

Bad Fruit And The Dark 4-18-20@4:18 AM Journal Entry

“I’m here Lord this morning once again and although I am not feeling well within my body, my spirit inside of me is soaring high in eager anticipation at knowing once again I get to spend precious time with You. Heavenly Father, I love You with all my heart. Just listen as it cries out for You in great longing.” “I am here Child, sitting on the edge of time.” “What’s that like God?” “It’s actually quite wonderful, Child, and it’s something you will be able to do once you receive your new glorious body when you come to Me and live with Me in Heaven.” “This world, God, we as a whole people, we are in great trouble and distress right now, aren’t we?” “Yes, Child, you are but the condition of your souls is in dire straits, For precious few have been receiving My Son Jesus’ precious gift, His sacrifice and offer of Salvation. Yet again My people who already know Me in their hearts have... many of them... grown cold and distant and they no longer share My love to their lost.. any of the lost. Not only by their blessed voice that is given, but their life no longer reflects Our love either.”

Surely you shall be, and are known by your fruits, for all that grows whether it be good or bad shall all men see. Many of your world’s fruit today as a whole is comprised with the fruit of complacency, of discord, non-compliance also being that of disobedience and selfishness. If you look closely in your world you will find that self centeredness to be the most predominant along with hatred for each other. When My precious Holy Word says to love thy neighbor as thyself and to live peaceably among all men. Child, how can you reach the lost when you have returned unto the darkness of your world, no longer part of the light? When you had received My Son into your heart, you became the light. My Word again tells you that you have become light. That you are the light of the world...no longer of the darkness...set apart. Have not I told you already to come out from among them and be ye separate? These are not idle words that I have spoken in times past but are just as prevalent today as when I first spoke them. Put on your listening ears and hear My voice, My words today for tomorrow is not promised and you're lost, are going to hell! The time to do something is now Child, not tomorrow for many are perishing daily by their various afflictions including this Covid-19 virus and if you want Me to truly heal your land then the cries of repentance must needs rise before Me.
