

Tick Tock, Watch the Clock Devil 4-9-26@9:17 PM Shared 4-10-26

Write, daughter, write. That which you have chosen to do, kingdom of darkness, on the morrow, do. Like Judas Iscariot, do it quickly. If not, your hand shall be stayed, and this I shall not be swayed. That which you do, do now, or another Judas Iscariot shall be found.

To those who have listening ears and hearts that understand, know that a balance to be broken is at hand. Seek Me for My truth always, for I Jesus Christ am Truth. Those who watch from the sky those innocent in Me, through your evil technology, I say to you, "Tick tock. Watch the clock, for when the clock strikes 12, your technology fails. It's 11: 59 and one half. You have 30 seconds to go. (This is his timing, not man's, his time.) Repent, or feel My wrath across the land and across this world.

Nowhere, nowhere is it found written in My Word you have to have your devices, technology, electronics for antichrist's rule. Only that knowledge would abound would increase. That is in Daniel.

Antichrist's mark, oh kingdom of darkness, if you don't conform, can be made to be a simple painted symbol with a demon charm applied. Hear Me lucifer, hear Me, hear Me devil. I take from you the ability to spy from the uppermost heavens, now instead of later.

I warned you not to mess with My anointed. This time you will not be able to hide it from the public's eye, when My judgment's hand strikes true and I start with you, oh Babylon-America. When it's time for Putin's missiles to fly high in the sky, you will need to compensate now by use of those in the lower heavens, that I will allow to remain. Only those I determine that's needed. Then one by one I take it all down out of My Heavens. Nowhere, I say again, does it speak that you have to have your advanced technology to wage war... to rule with Antichrist.

I am the written Word of God. I know what is found within its pages. Man will have his nuclear war, then man will be reduced to living as before, before all the advancements had come to be. Like with Tartaria.

Lucifer, I strip it off from you again, but this time you will not reclaim any of the prior knowledge of past technology that I do not allow. This is just and fair. This is how already many of the inhabitants of the world are going to have to live after you destroyed it, oh fallen ones, during the seven year tribulation period. Now you can rule and reign with antichrist, roughing it like the rest of the world.

I see what you do. I see what you do. Nothing is hid from Me. Nothing!

I cannot lie.

I'm pure.

I am holy.

I'm justice and holy judgment.

I am meek.

I am love.

I am violent, righteous judgment.
I am the Judge of the Heavens, of the Earth.

Oh inhabitants, I am no longer just a lowly sacrificial Lamb or the Babe in the manger anymore. I am My Father's Son. His power runs through My veins. His Blood is My Blood and through its power, redemption was brought for mankind when I shed it freely. But now I return as King of all kings.

I am the Lion of the tribe of Judah.
I am the True Avenger of Justice.
I am the Right Arm of the Lord, My Father.
He speaks, I do.

I come to bring justice with vengeance in My fist.
To the merciful, I shall show mercy.
To those who are Mine, I shall love, shield, protect, and guide till their end arrives, whatever that will be.

But to all those who oppose truth, righteousness, holiness, and real love, who oppose My Father and Me, I remind you, the earth is My Father's, is Mine...not yours, and I'm coming to reclaim it as well as it is found written in My Holy Word. Then I shall set up My Kingdom of Righteousness and even the earth shall be allowed to live without the weight of all your wickedness and evilness spreading sin like a cancerous pus-filled disease.

I come to set things right.
I come for My bride, yes, but I come for My earth as well to reclaim it for My Father, For Me, and for those who love us and choose to be with us.

Hear Me, lucifer, I'm coming and I'm coming as King and I'm not coming alone! But until then, I take from you your satellites, stations, and other such like things you use for spying, surveillance, for relaying, for weapons, for world dominance and control.

Now we do all things My way that's just and true.

Your sins, your atrocities against mankind, against all creation and all within it, each one since your past sentence served, have been weighed. You were warned what would happen. You chose to be disobedient and to rebel again. With each action, each account, I can now justly and fairly remove all these things from you once again. This I do now!!!
