

There's a Storm Coming 5-6-26@7:38 AM

"There's a storm coming and it's not of the world's making, Daughter. There's a storm coming, hear Me Daughter, a storm that the world will wish they had never entered." "I'm listening my Lord Jesus Christ."

"Hear the thunder, Daughter, hear the thunder as it rumbles through the sky above your home? Now hear the thunder, the sound of the feet of My Heavenly Host on Heaven's floor as they prepare for war. War like never seen before inside your world's firmament. All of Heaven is prepared to receive My bride, yes, Daughter, My lovely, lovely, beautiful, white-dressed bride in My righteousness. But all of Heaven is ready and prepared with many of My Host, My Heavenly Host descending into place into your world unseen by all, even the eyes of the enemy."

"The last battle for man's soul is about to begin! Swords are drawn, and glorified with Father's glory and this time when the enemy is bound, it will be forever. They shall be bound into the abyss and shall remain until they are cast into the eternal Lake of Fire when their final judgment is received, but they shall never walk around free ever again."

"There's a storm coming of My bringing. One of righteous fury and holy judgment. One the enemy cannot control or manipulate, for I God, God's Son declare it is so. There's a storm coming Daughter and the world is not prepared!

The storm clouds have already gathered.

The winds have arrived.

The thunder has issued forth.

The lightning strikes are falling in an aim of accuracy that's true.

And now it's time for the torrential rains to begin their falling."

"Daughter, I'm bringing the rain of judgment now upon your world like I did on the day it began raining upon Noah's world. But this rain Daughter, shall be of liquid fire! There will be nothing man considers 'normal' about this storm that shall also contain the many faces of nature's fury of this world in holy judgment against the inhabitants of this world."

"This is My Great Day! This My Great Day has come to your world.

It will not be as lucifer planned.

It will not be as the committee of 300 or the council of 300 planned.

It will not be as the council of 13 planned.

It will not be as the hidden secret society planned.

It will not be as the world's agenda 2030 planned."

"Nothing will be, or arrive as planned by the world, except, by My command... antichrist sits on the throne of man, and the arrival of his beast system's mark."

"Hear the storm, hear the storm outside your window raging?" "I do, Lord Jesus Christ." "Now Daughter, imagine what the effects would be if it had hurricane force winds and fury on land with the wind speed of 150 mph. Mankind would consider this bad, even unsurvivable. Now

multiply it by three, Daughter, and you will have a small comprehension of the force of My fury and wrath I bring to this ungodly, evil wicked world."

"I shall shake this world until it cracks open! I hold this world in My hands. When it reels and rolls like a drunkard as Isaiah spoke of, this is My hand shaking it. It is My holy judgment and the destruction of the black magnetic rock mountain that causes the Earth to stagger like a man who clutches his heart that's failing, and he stumbles in his steps before he collapses, falling dead to the ground, because his heart has failed...His heart that pumped life throughout his body, because life is found in the blood. The life force of all living things are found inside the blood. This life force is My Father's Spirit."

"So know this My beloved Daughter, know and understand it. My storm arrives in the shadow of My bride's departure. The departure date is set in Heaven by My Father... since before time began."

"Now, Daughter, I bring this warning to you. The enemy is crafty and sly. He seeks to know what I have shown you about their planned Pi 88 day. In their desperation to find out the time of when the 3 days of darkness shall arrive, others have risen up with words about Pi 88, some not of Mine, to try to get you to reveal what you know. Because they now know that such a type of occurrence of a nuclear-sort blast will aid in the coming aurora's, which they will. But not to one child alone do I speak all things, lest they become lifted up in pride, or begin to receive praise from man, when I alone, because I am holy, should be praised."

"Their plans are made known officially to Heaven's Court, for nothing can be done even in the allowances for sin, without permission...an agreement from My Father and Me for them to do such things. Things are allowed because evil hearts and evil actions produce fruits of wickedness that allows for holy judgment, for it's during these times when true repentance begins being found in the hearts of the people once again. Their eternal fate is what is important, not the comfort of the flesh."

"What they are seeking to gain from you by their gentle prodding by other so-called words about the Pi 88 day supposedly from Me as they leave clues or call out their date is what I have shown you. Some words given are false, while others are their planned day, because it was antichrist who petitioned and asked for him to be allowed to send you himself the information. For he knew I would speak to you of it again, because it had happened two prior times. He and the dark kingdom believe that if they can get you to reveal publicly what you know, that it will confirm their date they have planned, thus also allowing them to hone in on the time of the 3 days of darkness, or a close proximity to it."

"I said all this to say this, Daughter, be quiet! Keep your mouth shut closed on this matter. Those who are really Mine shall seek My truth. They can seek Me and when shown whatever I speak to them, if it concerns something they need to be quiet about, then I shall let them know somehow of this too. Daughter until I release you, you're not to speak concerning the enemy's new Pi 88 day." "I understand." "Good"

"You are also to continue to sequester yourself, including not intaking of the words, dreams, visions, preaching, teaching, or anything else unless My Holy Spirit leads you. The enemy is crafty, but I am wise. He works in the shadows at night, I see in the darkness just as I do the light, so nothing can be kept hidden from Me.

How art thou fallen lucifer, but I assure you, you will not take the whole world with you to the Lake of Fire, for there are some who are Mine given to Me by My Father and then there are others who will choose to be Mine by choice. I am coming in great power to reclaim all that is Mine. Your squatter rights are revoked and I'm coming with My Heavenly Host to see that you and your kingdom are properly removed as I burn and cleanse this world. Purifying it from the stench of all your activities and evil doings.

Behold, I shall make all things new for My children.

Behold! Take notice My children, the shaking from this storm's arrival I'm bringing is already present inside your created world and firmament. Keep your eyes on Me children and not the dramatic play being staged on the world's platform to draw your focus off of Me and cause you to fall into despair. I warned you these things were coming. I knew the enemy's script even before it was conceived in their minds. None of these things have caught Me by surprise, nor will they ever.

Focus on Me children, beloved of My heart, focus on Me. This part is finally coming to a close. Prepare in Me children, prepare in Me. Keep your eyes on Me. I shall supply your needs if you will trust Me with your life, your families, for your clothing, shelter and food, for I am a good Father, a Good Shepherd. Come to Me you weary hearts and lay these things at My feet.

Many are concerned with trivial things that appear as giant mountains to them. "What if we can't get gasoline or diesel to drive to work or to buy food?" Did I not turn ordinary water into wine? Does this not show you that as the Creator of all, that I can by command speak, touch, command and it is done. I can change one thing to another, or multiply it from a small amount to an abundance. Just as I caused the widow's barrel of meal and the cruse of oil to never run dry until the famine was over, I can and will be doing, for My own. So children don't worry about these things.

Focus on your relationship with Me and My Father. Put Us first and We will take care of the rest. Children rest in Me, but also buckle up as your world says, because your world is entering My storm I'm bringing. Brace yourself in Me firmly and never let go and in the midnight hour as a parable of the five wise and five foolish virgins speak of, I come for My bride who is ready and waiting for Me in garments of spotless white.

It ended at 9:06 AM and the storm had ceased outside.
