

Other States Hit, Wyoming is Safe 2-9-20@5:55 AM Journal Entry

“Today is the 9th Lord, and in 1 month’s time, (if this year, I feel it is) we shall be officially in war declared upon us by Persia, by Iran and then the bear, Russia will soon join them and then, then before long, shortly after You have said in prior conversations the missiles shall begin to fly and life as we know it shall be forever changed. Strangely enough I am not afraid. I am deeply concerned and yet still I know that whatever happens both the bad and the good, that You are still God. You are still in complete control and You’ve got me, my family, and my friends in Your well capable and powerful hands and I, I would have it no other way. No matter what we all must face, whether it be mildly bad or severely harsh I know there is a divine purpose and a reason for all. Even bad things have been allowed to happen to good people usually caused by sin. Even the righteous, those who love and serve You with all their hearts, they as well at times must endure tragedy, hardships and even face evil head on, face to face but even in all this I am finding that You are still a God of great love and mercy. Most everything You do has a divine purpose for reaching out to lost souls, giving them what may be their only chance, their only hope to receive Your glorious gospel. Paul in Your Bible, Your Holy Word had to be imprisoned for the officials in Rome to be able to hear this blessed hope and even Your own Son Jesus who was sent down to this earth after being transformed from His Heavenly body into one like ours, made of flesh and bone.

Look what He had to endure just so we would all have an opportunity to be saved, to be redeemed. He went willingly to the cross yet knowing that many of us, mankind would spit upon His divine gift of Salvation choosing rather to embrace more fully the pleasures of the flesh and the ways of satan. He endured beating after beating, He endured much verbal abuse and the whippings, the lashes at the whipping post just to reach the lost! Then He endured the crucifixion as well and while hanging there in much, much torment and agony, Your Son Jesus spoke these words, ‘Father forgive them for they know not what they do.’ If God, You will allow all this to be done to Your own beloved Son to reach the lost, then God, surely we are no different and being Your beloved children we will as well, some of us, shall be called to endure severe harsh and yes, even cruel situations. This may be the only way that some of these souls can be reached, by showing Your love for God, for You no matter what we are to endure. But You will not put on us more that we can bare and You tell us, ‘Let the weak say I am strong’ and I can do all things through Christ who strengthens me. I am praying, God, not only for me but all my brothers and sisters in Christ to be able to find Your good, Your divine purpose for everything that we must endure as this war of nations progresses.”

“And you shall Child, when you serve Me with your whole hearts for although you may not always understand the ‘why’s’ of it I will not leave you totally and completely oblivious to My divine purpose and reason for all these things, but as you have said Child, bad things do happen to good people as well. But during your times like these, no matter what you are made to endure when you run to Me, I will hold you and shelter you within My loving strong arms. These hard times are necessary as well as the good to bring about your spiritual growth and your ability to trust in Me and to continue to walk in faith. All these things both the good and bad are necessary for My divine will to be accomplished upon the earth and Yes, Child, to reach all the lost. Each person will be given at least one opportunity within their lives to accept My Son Jesus’ gift of Salvation which has already been paid for by all the pain and the tears and the blood that He

suffered for all so this precious gift could be free at no cost to you. There will be those who may have to suffer great cost to themselves to share this precious gift of Salvation to that of others, but their sacrifices and pain shall not go unrewarded for I am a God of love and mercy, full of much compassion on that of My beloved creation that of mankind. As an earthly father gives good gifts to that of his own children, how much more shall I, Your Heavenly Father give good gifts unto those who are mine?"

Child, this war of nations, it shall cause many of those that are Mine to draw closer unto Me and begin once again to have a more intimate relationship with Me, but war, it shall be hard upon the people especially those who don't know or who've rejected My love already. Even the many governments of the nations, all the nations of this world shall, as war continues and progresses, will become less and less concerned with their own people as they 'push' everything in an attempt to win this war which I say again it shall be fought but with no winners. Your nation shall suffer much from all the missile attacks both from weapons with the nuclei and some without, but you shall be crippled but not conquered. You must also face the footsteps of foreign feet upon your soil both from the people of the south who shall rise up from the much oppressive hold of your government by that of your President Trump over these last few years and that of the king of the east which shall attack by that of the air and that of the water of the deep. Yes, their feet as well shall advance on this your beloved soil of your nation and yes, Child, there will be areas of your land that shall fall under his harsh control. For their nation has desired long within their hearts to obtain the land of your nation for their over abundant population. I say again you shall not be conquered, not fully for your nation though shaken badly must needs be still standing when the time of antichrist arises. For he is meant, and shall rule the entire world with his cruel, cruel hand and if you think that you were made to endure hardship, then think again for everything shall be greatly worse for all people during his reign upon the earth."

