

Confirmation of Portals Found in Dreams, Words & Visions 3-15-26
FOR THE GLORY OF FATHER GOD IN HEAVEN!

Here are just a few of the words, dreams and visions that have mentioned portals. This is from 2021 to 2023 although they are found mentioned all the way up to this current year of 2026. There's too many to list. Please try, test and discern this in Jesus Christ's Name.

The True Reason for It All Dream 11-24-21@4:10 PM to

"Where is this place, Jesus, "I asked cautiously? **"This location, Daughter, inside the portal is one that the fallen ones, the fallen angels reside at. It is one you have visited before."**

As he said this, he grabbed my right hand and said, "Come now Daughter, let me reveal further the places of the enemy found hidden in your world. **As we stepped through the open portal, I began feeling tingly all over and felt as if I was traveling upon air. It only lasted for a moment, but oh what a moment.** Jesus entered the modern laboratory first, then he pulled me into the room after him.

C.E.R.N Dream 4-8-22 @ 4:09 AM

In this dream, I saw various places that were being opened and as it did this it somehow made rips in our world's fabric and in time. I'm not understanding it all yet, but I hear, "Your world's fabric is being tampered with also by the machine called C.E.R.N." **I see this portal, this gateway or even archway it's called by those who have built it.... the Fallen Ones. It's being opened in an unknown location that looks like a different world or planet and the Nephilim, the giants coming through to our world. So apparently they don't only return here by spacecraft, but by this C.E.R.N portal too. Then I awoke.**

How I Can and Will Protect Mine Dream 4-13-22@4:15 AM

Another angel enters dressed in holy armor. The first angel gives the angel barrier ball to the armor clad one. They didn't speak, and I felt they were communicating with one another in their minds. The armor-clad angel takes the angel barrier ball then steps **through the open window, this portal to the earth.**

"Why is he clad in armor, Jesus," I ask questioningly? "Because Daughter, the enemy forces of satan shall try to prevent the installing of this angel barrier as they do each one I send to protect My children." **From the portal's opening I am able to watch the armored angel descend down to the earth below. It is almost like I am watching through the angel's eyes, because I can see, as the earth, as it comes closer and closer into view.**

The angel then stands up, pulls out his sword, and begins flying in the direction of the voices. **Suddenly the portal closes.** "Wait! What, what happened to the angel? Is he okay, I ask excitedly? "Daughter of Faith, of Grace and of Mercy, the enemy was converging, but I sent reinforcements." "But I want to see what happens!" "Another time my love, you are here to see how the angel barriers are made, and you have so, now you must be returned to earth because there's more for you to see."

The Chimera Dream 4-29-22 @ 6:34AM

Come now, Daughter of Faith, of Grace and of Mercy, I will show you a glimpse of the future

that's currently laid out for your world.” **Then he takes me by the hand, and it feels like I am being pulled through a curtain of time, a portal of some type. We are in a big city and I see rows and rows of people looking very hungry waiting in a line. “Where are we, Gabriel, and what are they all standing in line for?”** As I'm observing, I see men and women in business attire, people in blue jeans and ragged shirts, most look unkept and dirty. I see even little children in the lines.

The Return of the Nephilim Dream 5-22-22@ 2:55 PM

“Sarina has provided you the reports on CERN, which is now fully operational. **We shall be able to open the portal at the various locations, off planet and these in the ground that have been sealed until such a time, as I begin my rise to power.**”

Portals, Doorways & Demons Dream 7-2-22 @ 5:41 AM

One of the rulers of the kingdom spoke up, and I heard him say, “master, with the dark matter in hand, **they will be able to finally open the deeper portals once sealed and release our brothers and loose them from their holds, because now it's your time to rule and reign.**”

We have sent many things to the world of man by CERN, and soon its sister sites shall be fully capable to free our brothers as well. **The portal opening technology of CERN shall be found in each having the same capability to rip open the fabric of time and space, but only in a smaller scale than our CERN machine.**

“Yeah, we know,” one of the demons responded, “and we shall continue to use this to our advantage with six sites that are running, or will be running, that is this portal technology. Our brothers shall soon be all free. I heard another demon reply. And all the while we will be deceiving the humans with fake alternate dimensions, and parallel universes, when in reality, they've accessed the spiritual realm in various locations.”

Devil's Playbook Dream 7-24-22 to 8-6-22

“Sir, I heard the military man say to the right of the General. **She has identified some of the missile strike locations where our nation's portal technology is located.**”

The President held out the paper to the now Vice President who stood up quickly and took the paper from his outstretched hand. He called the now Vice President by name, and said gruffly, “You know what to do with this.” “Yes,” Mr. President, “I do.”

We watched the exchange, my friends and I, and then the President returned his focus back to us. **“You have a lot of information about our portal particle accelerators as well as our dark matter sites. Did Jesus tell you this information, as well?”** Although he never blinked an eye or changed the tone in his voice, I saw within his eyes the derogatory meaning behind his words.

