

Kim Jong Un 12-26-19@8:09 AM

Words God spoke to me while praying, “Kim Jong Un is only a small part of America’s problem, for when a nation as a whole forgets Me, forgets God, then My favor is no longer upon this nation nor will they hold favor with the people of other nations. WAR IS COMING TO YOUR NATION Child. As the enemies of America begin to unite, so shall the downfall of your once great nation begin, helping to pave for antichrist to arrive on the scenes of life.”

A House Divided 12-29-19@2:59 AM

Words spoken to me from God, “This country is divided within itself and it shall fall and the fall shall be great. For a house divided within itself shall not stand!”

Mark 3:25 And if a house be divided against itself, that house cannot stand.
