

My White, Hot Fury & Data Centers 7-31-26@9:47 AM

Daughter, I'm coming to the Earth yielding a mighty sword of vengeance. With the fire of Holiness in My eyes, I shall discern all things righteously and hand down judgment immediately.

I bring terror and desolation to the world of evil men and women and the inhabitants of this world.

I bring holy justice and flaming retribution for all the evil that has been done to My world and its people.

I'm bringing vengeance in red, hot fury and wrath, systematically released for balances weighed and the settling of accounts too long held in the waiting of unrepented men and women.

To the kingdom of darkness, I bring to you again... your utter defeat! In fear and terror of My very presence and holiness, you shall try to rise up against Me, for there's nothing left for you to do. You know I am My Father's Son. You know I've come to put an end to your wicked control and reign over the world of man, control you do not rightfully own.

The Earth trembles and cries out, it groans underneath the load of this world's evilness.

Shadows of darkness where you try to hide and operate in, I shall expose to the glory of My Father and My glorious Light, for I am the Light of the world.

In judgment and vindication, I shall clear a path during the tribulation period for those My Holy Spirit is calling to repent, to not be hindered or stopped from hearing what I have done for them. From hearing of the sacrifice I made for them and how in a world ruled by antichrist, the man of sin, I can and will be found.

I bring a fury of storms against the beast system's formation above and below the ground and waters as I take you down by righteous command to the bare essentials needed for you to run your beast system government and offer the beast's mark, antichrist's mark to the world.

Hear Me, kingdom of darkness, for every new data center you persist on pursuing, I shall take down 7 of your orbiting satellites and 7 of your towers of communications that broadcast the 4G and higher technology. I will burn them out, burn them down, cast storms upon them, cause lightning's aim to be true.

I shall send winds of fury and floods of water. I shall shake the Earth and send destruction by My righteous hand. This I decree from Heaven's Throne.

I should bring down chunks of ice, of hail and great fury and cast from the sky with true aim the rocks of metal and rocks for My aim is perfect and My fury is white hot!

I take from those who continually push for more of these data centers which are used, yes, for the AI in part, but are used as covers to steal billions of gallons of water for antichrist's rule. They

are used to collect data of My children and anyone who might oppose the rise and rule of antichrist and they are in reality, confinement units where executions can be done by beheading and other means without a judge or a trial.

No! I say, no! Hear Me roar oh, world. No, I say! There will only be 10 medium size data centers for the whole created world, and not one single more. Not in the heavens! Not in the Earth, or under! Not in the waters above, nor under! Nor in your sky cities!

Hear Me, I am God! I own all things. Your money is worthless. It's simply printed paper with ink. The gold is Mine! The silver is Mine! All natural resources are Mine!

I have sent warning already, but you have not heeded, kingdom of darkness and world inhabitants.

For every dollar, every bond, every investment, or pledge made for a new or being constructed data center, I take from you it's equal value times two. Nor will you recover it ever, for I own it all. This Earth is Mine and all that's in it.

I send a furious storm to those who would rebel against My holy commands.

A storm of holy retribution.

A storm of holy wrath and rage.

A storm of burning judgment.

I come Myself to administer it, for no longer shall I hold back from delivering My people, My Earth from your evil hands, oh, evil men and women, evil inhabitants and fallen ones.

Your boastful arrogance has a way of fleeing lucifer, when your kingdom and you are faced with holy truth and righteousness. It is written in My Holy Word, which I am this Word, of want you shall be allowed to do during antichrist's reign.

You shall have the man of sin ruling in power, but still there are those who will rebel against his power.

You shall be able to possess this man of sin along with his false prophet by your kingdoms and demons.

Signs and wonders shall be allowed to be performed by technology and demonic influence.

And this government shall be established with 10 rolling kingdoms.

Worship shall be United.

Antichrist, the man accent shall be able to hunt down and even kill some who are Mine and called to be martyred.

He shall offer his mark, making it impossible to buy or sell without it.

He shall have the ability to war.

But nowhere does it say in My Word, he has to have a worldwide surveillance system that will allow them to hunt down My children with ease through biometrics like facial recognition and thumb printing. No it does not!

Nor is it Written in My Holy Word you can steal the world's water and use it against the people as the world's new currency. Nor does it say you can forcibly change the DNA of those who are Mine, or even My creation! Those who have chosen to serve you lucifer, you devil and destroyer mankind, you can do these things, for they are placed into your hands.

Those who are Mine are restoring. Those undecided shall be restored upon their acceptance of Me into their hearts and true repentance of their sins as Lord, shall have their bodies, unbeknownst to them, recreated anew.

What does this mean oh, world?

I send forth by My command, the frequency at a pitch unknown to the fallen ones right now that shall decimate every piece of scientific equipment wrongfully placed into those who are Mine. This includes the backslidden that shall make up the majority of those left behind.

This is a frequency found only in the voice of the Creator, Heaven's Creator. This shall leave nothing traceable in any of My children by your evil technology as I, in love, prepare them unknowingly, for the days to come their entering.

Furthermore, I shall cleanse My true children of all the abominable mutations you have tried to do to their bodies, even the pets they love so well. Simply because I love them.

I bring fire! Fire! Fire! Holy Fire!
I bring flames of retribution!
I bring flames of righteous accountability!

Tremble and fear, cry out in despair, kingdom of darkness and fallen ones, because I come for you! Not all of you are needed to complete these final days. Nor will all of you pass through the spirit barrier to the physical realm before they both merge together as one.

Already I have decreed that those fallen ones hidden inside my children's lives would be removed and arrested. What to speak of today ay is an addition to these priorly mentioned.

Now I say to the Earth's inhabitants, I bring wrath, holy, unbearable wrath down upon you.

But for those who are Mine, even before this starts I say, come hide under the shadows of My wing.

I will be your protector.

I will be your guide through the storms.
I will be the Balm of Gilead for your wounds.
I will be your peace provider, for I am the Prince of peace.

I shall hold you protectively in My hand, close to My chest, where the sound of My heartbeat shall assure you, you are not alone. I am here. I will not abandon you. I, your holy God and Creator, I, your Redeemer and Savior, have you in My right hand of strength and safety.

Those who are mine do not have to fear anything that's coming.

Those who are not Mine, including the kingdom of darkness, are about to realize the true meaning of terror and wrath, and when I'm done, all will understand what it means, before they're finally cast into the eternal Lake of Fire.

Now I send to your world scorching heat and shall continue to do so, until man and inhabitants realize this is My doing, not any technological, weather manipulation.

In addition, oh, world until you realize it's My hand and not man's devices, I shake this world more.

I send more torrential rains.
I send more devastating storms.
I rained down more fiery heat.
I send more dust.
I send more locusts and pestilences.
I send more churning of the seas, the waters of the Earth.
I send more twisting winds.

Until you finally acknowledge, oh, world this is the hand of God, your Creator allowing this, these things shall only increase.

And then you will know that I am God and I am in control. Even with this acknowledgment, many will quickly return to their evil, wicked ways, but the few who do not, it shall be the leading to the salvation of their souls.

For all who repent, all who call upon My Name shall be saved.
