

Hear My Voice Thunder, Man of Sin, It's Your Time 6-5-26@11:17 AM

I will help you, Daughter. Hear My words of judgment and share them to this land, this evil wicked land.

Wyoming, Wyoming, I strike you at your heart.

I crack this world! Hear My voice thunder! Hear My voice boom! Hear My voice thunder from on high. I crack this world. I crack this world. I crack this world in a way that no one can deny it is God that sits on the throne ruling and reigning from Heaven.

Daughter, it is written that a third of the waters will be poisoned by Wormwood, yes, but, I'm going to dry up the waters in Babylon-America. Wicked, evil Babylon-America until she becomes a waste and desolated land and nothing can dwell in her before I sink her to the ground. She will be divided. Yes! Physically divided, but in addition, I'm going to drain, crack, burn up, dry up the water in Babylon-America. Read My Holy Word and see if it's not so what happens to a land or nation that forgets Me their holy God, and falls on their knees to embrace the fallen angels. The worship of angels, the worship of self, the worship of electronics, the worship of idols prancing around on stages, tear your idols down.

CHILDREN, HEAR ME, and hear Me well, and hear Me now. Tear your idols down! Children, hear Me, and hear Me well, and hear Me now. Separate yourself. Come out from among the world. Lay your idols down. Tear down your idols and groves. Tear down your altars you have created worshiping other gods besides Me. Tear them down, before I tear you down.

Hear Me! It rains on the just and the unjust and if you are not serving Me 100% as you know to do, giving your all, if you are partaking in the world, then you are accounted with the unjust. You're not worthy. You've turned and looked back from the plow. You're supposed to keep your face forward. Ever forward toward My Kingdom, the New Kingdom to come. New Jerusalem, the Millennium Reign, all these things are supposed to be your blessed hope...My return.....Tear your idols down, I crack this world.

Let Me tell you children, there's worse things that can come upon a nation besides war.

Nebraska, golden grains and fields, a harvest no more. I burn you down. Fire spread! Fire spread! I command it right now, for I have spoken. I am a Consuming Fire. What I speak comes to be.

Omaha, you're doing are not hidden from Me. You have brought this upon yourself....Holy judgment. Repent before your God and Savior and do it now, before you are totally consumed by fire. I'm raining fire down. I'm raining fire down.

I crack this world, I crack this world. I shake this world, I make it rock and I make it reel. I'm raining fire down. I'm raining fire down. I crack this world, I crack this world. I shake it. I make

it rock, and I make it reel. You believe this world spins, I'm about to spin it in My hand in a way you will never recover, and then you will know that I am God. I sit on the throne.
Washington, Washington, Washington, state of Washington, I send a thundering wind, nature's fury in the form of a wind.

Nation of Babylon-America you are vile! You are vile and you are wicked, but you are not the only one.

Canada, Canada, your transportation of stolen goods, your transportation of slaves and souls has not went unnoticed by My hands. The underground tunnels that you have, preparing the Chinese soldiers to invade America while under the guise of still being friends.....but you will in the end aid America for your own safety, you are a wicked and vile nation too. I say to those of Mine within your borders, 'Come out. Come out. Come out. Be separate, live holy. Do not let the stench of the sin cause your garments to be spotted....spotted. You're to be spotless.'

Louisiana, Louisiana, prepare for a flooding like never before as I churn, and churn, and churn the water's about. I reach My hand down further and I say these things, 'Whether they come before, or whether they come after My judgment of darkness falls,' you hear Me, 'they shall come!' They shall come. They shall come fast and speedily, because I'm done with this wicked nation of America-Babylon, and I'm done with these other nations who refuse to bow and are openly worshiping baal, openly worshiping lucifer, and satana.

The Earth is Mine and all that's in it.

Your time has come, man of sin, but it's not going to be like you suppose. You're not going to walk in here, breeze in here with all your one world government. With all your precise, precision plans. With all your centuries of working and maneuvering, deceiving, killing, scheming, and maiming. NO! I'm going to ensure you have a battle for every move and every counter move you make. For I, the God of Heaven promise you this. This is My holy vow. I shall be your worst nightmare with My 144,000. You will accomplish what is written, yes, you will, for it is written in My Holy Word, but nothing more and nothing less. You hear Me!

And through the prayers of My saints, My true children, you will have a skeleton crew in your bodies, in your army, in your electronics, in your devices, in your prisons, in all that you have in your possession. So choose wisely, man of sin where and how you do these things. I reiterate you will only have 10, 10 of your data centers. You're being foolish in building them all over the world, because I'm getting ready to shake and quake and take them down now.

"Daughter, try, test and discern this in My holy name Jesus Christ." "This discerns true from You my lovely Jesus Christ."
