

## **You have all Power In My Name, Use It! 8-26-26@9:51 AM Shared 8-28-26**

Lord Jesus Christ my Love, Lord God, I am here.

Daughter, oh Daughter the sins of the many are grievous. Man lays with his own kind and woman with hers. This is an abomination and a stink. A stench that reaches My Heaven and brought to mankind through the evil thoughts and ways of the fallen ones. The angels that committed and embraced sin so readily. Such perverseness is driven by a perverse spirit that if not bound and cast down in My power and Name, possesses and enters that person, that body, controlling and manipulating that person into further depravity of such immoral sins and actions. This is what evil demon spirits and yes, all demons are evil, are sent against the many people and inhabitants of this world even still today.

My people, My created people need to be set free and delivered! This is what My church, My body, My bride all are called to do. If not them then who? For no one else contains the power to do so. It's through My Name alone Jesus Christ, Yeshua Ha' Mashiach that demons flee. They can be driven forcibly out of all needing deliverance in faith in My Name alone. Yet so many of My very own who have accepted Me into the hearts as Lord and Savior are bound up, ensnared, and trapped by the enemy because they refused to resist the enemy, the devil, the demons, his kingdom's attacks in My Name when they have the power through it to send them fleeing in terror.

Few of My children realize today that the enemy's kingdom is terrified of My power, My Name given to Me by My Father because inside My Name contains all I have done for mankind. This includes defeating the whole kingdom of darkness by all I have done for My children and those I knew would come later after My disciples I had here on the earth when I walked it as both God and man. I have done what no other man, or spirit being could do, because I am God's words. His commanding voice, the part needed for man placed inside a body He prepared for Me so I could redeem the world. But even before I died for all mankind, I still possessed the power of My Father that became fully activated when His Spirit descended and entered Me when I was baptized in the waters by John. Why until this time?

Because the Father and the Son and the Spirit work together as One, even on the earth as in Heaven. I am His Son given a body containing the words of life, redemption, and justice. While the Holy Spirit is part of My Father's Spirit that has been sent down to man that can abide inside a man's fleshly body with his human spirit also. He is My Father too. This is why He is able to teach the truth for He is Truth, because My Father is Truth. This is why He is able in righteous judgment to reprove, correct, and convict men of their sins. We are all God, but also in different forms of Himself so that man could be redeemed. But also live victorious over the evil fallen ones and sin while furthering our Holy Kingdom of Love by reaching others so they can be saved too.

All this was not done in vain, but because the fear of Father, of Me, of the power of the Holy Spirit is great, the only way lucifer, the devil's kingdom had a chance was through trickery, deception, manipulation of My children and usually the attacks would begin through people they have come to love or know, whether it's family or friends. The enemy manipulates the emotions

and mind of a person to launch an attack at another if they have not been successful in the direct attacks and assault on the original target. My children have power through Me, through My Name! For the power of the Godhead resides in Me and My Name! Yet, few embrace this power, choosing instead to live as secondary citizens in our Kingdom of Light. Instead as the royalty they are now that they have been reborn into our Kingdom.

Behold, I said! Take notice! I gave My children all power over the enemy to tread over all enemies that stand in their way. Yet, instead of believing the truth of My words that they've been given all power over the enemy, they either tremble in fear before them, or they are partaking in the sins of the world of the dark kingdom. Minus the few who are rising up in My Name that have finally broken free from the lies of the enemy, and their faith in Me has finally allowed them to begin operating in My Name. If I give My children the power and authority to not sin, which is what you do when temptation comes and you resist it, then why do so many think I will allow sin to enter heaven? It will not.

When man is presented with a temptation, My children have been given the power and authority over the kingdom of darkness who is the sender of all temptation...and not Father and Me....to resist it. Resist the devil and he will flee, My Word says. You are also instructed to take every thought into captivity that goes against the Kingdom of God, and what knowledge and instructions you have inside the given Written Word. Temptation comes in the form of emotions and thoughts. When that temptation is not rejected it becomes a lust. A lust to continue, a lust to commit sin. You've been given a way of escape from every temptation, every attack sent your way that would be possibly conceived..... turned into lust and sin, through the power of My Name.

Use it children! Use your authority in Me and start resisting these thoughts that are contrary to holiness, righteousness, from that which is good. Clean yourself up by abstaining, by refusing to sin. But if you do sin, then come running to Me. Ask Me to forgive your new sins you have committed. I will. I love you. I want you to live holy. I want you to be part of Our Kingdom of Light. Come out, come out, I say. Live contrary to the world's ways of sin. Love those that hate you, yes, but never compromise with the enemy, because to compromise will cause you to walk hand in hand with the spirit of error. One of many such evil demon spirits roaming your world looking for someone to deceive and destroy. Then you have those demons sent out on direct assignments against you. Do not fear them!

I have overcome them. I have overcome the world. I have overcome the whole kingdom of darkness and I live inside of you, My children. Now wisen up, My children! You don't have to be defeated if you walk in faith unwavering in the power of My Name, but to do so, your life needs to be clean of sinful actions and deeds. Get the sin of your lives, children, and walk in My power and authority which is your rightful heritage through Me. I love you, My children. I'm waiting with arms open wide to receive all who will come to Me. I love you, My children, I love you.
