

You're About to See the Full, Raw Power of the Angry God 10-4-26@11:26 AM

Hebrews 10:30-31

30 For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people.

31 It is a fearful thing to fall into the hands of the living God.

Micah 5:15 And I will execute vengeance in anger and fury upon the heathen, such as they have not heard.

"Lord Jesus Christ, my Love, I'm here."

Daughter, Destruction's hand falls; it falls hard and heavy.

Your world is about to see the full, raw power of the angry God of Heaven, Yahweh, Jehovah, Elohim displayed like never before, but threw Me, His Son, openly through Me.

Your world's governments, militaries, and agencies have dealt for many years in the use of the fallen ones' forbidden technology and knowledge given to them in exchange for their unquestionable loyalty. Through these types of technology, man has weaponized the skies, the seas, even the Earth below with their wave technology of all sorts. Technology that manipulates sound and vibration, light refraction, and more to create weather control technology that manipulates the weather of the earth used in a war-like nature against each other's nations.

They have earthquake technology, which when directed and focused at a focal point can cause the Earth to shake, recreating seismic activities on land and in the seas; the water's deep. They carry these devices by ships and by air. They host them in the sky cities and the so-called space stations. They host them on the land and fix locations. I see it all. I know it all, and I have declared this type of technology and control will be taken out of man's hands and out of the fallen ones too.

What I have allowed until this is fully done is for them to turn on their evil devices with their evil agendas, and once activated and used, I take the attack they have sent out and change its direction, its fury, and its purpose for that of My Father's and Mine. As I have told you before, Daughter of Mine, I am in control of the weather inside the created firmament in the world of man and not any other being, spirit, or entity, for I am God, I'm God's Son. I have commanded it, and it is already done.

Now hear these words I speak. Let it be known it will not be man, it will not be demons, or the fallen angels, it will not be the man of sin, antichrist that will ever again in any way be able to manipulate the Earth's activities, it's weather, it's shaking, the mountains of fires erupting, or any such like when the Black Magnetic Rock Mountain shatters inside the coming three days of darkness.

For it is written; it is by My holy wrath, the Day of Mine, that comes in; all that falls from the sky, all that quakes, all that is foretold to burn, to be poisoned, will now fully be in My control to fulfill that which is Written, commanded My Father God, My Father.

It is just and right that the evil manipulations of nature, of the earth, its waters, and all that resides inside the firmament made for man and beast, and all of creation to dwell in would be the cause in righteous judgment of how many of these seals and trumpets shall be accomplished. Even though a single command by Me would do it also.

Antichrist, lucifer as you look up at the blood red skies that you will grow to loath, you will always know you and your kingdom played a big part of creating the circumstances for the sky's color to be permanently changed. It shall stay red until the time of My Millennium Reign, in which the sky's true color will be restored once again.

You're manipulation of the Earth's crust and below, the constant poisonings, drillings, burying of chemicals, the cern type scientific experiments, your weapons' testings of mass destruction shall be the primary cause of the Earth's destabilization from steady to shaky but still all controlled by My command.

So, kingdom of darkness, as you try to rule this world, which you will for the allotted time, you shall do so forever on shaky ground, realizing you were the majority of the cause. This is a just, fair, and righteous judgment. For you will not be able to deny to yourselves that your actions do not carry a consequence.

Oh foolish kingdom of darkness, you fallen ones who have already felt upon you the weight of Righteousness' Right Arm of Holy Judgment from the Throne of Heaven have continued to deceive yourselves into believing your sentence is served. There is no double jeopardy. That is the world of man. In Heaven, there aren't any accidental wrong judgments, no mistakes. You are guilty again of many atrocities.

Not one weapon or its technology shall ever again be possible for you to weaponize the sky, the seas, or land of these types and nature of such devices and electronics. What still, and only shall be allowed by holy command from Heaven is the use of the technology needed for antichrist to maintain his control, to war against other nations and the other nations to war as well, his mark of the beast which contains his 10 medium size data centers.

The use of some sound waves and technology shall be available at first, but shall diminish as the fragmented pieces of what remains inside the Earth of the shattered once Magnetic, Black Mountain continually dwindles until it fully becomes depleted. When the sky across the whole firmament turns red, then you know O' world it has finally been fully depleted and Great Tribulation shall come in many ways as this will also throw antichrist into a rage. Deaths, deaths of so many shall fall thereafter of both his friends and foe, for to him, they're all one in the same.

This Daughter is what's coming. In all this, My fury shall be unleashed. Much of what is to come is not written, only a timeline of events.

This world has never seen such a display of raw, holy power that's going to be released, but in a just, systematic release, and much I say again, much will be for all the innocent blood shed that never stops crying out to Us, their Creator, for holy vengeance. This time, it is now.

I warned Babylon-America they were not prepared for the battle, the one-sided battle I bring to their shores. I have warned the world as well. Now I send it one more time before the tribulation's door is fully opened to never be shut until all things be accomplished.

You are not prepared for the unleashing of the white, hot fury of the Creator of All who brings fiery justice and just recompense to an ungodly, unthankful, evil world of self-absorbed, idol worshipers of false gods, of self, of anything that they can call a god. Not one will be spared the horrors found inside this period of tribulation.

Now weep, weep, and cry out in despair and anguish, O' world, your hidden sins are not hidden. Your evil deeds demand a just recompense. The innocent, alive, and dead cry out to be vindicated, and I am doing just that by My Father's command.

Hear Me roar, for I bring this to your world now, I say, now! Now repent while you can or die in Your sins!

I send burning hot, white hot judgment down from Heaven's Throne that cannot be disputed. It is A FEARFUL THING, you will see, to fall into the Righteous hands of the living God.... and this world you have just done.

Hear Me; you're fully in My hands now as Righteous Judge and Holy Avenger of the wronged and innocent.
