

4-2-26 Word Concerning Internet Banking Issues Confirmed 4-7-26

Word delivered on Telegram, Facebook & Youtube 1 & 2 posts on April 2, 2026. It was delivered on the Circle of Stones Dream & Word 4-3-26@1:01 AM & 5:16 AM Video. From 0:39 to 1:15 mark

Before we get started, before I prayed, I was told to share this is a brief word I shared on Telegram and I shared on um the YouTube channel post. There's two, the backup channel and the other channel and also on Facebook. And it was just a short line, "While praying in Jesus Christ's Name, I heard, look for internet related bank issues to come." That was April 2nd and I delivered it yesterday morning. "Look for internet related bank issues to come." And not all these words just pertain to the United States. Just so you know, they don't. They pertain, a lot of things actually worldwide. Let's pray.
