

Peace Fails, Liberty Falls, Lights Out, Sorrows Come 6-17-26@3:01 PM

Daughter, the time has come for the world to see that it is My Father who sits on the throne. That it is I who sits beside Him. We are one, yet We are also separate. I charge you this day, Daughter, to deliver this word in my name Jesus Christ, Yeshua Ha' Mashiach and My Father's Name Yahweh, Elohim, the I AM THAT I AM.

Mankind is entering the last days of the last part of the age of time, created for the lifespan of this Earth where man and fallen angel rule hand in hand. The people, the inhabitants of this world look on anxiously by all that is playing out before them on the world stage. Except those who are now rooted and grounded in Me, in My Father through Me, for no one comes to the Father, the God of Heaven but through the Son, His Son which is Me. Peace will not stand, but shall fall again. For it is the man of sin, Macron, that in the end will bring peace to Israel, not Donald J.Trump. He is a decoy to cast the world's eyes upon him, on Obama, on Jared Kushner, and so many more that each one is the antichrist like all the others.

Israel, as I warned, is embracing a false messiah, but it is not the false messiah antichrist that shall bring a moment's peace to the world. This too is allowed, because it is written many false antichrists would come into the world. The reason behind the embracing of Israel of this first false messiah, Daughter, it's to allow Macron to enter his position as elected world leader, supreme leader of the world smoothly, and for his new world government and enforcers to seize control of the nations' heads of states, rulers, and presidents left still in office and install his pre-planned government and church with ease.

So, cast your eyes to the Middle East and see Israel, the prize. This land belongs to Me, chosen by My Father. The descendants of the twelve tribes of Israel whose names are written in My Holy Word are My chosen people with those who have accepted Me into their hearts as Lord being included, adopted into My kingdom. Many of those installed and elected into key positions of leadership are not true descendants of the 12 tribes of Israel, but are the synagogue of satan, hidden under layers and layers of deception and record alterations. But I know who are Mine of both Jews and gentiles, and those who shall still come.

I'm taking control out of lucifer's kingdom's hands in 3-2-1 days of hours to come to be, as I see time Daughter. For I am God, I see time. I created time. I know time in every way it is possible for it to exist.

Hear Me Daughter. Declare it out loud! Your time has run out, world! Shout out loud, you will declare peace as you have done. This is a game to you, leaders of the world, as you play your parts ordered by lucifer and like puppets on the string you obey. 'Peace,' you declare, but sudden destruction is what you shall receive. I say again, I'm taking control, visibly of this world which is rightfully Mine. Vengeance and wrath falls. So while you perform your grand play of this nation rising against that nation which had to be, for it is written it would be so in My Holy Word.... When your key players are ready to take a step forward..for peace shall fail for Israel, you will soon find I shall end it Myself.

In one explosive moment times 3, as Babylon-America falls, so shall, soon I turn off the lights for this world. Every light source inside this created firmament powered by man, powered by fallen angels and this world's technology, all the technology above and below the grounds and waters and what remains in the heavens shall fail. My children alone shall have light, for I am light. I shall be their power source of all that they need. So you see lucifer, there's no way anymore for any of your kingdom to partake in any way of Heaven's light during the 3 days of darkness. Even if you're in the same room as one of My own. Not until I release you after your allotted time in the darkness of horrors has been endured.

Once released, you will see again so that what I have foretold would be. The bringing forthwith of your kingdom to the physical realm. Those who make it through safely, shall become a reality. The newly and recently bound by Heaven shall remain bound. Those who do not make it through from the spirit realm into the physical one before they become merged into one realm, one world again, you will be bound too as all await their final judgment while they are held in the deepest recesses of the pit.

Father is ready for His children to come home. I'm ready to bring My bride to Heaven. I shall honor My Father as I present My bride, My beautiful bride to Him in Heaven. For He is Father of all and Creator of all.

Daughter, Babylon-America's sorrows are ready to begin, but at the end of August, for this once great nation, sorrow comes again. At the end of August Daughter, sorrows come. As August begins winding down for this month, rain shall begin falling of another sort. One of ash. One of dust, and one that brings radioactivity that starts not from the ground, but the sky after Lady Liberty has already fallen. The world has become like a powder keg, before it explodes pressure will be released as Manhattan falls. But look again, because not only Babylon-America's wicked financial city falls, but so does her land.

Sorrows, sorrows, sorrows have come. For you O' Harlot America-Babylon at the end of August sorrow comes again and this time you will find it comes from Putin's hands. He's tired of waiting and playing cat and mouse. He's ready to pounce, but he comes as a raging, roaring, poisoning bear. One of his preferred weapons of choice, but this one starts the raining from the sky of nuclear missiles of many, that shall cause many to die.

Daughter, it's that time! So I take My children home and I'm presenting Him with My bride. The greatest honor I can give to My Father.

But first I warned you lucifer, I take out the lights and when the world restarts and your puppet antichrist takes the stage, your puppets performing will do so as they try to dodge and move out of harm's way for My great wrath I will be pouring down. There will be no interlude of time in between each occurrence as it has currently occurred in the world of man. For you to understand what is coming, devil, this I shall say. It will be like the whole world has entered the greatest roller coaster ever created and I am at its controls. You are not prepared for the holiness and righteous vengeance I bring to this world. You will receive no mercy at My hands, nor from My Father.

Understand this! When I say, 'Lights out world,' at noon, you lose all control that's been allowed as I take full possession and command once again. Then devil, you and your kingdom will know that it is Me, your Holy God you are running from as you try to escape and evade this All-knowing God.

Hear Me! Hear Me! Hear Me roar and when I do, it's over for you kingdom of darkness.
Daughter, I'm done.
