

Strait of Hormuz, Trump, Iran & Netanyahu 6-21-26@6:59 AM Confirmation 6-21-26

"Daughter." "I'm here, my lovely Jesus Christ." "I have somewhat to speak to you again, Daughter of Mine, beloved of our kingdom."

Your nation's President Trump is angry. His prideful peace plan is plainly failing. It has failed already. As each plays their role cast by satan, by lucifer, for the world roles many times pride rises up inside the leaders and rulers over states and nations. Your nation's President Trump is most prideful and boastful. Pride will cause a man to fall. Pride is what led lucifer to his fall while in Heaven.

The world has once again been held bound by the closure of the Hormuz Strait. Although the Iranians claimed it was a broken ceasefire that caused them to issue the orders to close the Strait of Hormuz again, they would not have allowed it to remain open. To the eyes of the world, it appears that they are willing to deal and allow a number of ships to pass through, making it appear they are willing to honor their words. They will not!

But neither does President Trump hold true always to his own words. He shall bellow and roar, threaten and strike, bomb and make demands. Then he'll change his plan even before the 60-day deadline has come to an end that he had issued.

Oil products grow scarcer in many places across the world. The world's nations shall begin to look toward NATO for help to solve the situation fearing President Trump has failed to bring peace and resolve the issue with the Strait of Hormuz.

Threats will grow darker against Iran from your nation's President that will be openly spoken and not just in conversations behind closed doors, but before President Trump can give the order to launch such a plan that concerns the use of nuclear weapons, Daughter, the activated Iranian sleeper cells shall move first. Not the ones that are ready to detonate the 10 hidden nuclear suitcases waiting in place. But those sleeper cells commissioned to take out lady liberty and Manhattan first, are already in Babylon-America's divided states. When such devastation shall rise, so shall the European Nation with Macron in tow.

But first peace fails as I have spoken it would. Netanyahu plays his role right. His part is to cause the world to turn on Israel as he proclaims all he does is for the nation of Israel and God. Never forget the enemy sits behind them all pulling their strings trying to cause My Written Word to be fulfilled before it's time. His main part is to cause hatred to rise toward Israel, God's chosen land and people, so the Written Word about the war of Gog Magog will transpire. Is it not apparent he does not want peace? For he is really one who sits in the seats of the synagogue of satan.

Hear Me Daughter, the world makes many plans, but the nations are ruled by My command. Evil is allowed because man's hearts are wicked and evil until one is reborn by Me and My love comes into their hearts. I soften the stony heart and make it one of flesh again.

But when evil arises, holy judgment falls down and repentance begins in the hearts of some. There are those My Holy Spirit has still been drawing and convicting as My Father God draws them to My cross where forgiveness can be found by what has occurred already.

When a nation reaches a height of wickedness that surpasses all others and abuses its position of power, then that nation will fall. America shall fall and fall soon. She is Babylon of old but also Babylon New. Lady liberty or libertas your nation's false god, it shall be destroyed along with the heart of its finances and world business center. Then when Putin makes his first strike from the sky, the heavens, Babylon-America's land falls as well. This Daughter, this shall now happen quickly. All very quickly.

A Ruse at the Strait of Hormuz Poem 6-18-26@3:37 PM Shared by post 6-19-26@12:55 AM (Only related poem parts are for the confirmation)

Remember Daughter, all is not always as it seems.

A ruse, a ruse
At the strait of Hormuz
Trickery at its finest.

The Iranian people are not only good at Lego movie brands
They're good at treachery and deception
Like they've extended to Trump's outstretched hands.

A ruse, a ruse
At the strait of Hormuz
Soon all will see
What is meant to be

.....
"We will not commit to our written vow
To a bunch of infidel dogs and wallowing sows
For we are in control of the Hormuz Strait now
And it will be us that will cause the world's knees to bow."

