

## **Babylon-America Are You Prepared for Another Round? 3-15-26@3:33 PM**

I want to talk to you for a moment about coming things upon the Earth, My daughter. I have awakened the sleeping chambers of the nightlife of the animals, critters, and creatures of the night time hours in the land of Babylon-America, as My hand of fury falls further upon this wicked, evil land and generation.

The hour has come to awaken all that is sleeping and dormant in the Earth's core and crust, in the waters, in the seas. I give this command now, 'Awake, I say, awake now!'

Judgment's hand falls swift, steady, and accurate with the precision of holy righteousness and justice. When I move, the destroyer moves. When I strike, he strikes, for he can do nothing but obey My holy command.

Fiery justice has come, daughter. I wake up now, the torrential rains and empty them even more upon you wicked, wicked Babylon who sells your children as slaves for sexual and perverse pleasure to the highest bidder, or even the lowest. Because a child, a baby can be used more often than drugs. It's more profitable for you to sacrifice your children to pad your own wallets. Many sell their children, abandon them, even murder them in and out of the mother's womb so they can continue on their path of illicit sex and promiscuity. 'Why should a child be allowed to interrupt your selfish fulfillment of self-pleasuring, fornication, adultery, and other abominable sins?' This is what you say.

Each deed, each act, each word and each thought is taken down and recorded. Your very thoughts testify against you America-Babylon as so do the many other unholy nations and people of this world. You do not stand alone in this, but you are the root source for the moral failure and decline of many other nations who look to you for leadership and guidance.

Instead you took advantage of their resources. You stole their gold and money under the guise of military operations. You created scenarios given to the world corroborated by other nations aiding your underhandedness which appeared to legitimize your military presence in their foreign nations whose people were not the threat or evil, but you were.

Out of the bitterness of heart by your stranglehold on other nations, America the bully has caused hatred to be birthed into many hearts. These are those who willingly and gladly joined Putin's unholy coalition and will show no mercy to your nation and its people. To receive mercy you must give it. Babylon-America of this you have given none. Not even to the majority of your own people who were birthed inside your walls and borders.

I speak again of these things as Righteous, Holy Judge so that you have no misconceptions or misunderstandings of why I am destroying you Myself. Your insides are rotten like the core of a rotten apple who's outside in deception looks beautiful and red, appealing to all who wish to partake in her fruit.

In the days to come you will O' America-Babylon see how swiftly My strikes come upon you on the battlefield of war you started. A nation, a people who forget Me, their Holy God and Savior

will be turned into hell My Holy Word says. What exactly does this mean? I shall answer this daughter for you and others. Every form of hell on Earth this nation shall experience. When I have finished unleashing all of nature's fury and releasing all the treasures of the heavens, the waters, and the land, your nation's land in many places will look like a war-torn land even before the nuclear suitcases and missiles strike true inside your nation's walls.

In addition, I have turned control of this nation into the hands of lucifer's puppets as he pulls the strings manipulating them from the shadows. With My open declaration of war upon America-Babylon, I have removed My presence from your land except for those places that I permanently have sealed as Mine for the days to come. This includes the protecting of My children and many of those still to come to Me. Then your nation shall experience another type of hell on Earth as she is turned into the horrors of war upon her shores and land.

Have I now Babylon..... After all this, that has already come and is coming still..... Got your attention wicked, evil America...Babylon to Me? Are you prepared, O'Babylon-America for another round?

Daughter, look to the east at the current war at hand. Israel is about to receive a defeat of an unexpected kind. As the world looks focused on Israel and Iran, it's in the shadows of these attacks that Putin again makes an astounding move against Zelensky's Ukraine.

Now look to the south of your nation's borders, daughter and see the uproar and unrest in Mexico's people, the people from the land of the South. Things are not as they appear to the looking eyes. For what better way to conceal your military preparations for war than with civil unrest for the world to see? Is it not so daughter? It is, and America-Babylon's borders are its target.

I send a tsunami against the land of that Aborigines, of Australia as I spoke to you before daughter, but not as man suppose. Not of waters that rise high but of tanks, boats and planes as Australia shall be made to enter this war instead of remaining neutral. All able-bodied men shall be called into war just like the land of Greece shall find itself drawn into this war of nations also.

The queen of Denmark shall rise up and make her stand with the evil Putin only after this war has already begun.

But before this time arrives I bring the 3 days of darkness! I come for My bride. For in the midst of this time of war as Putin steps out further, I shall begin pouring out My wrath upon the whole world and not just Babylon-America alone.

I send a fury, a fury of storms toward the east, and east coast like few have seen in their lifetimes. When I'm done with you America-Babylon for all the evil you have done and your failure to repent of your sins, no one will ever sing about America being beautiful anymore. For I shall also reveal to the world your hidden vault of dirty secrets and doings.

My back is turned to you America-Babylon. I will not hear your pleas, your cries, your begging for mercy, for you made it clear to all in the world I am not your chosen God, but lucifer is. As

time passes and you finally remember My goodness, when you're humbled and dying in your own polluted blood, when you call out to Me in true sorrow of heart and true repentance, then I, I will turn around and face you once again. If you are true to Me, I will be your God and you My children that I will see you through until your end. Whether that is by death or you endure to the end. This is how it is America-Babylon, this is how it is.
