for them. The time of the noahide laws has arrived, My children.

Prepare to be martyred for your belief in My Son Yeshua, Jesus the Christ.

Prepare for the rising of the 3rd Temple.

Prepare for antichrist.

Prepare for the beast system.

Prepare for the mark of the beast.

Prepare for famine.

Prepare for more plagues and pestilences.

Prepare for uncontrollable weather as cern's facility, before shutting down this last time has caused greater ripping in your world's atmosphere in the heavens. Your upper atmospheres.

Prepare for war, war, war.

Prepare for a cold, cold winter.

Prepare for a time of great lack.

Prepare world, for a scorching to come like none other has occurred upon the world of man.

But before they shall all fully come to fruition, prepare yourselves for a time of darkness, a time of darkness, a time of darkness, then a fast exit. As the world is thrust into the tribulation. The hour of trial upon the world as My Son and I requite the wicked and the evil, the unrepented inhabitants of the world who brought much destruction, calamities and woe to the Earth and its inhabitants and they feel the weight of our wrath fully upon the world. For as I have spoken that My Son shall do...and all He sees, all He hears... all that's done by the Word given to man, for He is My Holy Word in flesh. He shall judge you further as time progresses.

Shall not I avenge myself on such an evil world? Shall not I purge this world from all its wickedness and its wicked inhabitants? Yes, yes I shall, it is written this would be done O' world, but most of you have refused to heed, listen, and obey My words and commands that would have brought you life, not death.

So, prepare for the construction of the 3rd Temple in Jerusalem as was shown Ezekiel. Rituals and sacrifices I desire not. Your feast days I've grown to hate. Only through My Son's Blood will I accept a man, woman, or child. He is the perfect sacrifice who willingly gave His life as a Lamb led to the slaughter. But He gave His life. It cannot be taken from Him. He is the only atonement I shall accept for sins. Accept Him into your hearts then as He enters, offer your sacrifice of praise from your now holy and sanctified bodies. This I shall accept. This sacrifice from your body, your temple that's now holy by My Son's Blood and My Holy Spirit that resides in all who accept Him as Lord in their hearts.

"My Son shall speak now Daughter." "Okay, Father God, I'm still listening. Your will be done. Jesus Christ my Love, I'm here and listening for Your voice as well." "I know you are, Daughter, beloved of Mine.

Hear what I say to you this day. The time for the temple not of flesh and bone but out of the physical compound structures is to be built. "What about the dome of the rock? Is it not sitting on the original Temple site? The third Temple can't be built can it? It's not a physical one, but refers to the human body, doesn't it?

These are some of the questions continuously brought up that causes confusion and conflict in so many of the world today. When simply seeking Me in prayer, in faith in My Name Yeshua Ha' Mashiach, Jesus Christ of those who are Mine I would give them the truthful answer. My Holy Spirit and I would lead and reveal it to all who seek earnestly.

Now Daughter, for these questions which are but a few of the many surrounding the 3rd Temple's building, I say this. All the furnishings are built and waiting beneath the ground's soil with some already having been brought above ground written about in My Holy Word. The priestly garments and ephod are ready, the vessels, the shofars and knives, all ready. The building blocks of composition are formed and waiting for the time of the construction of the actual physical building and that is what it shall be. Because the man of sin will proclaim himself god here. He shall desecrate the altar with a human sacrifice as I have shown you years ago by dream. The gentiles will trample the outer courts for 42 months, My Word says. This means it will be in their possession and under their control, under antichrist's control.

The 3rd Temple is an actual, physical structure and most of the inhabitants of the world shall see it themselves because straight is the gate and narrow is a way of righteousness and few choose to walk it. Then that source of argument and conflict will be removed out of the world of man.

Now concerning the Dome of the Rock. It shall still be standing. That is not the actual site of the Temple as those of the synagogue of satan, of lucifer have known for years who have been inserted into Israel's leadership as well as other key positions of power needed to maintain control as they manipulate and sway the people not only of Israel but of the world.

Daughter lucifer and his kingdom used the same tactic upon Israel as they did My churches. Infiltration to try to defile, manipulate, and control what is not theirs to do. Israel is the chosen land of My Father and its people. Those dispersed around the world in many places of the

original 12 tribes of Israel shall be gathered back to her. Jerusalem has been given to Me by My Father to reign righteously upon this Earth as it was meant to be.

Because of the foretelling in My Holy Word of the third Temple to come, through manipulation and control, even in the archaeological world in which lucifer's kingdom tries to maintain a tight control, on the wrong site was declared as the Temple mount. Remember Daughter, the fallen angels have been here since before man fell into sin in the garden. They know exactly where My Holy Temple sat upon. They know where the tent was stationed every time the children of Israel moved in which the ark of the covenant set because they lived during these times too and not just in your present time.

The Dome of the Rock is remaining where it is at and the third Temple will be built which will strengthen antichrist, the man of sin's one world, united religion which absorbs all religions, all occult false deities, and all god's into one universal body with him eventually replacing them all for he will demand to be worshiped by all and most will do so.

Even though the Great Day of the Lord is My Day of Wrath, the antichrist will still be ruthless, vicious, without mercy, especially to My children, any he suspects our Mine, and anyone he distrust or simply chooses he doesn't like. This time in man's history will be the cruelest that has ever transpired, as lucifer's kingdom will finally be free to rule the world through the man, antichrist, the lawless one. The one without a conscience for good, but only evil and wickedness.

But even in the midst of all this evilness, those who love Me, even die for My Name, shall feel My strength and courage for many like never before. And in a time where hopelessness should abound and consume the world, My children shall still have hope and even peace at times, for I am both of these for those who are truly Mine and of My Father through Me.

So prepare O' world, in the shadows of a secret meeting between Netanyahu and the man of sin, orders were given that the time of the 3rd Temple has arrived and to begin preparing the way for it to be physically built.

For those who want to murmur, there's no evidence between these two. Foolish people! Do not forget there is a vast underground network of facilities, bunkers, cities and transportation far superior than what you have above ground owned and ruled by antichrist and the fallen ones. So, that a trip from one place to another that takes hours of your time above ground only takes minutes or possibly an hour of your time. This is how this meeting was possible and unseen by the eyes of the upper world of man.

This final warning I give Daughter. Hear and pay attention. That which was spoken. That which was publicly confirmed by video for Manhattan, that is this which shall be...and I do not mean it shall transpire in a Lego movie made by your nation's enemy.

O' world, O' world destruction comes. Babylon falls, darkness descends, and for some I bring a fast exit as the last trumpet sounds.

Are you prepared O' world? No,no, you are not!
