

Checkmate Again Lucifer, for My Children 8-19-26@12:23 PM Shared 8-20-26

"Will you take down My words Daughter of Mine? I have somewhat to say this day." "Yes, my lovely Jesus Christ, I will."

Hard times are coming, Daughter, not only to My people, but the inhabitants of this wicked, cruel world. Hard times for the wealthy and rich, hard times with the poor and all in between.

The antichrist's well laid plans prepared for him centuries in advance are falling apart. Each detail, the kingdom of darkness has meticulously planned by their manipulation of mankind and society is failing. They have been building, planning, scheming, stockpiling, growing, producing underground, and under the waters and oceans deep. Their medical advancements, their technology advancements, and electronics far surpasses what is above ground with many of those working for the kingdom of darkness still believing they can outmaneuver My holy commands and judgments issued from Heaven's throne.

Each time they have tried to bring more of such like from beneath the waters and the land for most, their cargo was destroyed before it arrives at its designated location, or it makes it, but soon that place is somehow destroyed. I have said, for most, because Daughter, I have allowed some of electronics and programming, even scientific formulas brought up and once imputed or connected for use, it released a different kind of judgment for their disobedience. It has released in various forms by holy command, a purging of the systems, a purging of all memory related directly and indirectly. It has caused....which will soon be discovered for those not yet, irreparable damage to the electronics and the technological part, and all that's related shall be purged out from man's or the dark kingdom's hands. It has now become useless and garbled information that no computer, no demon, no ancient fallen one dark lord shall ever be able to decipher.

So far Daughter of Mine, for these end time days when the man of sin, antichrist reigns, he shall be far less prepared than he was only 4 years ago, because it's not his tribulation or his day. It is the time for holy wrath to be unleashed upon a world that refused to bend their knees and repent in their hearts for their sins, because they are grievous. Man sets before him idol after idol in many forms before his eyes and takes them to be the god he chooses to worship. Even worshiping himself as god at times.

Antichrist is part of the judgment upon the world during this time. Wicked people whose hearts are stone cold, and are stiff-necked and rebellious, living in debauchery, adultery, fornication, homosexuality, and so much more, for your evil, wicked hearts I give to you the man of sin who will show you no mercy, who has little or no value for your lives. Livestock and cattle will be treated better than you. Because those who will still refuse to repent now I say this. I place you in his hands to do however he sees fit, for he is the puppet that your true master, your lord lucifer, your lord satan will be mostly controlling.

Now lucifer, kingdom of darkness, pay attention and hear Me well! You have abused, beaten, murdered, slandered, tortured, manipulated, deceived, stolen from My children both physically and spiritually. My children are taught in the physical world to turn the other cheek. To trust Me

to supply their needs. For them to love and forgive often, even always and let Me take care of any recompense needed. This I do now!

Although your part was used to purge, try, and test My children, I still warned you not to touch My children who are My anointed and My prophets. You know the consequences more than others O' fallen ones having spent time in various locations of imprisonment for your sins of rebellion, sins against mankind and all of what's created. Including the Earth itself that cries out for Me to step in and help... with most imprisonments being in the deeper recesses of the abyss in the darkness of terror that's alive and will soon cover the Earth for three days. I have already taken from you again your nephilim children, but 10%. The 10% are already marked by My Holy Angels to be spared. I have reduced your ability of how many of your kingdom will be able to pass over, be pulled into the physical world, its realm as the spiritual and physical merge fully into one, by the reduction of your portal opening devices and technology.

Now I pass holy judgment upon you in recompense for so many wrongs you have done against My children. When the merging of the physical world and spiritual realm are united into one, at this time those who don't make it through shall be bound and sent to the tormenting levels of the abyss until the final day of judgment itself. Now hear this lucifer, fallen angels, when the darkness lifts, and My bride has been removed, those left behind, except My two end time witnesses in waiting, will not be able at first, to stand against your vast numbers or your ruthlessness. Still yet, many of you are needed to aid the antichrist and the fake alien delusion that is allowed to come upon the world of man and the inhabitants of the earth.

Not every nephilim knows their true angelic bloodline and many shall also be followers of the fake aliens. Now you know also kingdom of darkness, with those paying attention, not all of the 10% of them left alive shall be loyal to you like those already working with you in your evil kingdom. Should you decide in your cruelty to try to kill your own children you consider the lesser, and you kill one that has been marked already to be spared, you do not receive another one to be marked to take the dead one's place. All are marked to be spared and no other shall be marked for sparing at a later time. I said all this so there aren't any misunderstandings, nor shall there be any petitions heard on this matter and judgment. It has already been sent out and taken care of by the Holy Angels who love and serve Father and Me.

Concerning your numbers that shall be on the earth after My bride has been removed, for those of Mine still on the earth and those to come, I am aiding in advance to level the battleground for their survival until some accept Me Jesus Christ into the hearts as their Lord. So My children are not immediately hunted down and martyred before their time to die and for those who shall endure to the end during the most horrendous time of famine, terror, troubles, persecution, martyrdoms, and holy judgment raining hard, fast, and without mercy on the world of man and the inhabitants of the earth, I issue now from My throne in Heaven as the Righteous Judge in accordance with My Father, the God of Heaven and Creator of All's will that once My Great Day of Wrath begins, the tribulation period on the Earth in which antichrist, the man of sin rules, your total numbers of all.... after the realms have merged into one shall be reduced to an allowance of only 45% of the fallen angels allowing to remain in the world of man until the end of days. If your numbers get reduced during this time, then it does not increase back up to 45%.

