

The Official Declaration of War to Babylon-America from Jesus Christ 3-12-26@12:39 PM

Jeremiah 50:25 The Lord hath opened his armoury, and hath brought forth the weapons of his indignation: for this is the work of the Lord God of hosts in the land of the Chaldeans

"Hear ye, O' Daughter of Zion of Heaven's Court. Hear ye the Word of the Lord, the Almighty God of Heaven. Hear ye the Word of the Lion of Judah, the Captain of the Host, the Lord of war, Jesus Christ, Yeshua Ha' Maschiach, your soon coming King."

"Gabriel?" "Yes Daughter of the Most High God who is Faithful and True, it is I."

I see the holy Angel Gabriel before me. He's dressed in his holy armor that shines with the radiant glow of Father God's glory. He has a sword on his left side and on his right a small, tall, tube-like container of some kind that I recognize is a scroll holder. He's carrying a message from Father God and my lovely Jesus Christ I know. Accompanying him on his right flank, his right side and on the left are three Holy Angels each for a total of six. They're dressed much like the Holy Angel Gabriel, but each has their weapons drawn.

The two in the back on both the left and right are carrying beautifully carved bows that radiate somehow with the love of Father God. There is one who is carrying what looks like a golden slingshot type weapon, while another has one that reminds me of a bladed boomerang made of a translucent color that resembles, somehow white gold. One has a weapon that looks like a spear with double blades, knives at the top, but also another set below it. Instead of the knives pointing upward they're pointing downward. As I look, understanding is coming. This is used to remove webs, gins and snares. Things like this of the enemy. The last Angel has a lance in his hand and each of them also has swords either on the right or left that hang on their sides.

"Daughter of Zion, Holy Witness of God." "Yes, Gabriel." "I have come to deliver a message, a declaration from Heaven, from the Risen Lamb Himself." "I'm listening, Gabriel."

I saw him give a quick nod of his head and immediately the other six holy warrior Angels left my sight. "Where did they go, Gabriel?" "Daughter of Zion, the Holy Lamb of God, the Captain of the Host, Yeshua, Jesus the living Christ has declared war on Babylon-America. One of the seats of power of lucifer's kingdom is here. The enemy is trying harder to locate your position. My fellow Warriors of the Heavenly Host are running interferences and distractions because my entry into the world of man does not go fully undetected at times." "Oh that makes sense."

I watch as he reaches down to a scroll container attached to his right side. "I have come to read the official declaration of war to your world from Yeshua Ha' Maschiach, Savior and Righteous Judge of this world, all that's inside of the created firmament of creation." "I'm listening, Gabriel." He pulls the end cap off the long, round scroll holder and turns it over into his other hand. The scroll container looks like a burnished gold with a dark green tint to it. Once Gabriel grabs the scroll he lays the container on the small table that's near where he's standing. I can see it has a yellow gold seal that has a crown in it that looks like it's made of many crowns. I have

seen this before. He breaks the seal open, then looks up at me for a moment. His blue eyes show holy intent of purpose. "I shall proceed." "Yes, Gabriel please do."

"Hear ye, O' Babylon-America, who sits on the height of power declaring yourself untouchable to all, even your holy God. This is your official notification that Jesus Christ, Yeshua Ha' Maschiach, Son of the living God Jehovah, Creator of All has declared open war upon you. This declaration has been announced and accepted in the Courts of Heaven and is a righteous decree that cannot be bent or changed."

"After warning upon warning given out of mercy and love for Babylon-America to repent of her sins and to quit her evil doings, in which she has openly refused and instead has embraced the fallen ones' ways of rebellion, self-exaltation, pride and self entitlement, the Lamb of God gives notice to all of Heaven to prepare to go to war against Babylon-America. Also known as the U.S., the United States, the United States of America, the United States Corp. The United States Inc meaning Incorporated. All other names and variants fall under the umbrella of these known and identifying titles and names. Notification has been sent to nature, to creation's forces besides that of man and the fallen angels to take up arms and prepare to fight in this righteous war against Babylon-America."

"Jesus Christ, Captain of the Heavenly Host calls upon those of the caretakers of the Earth, the wind, the skies to prepare for war. He is opening the treasures of the skies. He is calling on the forces of the water to strike with vengeance and fury against America-Babylon lands, its people, and borders. Yeshua Ha' Mashiach, the Christ releases the trembling and shaking of the earth to move by His commands. The sky shall release her treasures of rain, sleep, hail, snow, thunder and lightning accompanied many times with the force of the wind that's contained within the four corners of the Earth. Fire has been called forth with heat of all kinds."

