

My Children Will Be Bold & the Vatican 9-16-26@4:47 PM

The time has come, Daughter, for the world to see what the true and mighty holy Right Arm of the Lord can and will do.

I send to you, world this warning. I have not diminished in My power when I destroyed fully the kingdom of darkness' hold on the soul of man. All who choose to be free can walk away from the evil kingdom of darkness into My Holy Kingdom by accepting Me into their hearts as their Lord.

I break the chains of every stronghold built around their lives. No one else can do this! This I shall do for all who still choose to come to Me for I will reject no one. But I am Truth and know if the heart's cry is really crying out for forgiveness and redemption. To those who come and will still come, I am the Savior of this world. To all others I am the righteous Arm, His strong Avenging Hand of righteous justice and judgment.

For My children, My beloved children I am their Divine Protector. I hear each of their cries. I see all the wrongs and persecution they receive for My Name's sake. With many times them being unaware that the vicious attacks they are receiving are from the ones they call family, friends, and acquaintances in their everyday life sent to infiltrate their lives and to destroy them if possible. The persecution shall refine My children and My love through their forgiveness of your evil kingdom's acts, dark kingdom, shall be your kingdom's downfall and is already.

You're going to find in these latter days, Oh, watching world, a resolve, a strength, power, and grace in those of Mine, not all, but many like Jeremiah the prophet, will not be... cannot be broken or made to renounce My Name.

World, you are not prepared for such as these, My children to come, with some already here and fully awake walking among you in absolute faith of the power and authority of My Name. My children in these times will rise from the ashes and for many from the realization they missed My return and will no longer be the weak-willed body of Mine who compromised and had a love affair with the world.

There will arise a boldness in them like My disciples after the Holy Ghost Spirit descended on them. Like the boldness of those in pastimes who before the evil Nero and other rulers refused to renounce My Name no matter what torture they endured. No matter what was done to them or others they will have known.

This My remnant shall be an army of their own besides My 144,000. Many shall give their lives for My Namesake, while many others will be taking the safety in which some will perish at a later time. Meet My remnant church, My people left behind! Meet My Army of Love that once almost wrecked your kingdom with this great force in time's past.

I say this now, you've not seen nothing yet! Although yes, they will suffer for not being ready for My return. In a time of such desperation they shall feel My Love strongly. I will not abandon one of them to stand and face anything alone even now.

But as My Father's Avenging Right Hand, I send forth down now more holy judgment in preparation for the tribulation period to come which comes swiftly.

I send to Massachusetts this warning. Your unrepented heart is cold, stone cold, bitter cold for most inside your walls. Prepare I say in righteous retribution for your unwillingness to repent cold, coldness to your front door.

Anomalies in and near the Bermuda triangle now being seen are nothing more than the weakening of the forces that keeps hidden the kingdom of darkness' hidden activities in this area. This is due to the weakening of the black magnetic rock mountain whose once stable patterns beat through the world like a heartbeat, but has now become slower and erratic. This is evident by the anomalies here and other places now being seen by those who seek My truth. Instead of giving all credit as to being some hidden secret weapons of lucifer's kingdom he then hides behind, as they frantically try to stabilize and keep hidden what the upper world of man is not yet to see.

I send now to the land of the Philippines another type of shaking.

The time of great waves and tsunamis has arrived in the world of man as I rock and shake this world and churn further even more the waters of the deep.

Daughter as I send forth these holy judgments as you well know, it's not the obvious every time, in how they are fulfilled, for I am not limited by man's expectations.

Look for those in Lake Tahoe to receive a double shaking.

Watch the animals around Yellowstone for they are connected directly to creation. In their actions and reactions danger can be determined. Confirmed by Me for all who seek My truth if My hand is moving in such a way or not.

Germany, Germany, land of greenfields, land where hidden beneath its depths is still a seat of power and evil for the demons of war, for baphomet and other false gods, a shaking, a burning, a purification comes your way. I begin sending it now. It shall start small and continue to steadily grow. Where I will purge this evil stronghold once and for all above and below ground.

Frankfort, Berlin, Worcester

I send to Westminster a troubling of the courts. There is much evil here.

I send to Rome another burning. I send fire. I send purging hot, white hot fire. Your stink has reached to the heavens. Your evil deeds, hidden and done under the cover of My Father's Name, of My Name shall no longer stand.

It's from the Abraham Accord in which the one world government's religion shall be birthed from. You, oh wicked city of evil upon evil called the Vatican are no longer needed for these evil

times. Destruction comes your way! All your hidden treasures beneath the ground I shall bury to never be seen again. All your ritual sites for human sacrifices I shall bury too.

My anger shakes upon you, vile city of the Vatican. My anger, My Justice shall shake, rip, burn, destroy, break apart, and tear down your iron control grip upon this world. And this control I now grant to the man of sin to fulfill his evil rule upon this earth.

This vile city's life shall end, I declare in holy justice.