What The CERN's Portal Type Machine is Doing to Our World Dream 7-18-22 to 7-23-22, Shared 7-25-22

I had this dream over the course of several nights. It started on 7-18-22 and ended on 7-23-22. This dream started a few days in the past. I knew somehow, to the day that the particle accelerator machine, **the portal machine at the CERN location in Switzerland,** is going to be turned on to full power the next day. This is the day before. I knew somehow also that they were amping his machine on and off to full power, for various lengths of time, before the actual day

when it would go to full power. **Aligning its activation with its sister sites, located in Oakridge TN, both made public, but also unannounced, was their sister site in Antarctica. Both Tennessee and the Antarctica sites are smaller type machines, but both contain the power to open portals, the same technology found in the CERN facility.** \

He replied softly “Little Daughter, they know the risk but do not care.” **“What happens then if the machine turns on to full power, plus the other two smaller type particle accelerator portals, the portal openers? What happens then, my lovely Jesus?”**

There will be changes made as men and women begin traveling more through space and time as these particle accelerators rip open the fabric of space and time to open portals in different eras of time. Many strange things shall be seen from these hidden activities that these evil people do. In some instances, events and things will be changed in the past, altering the future, such as seeing a person that you remember yourself had died, even buried, you even mourned over, and is now alive. You would still have the memory of their death, because the machine activities cannot erase the memory, for Father God has made the mind of man and his memory unique and superior in many ways over the rest of our creation found inside these walls.”

The portal will also be herald upon in your news as one of the ways the aliens, the demons portraying them shall gain access to your world by a signal locator through a portal. There will be moments in time when some people will realize they have just repeated an action for the second time, identical in every way as the first event. This is another side effect of the particle accelerator upon some people.

Demon Blood Dream 8-26-22 to 9-7-22

We will begin reacquiring the innocent blood to go into my demon blood, but son, we can mix the innocent blood with the defiled blood of sin together. **It's not as potent, but it should be enough to open the portals and get our brothers' Nephilim children here when the darkness falls upon the wretched world during Jehovah's display of power.**

Return of False gods 1-20-23 & Secrets Happenings of the World Economic Forum Visions 1-21-23

“Yes, daughter it did. Man has gathered DNA from the fallen nephilim of your world and have saved it until the time that technology could revive and restore their bodies. **Their demon spirit parts have been pulled through the portal particle accelerator devices like what is located under Geneva, Switzerland and France in the CERN facilities.**”

The Whistler Dream 2-8-23 @7:01 AM & 9:35 AM

I watched as the notes and tune, although invisible once again, created a rippling waving effect that disturbed the air, the atmosphere so I could see his song's effects upon our world. **Then he walked straight forward when he ended his short tune but instead of falling, he disappeared as if walking into an invisible door, a portal of some type.** I watched as scene before scene passed before me with this man repeating his enchanted song upon our world. He seemed harmless but still I prayed. I seemed to know each location. He stood upon a Mayan temple in Mexico. The old mountain, the Manchu Picha in Peru. He stood upon a volcano in

Ecuador whose crater has a crescent moon shape therein. Even on the mountain Erebus in Antarctica and the snow mountains of Denali in Alaska. Now he is standing upon Notre Dame in France, Mount St. Helen in Washington, Kilimanjaro in Africa, Mauna Kea in Hawaii, the Statue of Liberty in New York. So many places, even Mt. Wilhelm in Papua New Guinea. Now he is standing on the high obelisk, atop of the Washington monument in Washington DC.

I Send Destruction 4-5-23@ 5:14 PM

These are not the friendly demon aliens who shall aid the man of sin, antichrist, ruling your world at such times. **This is possible to the eyes of man by the opening into the spirit realm or portals by the portal particle accelerator machines scattered all across your world.** These are the demon-way portals once sealed by Me, but now opened when the 5th thunder was uttered. **This portal technology of your world is a technology of the fallen ones and nephilim already upon your world.**

This Swiss Scientist Claims There is Portal Underneath CERN from where Beings Coming In & Out

By Yikraz Yikraz 2 years ago Last updated August 23, 2020 5:55 am

Dr. Astrid Stuckelberger is a Swiss Scientist who claims CERN is working on a secret "Nuclear Program" & there is a Portal underneath CERN from where Beings coming in & out; Physicists who work there told her that there are 17 different dimensions of reality or more.

Dr. Stuckelberger is a scientist and expert in international health. She holds a PhD and teaches at the University of Geneva and Lausanne. With over 20 years of experience, she's a leading Swiss researcher who has worked with the WHO, UN, and EU on various health programs. That's what her LinkedIn profile says. She has done numerous interviews which add credibility to her profile.

Beyond the three dimensions of space and one of time, what else might there be? And how do we even begin to imagine it? Albert Einstein demonstrated in his Special Theory of Relativity in 1905 that space is intimately tied to time via the cosmic speed limit of light, and hence we live in a Universe with four dimensions of space-time. Because we are unable to detect these four dimensions, we attribute motion in the presence of a massive body, such as a planet, to a 'force' of gravity rather than this curvature. However,

Bizarre 'Portal-Shaped Clouds' Form Over CERN During The 'Awake Experiment'

End Of The American Dream

There are some "major concerns" about what the scientists at CERN are doing these days. The European Organization for Nuclear Research, more commonly known by the acronym "CERN", is purposely smashing particles into one another at astonishingly high speeds. Just last month, the researchers working at the facility began a new experiment called "Awake" that uses "plasma wakefields driven by a proton beam" to accelerate charged particles. On June 24th, pictures of some extremely bizarre "portal-shaped cloud formations" were taken in the area just above the Large Hadron Collider at CERN. Could it be possible that there is some sort of a connection between this new "Awake"

MACH

Scientists are searching for a mirror universe. It could be sitting right in front of you.

If the "mirrorverse" exists, upcoming experiments involving subatomic particles could reveal it.