Why do I say this? Because My 144,000 shall have the right to judge you, bind you, and My Holy Angels shall restrain and remove you from the world of man where you will be cast into the lower levels of the abyss of tormenting darkness with your nephilim children and others, but you will never see or hear them. You know already how it is there. The 65% to be removed shall begin being removed without any notification. All who are to remain shall be marked once the darkness lifts and the 45% shall My Father determine. This still leaves My children in peril at times because fallen ones, your cruelty and hatred for mankind leads you blindly around to commit destruction and death, but still bringing you no comfort for your brutal, evil actions. It is you who walk around as tormented souls, though you try to hide it from those who serve you so faithfully.

Now I speak to you on another matter, kingdom of darkness. That what you have feared the most that would give you no hope to stop My end time days, I have taken from you already and you aren't even aware of it. When you looked into the skies and saw the dual suns and even the dual moons, I heard you gloat within yourselves as you smugly said amongst one another, "See the dual suns! See the dual moons! That's still proof we maintained our ability to manipulate, in some ways, time and space, the Earth's timeline. The Nazarene has erred. He is wrong!" Am I? I think not!

What you are seeing is the result of the Holy Timekeeper on Earth appointed by Heaven, the end time witness, one of the two, who has done this, not you! She has done as My Father's Spirit, the Holy Spirit has instructed and taught her to do in the power of My Name alone. She now contains all 7 black cubes within her mind and DNA. You cannot stop her for this is part of My power that has been bestowed upon her as My witness with the knowledge utilized forever and only through the Holy Ghost Spirit.

The last 4 black cubes you have moved, hidden, and locked away are delusions. They are empty shells, empty containers. Because what you feared most, the ability to not be able to manipulate Earth timeline, it's days and happening so the Earth will not be purged by fire and you can live and reign on the Earth....the fear of not being able to prevent yourself from being thrown into to Lake of Fire is now upon you. That which you feared the most fallen angels is that which has occurred next to being thrown into Lake of Fire itself. Now that I have revealed this, you can look upon the 4 remaining black cubes in your possession and you'll find they are empty of all knowledge from Heaven. In addition, from the moment I have My Daughter to release this word, you will no longer have a clear understanding of how the Earth's timeline was constructed.

Again, I say, you have reached an impossible roadblock in your quest to advance and with each attempt to continue, I shall take from you more and more knowledge, technology, and understanding, including that which relates to your internet and computer systems without any hope of ever retrieving one word of it ever again. This is holy, just, and true judgment from My Father handed to Me to pass to You O' fallen ones, corrupters of the world of man. Man has continued to fall into sin because of your manipulation of their free will.

Now we advance to My Great Day of Wrath and Tribulation without you, kingdom of darkness, possessing any ability to manipulate the time and days of the Earth's timeline which is where

space and time exist. This has already been executed. These happenings of the black cubes have already transpired. It's irreversible.

I say to you kingdom of darkness, 'Checkmate again! Checkmate for My children, lucifer!' Now we proceed into the tribulation period... My way. We enter it together, as My Great Day of Wrath, as it should be and still aiding and protecting those of Mine. Because I love them. I do all this for My children. Daughter, I'm done speaking for now.

Verses:

Isaiah 24:21-22; 66:4; Job 3:25; Philippians 4:19; Revelation 11:3-4; Zechariah 4:11-14; 13:9; Acts 1:8; John 5:22; Hosea 6:5; Isaiah 24:4-6; 46:9-10; Psalms 55:22; Galatians 1:8; 1 Corinthians 6:3; Matthew 5:39; 18:21-22; 25:41; Jeremiah 12:4; Romans 8:22-23; 12:19; Luke 6:27; Deuteronomy 32:35; 1 Chronicles 16:22; Mark 11:25; Ephesians 4:32; 2 Thessalonians 1:8; Revelation 20:10-15; 1 Peter 6:6-7; James 1:2-4; 12; John 16:33; Isaiah 41:10

Note: Concerning the 65% and 45% difference in the amounts.

There will be a percentage of fallen angels that have infiltrated families and such like that Jesus Christ has already issued judgment against that will be removed before this.

Out of those that are unbound and in the world of man after the darkness lifts, that number of fallen angels will be reduced to 45% of all the remaining total.

But when you take the percentage that will be removed before the 3 days of darkness lifts, and combine it to what's being removed after the darkness lifts (55%) in cos out in reality a combined total of 65% that will have been removed from start to finish of His holy judgments.

Father God & Jesus Christ deals in absolutes and truth. He hasn't to my knowledge began removing and sending to the abyss the fallen angels hidden in families and such like not needed for His Great Day to be fully carried out in the tribulation period.

The combined total of all being removed by holy judgments Jesus Christ has issued against the fallen ones directly about being sent to the abyss and such like will be the 65% He has given in this last word. Remember God's ways are not our ways and many times He says things to get your thinking to be expanded and for you to always seek Him further for understanding. In other words, to get your mind out of the pre-programmed boxed up way of thinking of the world, because nothing is impossible with our amazing God.

Please try, test, discern and pray about all this in the mighty Name of Jesus Christ.
