

The Pyramid Dream 6-13-26@ 4:42 AM

"I dreamed again, my lovely Jesus Christ. I have prayed and tried this dream as well as other holy ones and it discerns as true from You and Father God. Sweet Holy Ghost Spirit, don't let me write one word that's not from Father God, Jesus Christ, or from You, my Counselor, Teacher, and Friend." "I won't Daughter of Zion, now write as I show you this dream from Heaven once again." "Okay, thank You and thank You Jesus Christ my love."

It began when I was standing outside in a desert region. The day was clear. The sun was hot. There before me was a very tall pyramid. "One of the great wonders of the world," the thought entered my mind. I realized I'm in Egypt and this is one of the great pyramids. I could see people nearby that looked like tourists. Then suddenly I'm whisked away as if a hand picked me up and set me back down in front of what looked like an ancient pyramid type temple. Only the top part was flat and not pointed.

It reminded me of the Aztec style temples I've seen pictures of. Upon this knowledge, I'm whisked away by the same powerful force that felt like a man's giant hand gently holding me, only to be set down again before another pyramid type structure. I looked up and saw it had a pointed top, not flat like the last one, but also it's hidden beneath a canopy of trees and thick green growth. I cannot see any sunlight peeking through it. "Why am I being shown these pyramid type structures?" I asked out loud, but no answer came and once again I felt myself being picked up and began moving, I knew, to another location.

I was taken to pyramid after pyramid-type structures of all sizes and shapes upon and within our world. Even those the fallen ones have created and built hidden inside, and out of sight, of the planets that bear names of false gods, as well as within the moon. I knew this as I was taken and shown each pyramid or pyramids at each site's location.

Finally I found myself before three pyramids near each other that I have seen before. As I realized where I was at, I also became aware almost simultaneously that I am surrounded by a protective Angel barrier that allows me to breathe. These 3 pyramids before me are located in the sunken city of Atlantis. A former fallen angel and nephilim fortified city Island where they ruled much of the world through trade and such like with cruelty and harshness, with their superior technology. The knowledge they knew as angels from once being in Heaven that once they chose to rebel and sin they twisted to benefit their lustful and cruel desires.

As I looked at the three pyramids before me, I knew I was seeing them, though the island was still under the ocean's depth like it will look when the land just rises and is restored. I knew once the island resurfaced by God's command, the three pyramids would somehow work together in a combination of sound, frequencies, and vibrations to remove everything that had covered the city from being submerged in the water for so long.

During the time it's been cast down and hidden from the world by Father God's command, He commanded a type of covering, a barrier although that kept its location hidden from mankind's detection as well as the kingdom of darkness. Once Atlantis is above water and the frequencies, sounds and vibrations of have been used, I knew because of the shattering of the Black Magnetic

Rock Mountain will have already occurred at some time during the three days of darkness, they would never be able to use any type of these things again unless Father God or Jesus Christ my love authorized it.

The pyramids are exactly as they were when I saw them before. The front middle pyramid I remember, it was where the throne room of lucifer and even gadreel sat as fake gods and rulers. It's the one that has sitting on its top a clear diamond of power with its silver end cap. To the left is a pyramid with the gold end cap and the red garnet or ruby diamond of power on its top.

The last pyramid to the right of the middle one with the sapphire diamond of power. The stone is a dark blue. The end cap was made out of copper. Inside this vast pyramid, I knew, was located the command center of power. From here lucifer could connect to other such like locations like the pyramids, obelisks, ley lines, and so much more. "But why am I seeing these three again after being taken to all the others inside our world and firmament?" I asked myself. "What are You trying to tell me, Lord Jesus Christ?" I asked out loud this time.

To my surprise, I heard a man's voice reply from behind me. "Daughter of Zion, of the King Most High, because there is more for you to know about the pyramids created by the enemy, and the forbidden knowledge and technology hidden within them." I turned around and saw a form of a man I knew was a Holy Angel, but I didn't recognize this one.

"Who are you?" I asked quickly. "I am Mi-khel-e-el, Holy Angel of God, and Watch Keeper of this city. I am commissioned to serve under Michael under orders of Yeshua, Jesus the Christ, our Captain of the Host's command. I guard this vile city from premature rediscovery." I couldn't help but smile at the tan haired Angel who was dressed in white, holding a double-sided flaming sword with blue and white fire. It's holy fire on his sword I knew. "It's nice to meet you," I finally replied. He nodded his head briefly in response then began speaking.

"As you have already learned from past visits Daughter of Zion, of the Mighty King and God of Heaven, this pyramid on this sunken island of many names, its last being Atlantis, is the controls, the command center for uniting the pyramid technology across your world and below. It is through this pyramid and another the kingdom of darkness has given direct access to the man of sin," that he shall be able, through the collective hive, to offer and control all who take the coming mark of the beast," he said. As he pointed with his left hand toward the large pyramid with the copper end cap and blue stone, the blue diamond of power. His right hand is still holding the magnificent and mighty holy flaming sword.

