

Vision Of The Plane Of War & Gomer 7-11-20@5:11 AM Journal Entry

“I am here Jesus, my beloved Savior, I am here, yet my heart is heavy, so burdened. I find myself burdened Jesus with such a grievous, heavy burden for the people of our world. I realize that although many, many people including children have died from this virus, this Coronavirus that You have allowed to spread across our world, nothing can occur without Your divine approval. I say, approval as meaning, You allowing something to happen to accomplish the greater good. For Jesus, You, You are good. But when this war of nation begins, for You have already warned us many times it is here already, I know within my heart, for I feel the dawning of what is to happen, many, many, many people including babies and children are going to die, to perish. You have given me a vision once again, putting things in a way that I can understand, bringing it down to my level of understanding. For this I am so very grateful.”

“I see even while my eyes are open what appears to be a huge, great airplane. The plane of war and it had been circling the airport, the landing strip, because its landing had been delayed. Then it began and was paused in its first attempt to start its landing procedures. Now this massive plane is loaded with many things, for instead of people, I see the evil spirits crammed within the plane, Many whose names are unknown, yet I see death and famine’s names written boldly upon them in yellow. Although this is usually a cheerful and happy color to me, it has somehow taken on a sinister glow in an unknown hue, yet, I know somehow it is still yellow. This plane of war is no longer circling, but has landed already, coming to a complete stop and all that is left is to open the door, let down the ramp, and let these demons out upon our world. So, when You tell me, tell us, Jesus Christ, war is here already, I understand! I understand it now more than ever. Help us Jesus. Please help us! Extend down Your merciful, loving arm to us once again. Help us Jesus! Please help us, help me.”

“Child, My great arm of mercy is still extended. It’s extended to those I call Mine, who are willing to turn their back on this world and all that it contains including that of your family and friends, for no one is to be placed above Me in your life. It is I, your Creator who has given you life, supplying each and every one of your needs even before they arise within your lives. And it is still extended to those still yet, to come to Me, for I am Jesus, Child. I am the Son of Jehovah, the only One true, living God, and it’s through My sacrifice that mankind has been given a way to escape their fate of spending their eternity in a Christless hell. When you have accepted Me into your heart and continue to walk in My holy ways, I will wash your hearts, your lives clean with My Blood, and continue to do so when you ask Me to wash you clean once again. Because even after you have been saved, man tends to fall occasionally, for a just man falleth 7 times, but with those who are Mine, who trust and rely fully on Me and My Holy Word, they will rise back up and start walking again.”

“My mercy though Child, it has been removed off of those with an unrepented, wicked and evil heart. Those like the people in the days of Noah, who only after the rain began falling and the great flood began to rise, then and only then did they start crying out to Me to help. Yet, still there were many, many who did not cry out at all. Because it was as you have called it Child, only after I reached My ‘done’ point, and this is where Father God and I are at this moment...the ‘done’ point did the flood come. My Father and I, Father God, We are long suffering and patient. My patience Child, would be an eon of your time period. An eon being that

of a billion of your years if you were to try to compare it to that of man's who on their best day might be able to wait a few weeks of your time before trying to step in and try to fix all that needs 'fixing.' While if you would have waited, you would have received the good fruit from all that you have travailed for, instead of a half ripened piece of fruit. Although still eatable, it is tough to eat instead of the skin being pliable, supple to the teeth and more easily enjoyed."

"My ways are righteous and holy, while man's without My precious Blood applied are not. What I have showed you this morning Child, with the plane of war, it is as you surmised already. An insight to where this war of nations now stands, for when I say, "It's here," then Child, it is here. The circling of the plane was its location in times past when I first began speaking and revealing to you that war was coming as far back as the month of 1 times 9 known as September by man, the men of your once great nation. I see, Child, in your heart sometimes the question of, "Why do I, Jesus, continually call your nation, 'once great?' Because in your eyes it is still the greatest of all countries, superseding all but the nation of Israel in your eyes, for Israel is the land of My chosen, beloved people, and you are right Child. But you are also wrong, because I died for all and love all men equally, for I came to give all, all Child, abundant life, through and in Me, but your nation Child, though better than some, was built upon her belief in Me. Your laws were based upon My laws. Your people worshiped and served Me faithfully, and I, being their God, their faithful husband, I supplied the need for your people pouring out My favor and My blessings abundantly upon all."

"But when your people started turning from Me, for it is I that made your nation greater than all other countries, of other nations, when your people as a whole began playing the harlot with that of other people's false gods and to the pleasuring of the flesh above all else, you have now been stripped of My favor and many blessings upon your nation as a whole people, and you lay naked and vulnerable, no longer protected by Me and My Blood. When you play the harlot, many times your unfaithful lovers will turn and rend you, leaving you lying polluted in a pile of your own blood, weakened from within, as well as weakened without."

"This is where your once great nation is at today, for she is as the wife of Hosea, My prophet, called Gomer whose unfaithful, lewd, promiscuous ways was a constant burden of grief and woe to Hosea. Just as your nation has become to Me. Yet, Hosea, he still loved Gomer very much. Just as I love your nation and the people of the earth. When Gomer's sinful, lustful ways led her down the path of destruction, stripped of her freedom and being sold as property, as a slave, I had Hosea go and buy her back and bring her home to him again, restoring her to her position as his wife. She had to endure the cost, pay the penalty for her many sins and transgressions against her faithful husband Hosea, just as your nation, your world, your people, the inhabitants of the earth must now endure the punishment for all the many, unrepented sins."

"Your nation Child, she who has openly played the harlot, many parts of your once great nation shall find yourselves with the feet of many foreign feet trodding upon the very soil of your once great nation. Just as Gomer was stripped of her freedom and enslaved, so shall many of your people be too. For after the many strikes upon the different nations, the many countries who will release these weapons of the nuclei upon each other's soil, then the invasion upon your country's soil shall begin led by the evil Putin, and joined with Xi Jinping, the king of the east of China after forming, and then signing this unholy, evil coalition, this documentation, this agreement to

invade your nation. These strikes shall be with the weapons of...that are fueled...powered with the nuclei placed within their heads inside the cones of each, for all will have more than one head contained inside of each weapon known as missiles.”

“These weapons from Putin’s hands are from different locations, not all the same, for although there will be a total of 1 times 20, plus 7 that Putin shall release of various, different makes of these said weapons, I shall allow only 1 times 10, plus 3, of the 1 times 20, plus 7 to be unleashed upon your nation’s soil after getting through your country’s defenses. Again, Child, the evil Putin shall begin his attack, begin this war of nations issuing the commands to launch by the vessel of the deep and by land.”

“Take heart Child, and hold fast and true, for those who trust fully and faithfully in Me, although war will be harsh at times, yet greater still, they shall witness Me time and again, meeting all of your needs that arise. For I am incapable of failing, and all that I speak shall hold true whether My words are spoken in times of peace or in times of war.”

Ezekiel 16:6 And when I passed by thee, and saw thee polluted in thine own blood, I said unto thee when thou wast in thy blood, Live; yea, I said unto thee when thou wast in thy blood, Live.