"War has been declared upon you Babylon-America and now you will face Jesus Christ as your enemy and no longer your saving Lord and God. His sword is drawn. His Slayer has come. When Yeshua, Jesus Christ strikes, so shall the Slayer, this destroyer of one strike upon you O' wicked land of America-Babylon. You not only face Jesus Christ, Yeshua Ha' Mashiach, Righteous Holy Judge of Fairness, you now face His Father and all of Heaven on this battlefield of war. Nature's fury of tornadoes shall continue to be unrelenting. From the Heavens which declare the glory of the Almighty Holy One of Heaven's works shall descend rain of rocks and metal, so much that the world will begin to take notice."

"It is further instructed in this Official Declaration of War against Babylon-America that all nations, but a few shall be made to turn their hands from further aiding wicked Babylon. An embarrassment for the nation's President Trump is declared that shall cause the king to be removed from sight and in this time the foretold queen shall arise with a 'Dole' in tow, providing her guiding information." 'Babylon will fall by My hand, by My command to the other leaders and countries of your world,' says Jesus the Christ.

"In this war there will be many casualties of death, but this will not include Donald J. Trump. He is to be preserved on orders of Heaven's Courts. As the queen sits on the throne of power signing executive orders after orders to further cause the collapse of your nation, she shall suffer disgrace

and exit the throne room. The king shall reenter when it's revealed, when the embarrassing ways, the miscalculations of his thinking were all due to the poisoning he has received by friends and relations not so friendly. Another secret gift from the hands of Putin of the bear who has a fondness of eliminating his enemies in this almost untraceable form of death. The Courts of Heaven recognizes this as murder."

"These stipulations are part of the declaration of war from Yeshua, Jesus the Christ for the preservation of Babylon-America until His children still behind her walls are removed either by His return, by death, by captivity or what is now recognized by many of His children, as well as the enemy of the dark kingdom, the 2nd Exodus. This is the gathering of Yeshua Ha' Mashiach, Jesus Christ's children to safety during the dreadful and fearful time of the Day of the Lord that will have fallen on the world of man, of the inside of the firmament at this time."

"Jesus Christ releases now in the next round of strikes officially against Babylon-America these things in no certain order.

"Yeshua Ha' Mashiach asks you, Babylon-America, does He finally have your attention?"

"All these things Jesus Christ declares shall surround the coming three days of darkness. This is a war you cannot win Babylon-America, Heaven declares."

'I, Jesus Christ, Son of the living God Jehovah, My Father, the Right Arm of the Lord, the Righteous Judge of Heaven and Earth, the Captain of the Host, the Lord of War, the Lion of the tribe of Judah, the Lord of lords and King of kings make this declaration of war against Babylon-America. I declare war, this war and have presented before My Father, the Eternal Creator and God of the world, the Earth all the evidence, laying it out before Heaven's Court since her birth as a nation. This information is recorded in the books of deeds in Heaven.

"I have weighed every deed, every word, every action and thought of all who have resided in her walls. Whether for a lifetime on the earth or for one day as Righteous Judge placing all in the balances with those who chose to live godly, whose lives and actions were holy and Babylon-America has come up lacking. Even after grace and mercy were extended, giving her every opportunity as a whole people to repent and return to their God and Creator through Me. Instead their sins have increased and the debauchery in their lives stinks even more. With this evidence I officially declare war on America-Babylon who I also officially declare as an enemy to My Father, to Me, to all that is righteous, pure and holy. I shall destroy her Myself in righteousness with My holy Sword. When I strike, so does the destroyer,' thus saith Yeshua Ha' Mashiach, Jesus Christ in this official declaration of war as recorded in the record book of Heaven."

Then the Holy Angel Gabriel begins rolling up the scroll. He places it quickly back into the scroll holder then reattaches it to his side. He reaches a little further behind near his back from beneath an area covered by his golden breastplate and pulls out a small horn. It looks like a solid black ram's horn, like a small shofar. He places it to his lips and the horn makes a loud note. One single blast that fills my heart with dread. When he finishes he lowers the ram's horn.

"What was that Gabriel? What did that just activate, because when I heard it dread filled my heart from something that occurred in the spirit realm?" "Daughter of Zion, of Heaven's Court, I just sounded death to come to Babylon-America as the destroyer has already begun his work. All these things mentioned in this Holy Declaration of War began when He spoke to you on March 11th of your nation's calendar. Now death is coming to collect the mass amount of those dying as the death toll rises. As Babylon-America was warned by Yeshua, Jesus the Christ, Holy Lamb of God what would happen."

"His children need to stay close to Him, because some will perish before the darkness that descends upon your world in holy judgment. Now I must go. This has been officially declared to you, a daughter of Heaven, but also the Earth as Earth's representative. Know that this has already been enacted on the 11th. The things of judgment mentioned here you shall already see signs of evidence of them happening and others increasing."

"Thank you Gabriel." "You are welcome. Now I must return to stand before the Holiest of All, the Almighty God of Heaven." Now he's gone.