"I do know a little about it, yes," I replied, "but how does this all relate to the many pyramids I have seen this night, and traveled to. Including the ones in Antarctica's meeting Island and those I was allowed to see beyond the ice wall? What exactly do these pyramids do?" He looked grimly at the three pyramids and then said, "They are resonance chambers, and those that have hidden within them the controls that can be interlinked with the command center here on Atlantis, this vile city, can work together or separately,"

"Resonance chambers, how did they work?" I asked quickly. "The pyramids' resonance chambers, when utilized, can work individually or connected to others through vibration, sounds,

patterns, wavelength, cycles, and frequencies. They can be utilized with other pyramids and, or smaller locations like obelisks, and the medium and some large size locations like the many star forts that have been strategically placed near, or on ley lines of the earth and created firmament by the enemy," the Angel Mi-khel-e-el said in a knowing voice.

"But Jesus Christ is taking most of the star forts from them," I said quickly then stopped. "No wait! He took all their star forts from them," I said as I corrected myself. "Yes, he did," the Holy Angel replied. "There will be no further use of them in any advanced technological way than as just a mere fort to defend with. Even the ones they think are hidden from the Almighty God of Heaven." "Okay, I understand. What am I to learn about all these pyramids?" I asked the Holy Angel thoughtfully.

"It's simple," he replied, "you are to be given the knowledge with the understanding that through the operation of these pyramids and such connected places and items placed by the fallen ones and the nephilim, after the majority of the pyramids were built at a later time to unite them as one big, super conductor of sound, frequencies, vibrations and such like, as they utilize what's found inside of creation as pure sources of energy, power, and control, for their evil wicked kingdom. Every weapon, every device somehow connects to these things found in the Earth's atmosphere."

"Mi-khel-e-el, when the Black Magnetic Rock Mountain shatters inside the Earth in the North Pole region of our world, then everything forever changes like that. All generated sound, frequencies, vibrations, patterns all such like things will not be the same. Only one frequency will be allowed to be stable most times and that's for antichrist's beast system, his mark of the beast soon to be identified as his mark of loyalty. It's hidden inside the left pyramid in the treasure room, the scroll with this information. It's the last bit of technology needed for the mark to be fully capable for the antichrist to have the ability to control worldwide all who take his mark through being part of the collective hive. The collective hive joins the minds of all who take the mark of the beast with antichrist's and the demons connected to the AI system." "You are right again," the Holy Angel replied with a slight smile.

I thought for a moment and said, "When the Black Magnetic Rock Mountain finally shatters during the darkness, doesn't that mean these pyramids, obelisks, and other such like will not be able to work without the perfect pitch, the correct tunes, tones, frequencies, the exact lighting, vibrations and such like as when Father God created the world, the firmament? Because they all will have changed from what they originally were established. Am I understanding this correctly?" I asked expectantly. "You are Daughter of Zion, and of the Almighty King," the Angel of God replied.

"Then that means," I started to say in surprise, then continued, "Jesus Christ my love is taking the pyramids and such like from lucifer's whole kingdom! Isn't He?" I asked Mi-khel-e-el, the Holy Angel of God. "All but two," came his swift reply. "Some will be destroyed in the days to come, of such like of the pyramids, obelisks, other objects and locations. While some will be left standing as nothing more than useless relics that will serve continually as a reminder to the dark kingdom of the power, technology, and control they once possessed, but lost by a single command given from the Almighty, Magnificent, Holy God of Heaven and His Son, the All

Powerful Captain of the Host. This will show all the world's inhabitants and them who is really in control of all things in and out of this created firmament, this world made for mankind."

"Did not Jesus Christ, Yeshua Ha' Mashiach, the Holy God of Heaven's only Son, declare and announce the holy judgment against the whole dark kingdom that all superior, advanced technology and knowledge would be removed from their dark kingdom's hands and their abilities? All except for what will be needed to fulfill what has been written by the Just and True God of All in the unbreakable Scripture of Truth." "He most certainly did," I replied with a huge smile.

Suddenly I heard my lovely Jesus Christ's voice speak audibly from the heavens. I noticed as His voice was heard by the Holy Angel too, he bowed his head in holy reverence.

"Beloved Daughter of Mine, I have shown you this night how My hands, My commands are still working justice in love for My dearly loved children."

Then in a resounding voice that sounded like many waters, but also loud like thunder that seemed to shake the very atmosphere at His every word, He said, "Lucifer, I take from your whole, wicked kingdom, your pyramid and all related technology, except for two. The two designated and shown here to My daughter by this night vision. Only two shall you have to command and control your command center as you have named it. Located here on Atlantis, it will be accessible to you once I call it forth and release it to the surface out of the watery grave. The other one is the one in which you have given the man of sin direct access to. Nothing more shall be allowed or tolerated. Destruction's hand falls hard and heavy upon your evil kingdom by holy, divine justice. Your kingdom is guilty of much. Now on behalf of My children and all of creation, it's payback time by My own hands.... Heaven's style."

Then I woke up from this dream.