"Look Child, look now how the king of the east encourages relations with that of your country. Be wary because he speaks with a forked tongue and like that of a serpent coiled and ready, he is waiting for the right opportunity to strike his fangs spreading his deadly poison into your nation. He will show no mercy or compassion upon your people for his ruthlessness, the nation's ruthlessness is what will draw him, the king of the east to be drawn to antichrist. He shall greatly admire the cruelty of his tactics and he shall join forces with antichrist which will eventually lead to the great battle of Armageddon which I have foretold of by My prophets of old, in My Holy Word." "Then are we, our nation, to be fighting 2 different nations, countries on our own soil in 2 different locations as well continue to fight against Persia and the bear and all who have joined them against us?" "Yes, Child, you shall but there will be those other countries who shall join the eagle, your country as well but all of this shall surely lead as I have foretold as war progresses to the great, great shortage of food, gas, water, and other necessities. Even clothing shall not be as easily obtained and the cost of everything shall be greatly increased. Some by as much as 80% for as availability becomes scarcer and scarcer, so shall the prices begin to steadily increase making it impossible for most to be able to obtain all that is needed to survive without great difficulty."

"Remember Child, desperate people shall also perform desperate acts and some of these shall be considered deplorable but the majority of the people in all these countries shall start in some areas to unite and come together for the common good but in other countries like that of Persia,

though suffering much their people shall be taking great pleasure, satisfying the great need of this all consuming hatred for your country and that of My beloved nation Israel with each missile strike that strikes your country having more pleasure with each strike than the pleasure that man has with that of a maid.” “How are we going to be able to survive all these attacks, God?” “You must remember Child, that your nation will as well have retaliated with your own missiles striking the bear and Persia and your missiles shall be true. Your country shall still have the ability to shoot some of your remaining missiles but not many. Kim Jong Un shall also fire his newly acquired, newly designed weapons of nuclei upon your nation as well which you will be able to respond to, as well as the other nations who will be assisting you, for the queen of the east’s land shall also retaliate, releasing her weapons of nuclei upon that of Kim Jong Un.”

“Tell me God, with so many nuclear weapons being launched at each other will there be any areas left for the people to be safe?” “Yes, Child, there will be but what you must realize the areas that are as you call ‘radioactive,’ they shall also be a hindrance to those attacking by foot upon your soil but look for the king of the east to allow at times his armies to cross these areas for, ‘He will have plenty of people to spare,’ shall be his callous remarks. He has allowed people to breed to increase his mighty armies and for this reason alone. There shall be what your government calls safe zones, areas unaffected by the radiation but many who survive these attacks, these strikes shall become sick from the fallout. The residue from the nuclei and many of those who hunt for food shall find themselves sick as well by eating these animals that were contaminated by the fallout as well.

Look for Wyoming to become a sanctuary city, a location of safety for a great amount of people. There will be other places as well but Wyoming you will find shall also have mountains and streams which shall help with the lack of precious water for your people. Think it not strange that if you look you will find this to be one of your least populated areas of now Everything that I do, that I allow is by divine ordination with a divine purpose and a plan. Look for the missiles from Kim Jong Un to once again strike your capitol city what you have named as Washington D.C. along with that of other locations for a total of 3 which shall be that of California which shall deplete your countries ability to manufacture and grow food adding to the already growing shortages of food. Look for the last place to be struck to be that of Nebraska as well for both states shall affect the ability to use the weapons of nuclei. California has many locations from which to store and even launch such weapons and Nebraska has the precious material needed within its mine to be able to manufacture such weapons. Although Wyoming also has such a mine as well, I am protecting this area to be a safe place for some of your people to be able to reside. You will find the striking of Nebraska shall also affect your country’s ability to produce food, for crops as well.

I tell you these things again not to cause fear but to prepare all who shall listen, for to be prepared as much as you possibly can shall help ease the burden of the many hardships of war. The UK, although her policy is to only use her weapons of nuclei if her countries are struck first, upon your country already crippled by the first missile attacks by the hand of Putin who has joined with Iran after the official declaration of war, she shall step in as I have prior said and launch her missiles against that of Kim Jong Un after his attack on your country. She shall cripple his country greatly. You will find Child that no matter how many preparations that you make you still will not be totally and completely ready for this war that all must face but you

need not stress over this. I shall step in and provide for those who are Mine and even their families for their seeds, their children and their children's children are blessed by you being My beloved children. Take heart! Take courage and in no matter what situation that you find you are having to endure, remember I have promised to never leave you nor forsake you and I shall walk with you everywhere that your feet shall tread. Whether it be on land or sea for all who truly love and serve Me, for all those who are truly Mine. I say to all now, you do not want to face these many hardships of war alone."

Deuteronomy 31:6 Be strong and of a good courage, fear not, nor be afraid of them: for the LORD thy God, he it is that doth go with thee; he will not fail thee, nor forsake thee.