Thus said the Iranians in hidden meetings they held.
While openly telling the world they love them
That all will be peaceful and well
While secretly they're planning
For all their own a trip into hell

Did I not say that these things would come?
Did I not call them out one by one?
Befuddlement of fools, is what this world has become.
When you rejected Me and embraced the fallen ones.

.....
Trickery is afoot, deception is the plan
Let's make Netanyahu look like a fool
As Trump makes a 'peace' stand
The Iranians declare, they surely can

"Our covenants are binding," the Iranians have said
"But only to those who are blindly, by Allah being led.
All others we must lie to, and bring them to defeat
And Trump's body with Netanyahu's we want
At the top of the body count of death's heap."

This is the black hearts
You have made a deal with
For the Hormuz Strait to reopen
Is it the truth or just another Iranian myth?

Peace is not an option at this time
In the world's plan
Because sudden destruction is what I,
The God of Heaven now commands
Now hear Me and pay attention if you can
For I have just exposed the world's enemy's evil plans

A ruse, a ruse
At the Hormuz Strait
Is the resounding truth
That echoes through time and space
While more and more ships pile up
At the Hormuz Strait's gates

But trickery shall not come from one side alone
Trump's slight of hand shall become publicly known
As the Iranians in anger burn down America-Babylon by 10 nuclear glows
You cannot say, you have not been warned many times and been told

.....

"Daughter all is not as it seems at the Hormuz Strait. Nor is the peace contract going to be able to stand. For only failure will ensure nuclear detonation in this evil world of man."

Peace Fails, Liberty Falls, Lights Out, Sorrows Come 6-17-26@3:01 PM

Peace will not stand, but shall fall again. For it is the man of sin, Macron, that in the end will bring peace to Israel, not Donald J. Trump. He is a decoy to cast the world's eyes upon him, on Obama, on Jared Kushner, and so many more that each one is the antichrist like all the others.

Hear Me Daughter. Declare it out loud! Your time has run out, world! Shout out loud, you will declare peace as you have done. This is a game to you, leaders of the world, as you play your parts ordered by lucifer and like puppets on the string you obey. 'Peace,' you declare, but sudden destruction is what you shall receive. I say again, I'm taking control, visibly of this world which is rightfully Mine. Vengeance and wrath falls. So while you perform your grand play of this nation rising against that nation which had to be, for it is written it would be so in My Holy Word.... When your key players are ready to take a step forward..for peace shall fail for Israel, you will soon find I shall end it Myself.

The phone call occurred Sunday morning, just one day after Iranian military officials announced they would be closing the Strait of Hormuz again, citing violations of the tentative peace deal agreed to by Washington and Tehran last week. As Trump's coveted peace deal imploded in real time, the president issued a series of threats and statements that independent journalist Aaron Rupar described as "bonkers."

"President Trump [told] Fox News he spoke with Iranian officials overnight and said 'you close it and you won't have a country,'" Yingst said on Fox News, recounting his phone call with the president that occurred just 20 minutes earlier. "He went on to tell these officials, 'you won't even make it back to your f---ing country.'"

Iran's top joint military command says the Strait of Hormuz has been closed again after accusing the US and Israel of violating a ceasefire agreement.

But the US Vice President, has told reporters there was no evidence that Tehran was closing the strait.

It comes as Israel continued strikes in southern Lebanon, despite a ceasefire deal between Israel and the Hezbollah taking effect yesterday.

Several people were reportedly been killed by Israeli airstrikes on southern Lebanon.

The Lebanese state news agency said at least 11 people were killed after Israeli warplanes, drones, and artillery targeted more than a dozen areas.

The Israeli military said it struck "Hezbollah terrorist targets" after the group fired over 50 projectiles at Israeli forces in south ...more

President Donald Trump declared that Iran is "FINISHED" in his first statement since Israel launched massive strikes against Lebanon, triggering reports that Iran closed the Strait of Hormuz again.

Amid the chaos, Israel and Hezbollah reportedly agreed to a renewed ceasefire that goes into effect right after the strikes. The ceasefire, reported by Reuters, was brokered by U.S. and Qatari negotiators.
