

Water Will Be Your Gold, Food Your Silver 5-21-26@2:37 PM Shared 5-22-26

"Jesus Christ, Father God, I'm here. I heard You call out to me." "Yes, Daughter, I did, I did call out to you again."

"Much deception has been played out before the world of man's eyes in this war between Iran, Israel, and your nation you live in, Daughter of America-Babylon. Deception that I'm revealing Daughter. All is not as it seems with Netanyahu and My truth, the truth shall prevail. Putin and Xi Jinping are now openly revealing to the world their cooperation and unity. A signal this is for the rest of the world who are part of Putin's evil coalition that the time is at hand, and soon they will strike America-Babylon's jugular vein. When they do, your nation shall fall wounded and bleeding, but not dying yet until after she has been invaded on all sides, but as a powerful, super lady and queen, she shall be no more."

"The king of England sits prepared to aid America-Babylon should Putin's evil coalition threaten the safety of the governing lands of the UK, the United Kingdom. As for his son William, he is being prepared in the secret chambers below the castle's main floors, for his role and position he will take when antichrist comes to full power. Yet, all these nations Daughter, even your own, inside the darkness of the shadows are united into bringing antichrist, the lawless one into power. Already the world systems have become united and integrated into the mainframe of the AI system wherein macron, the antichrist has established a center of control near the Rhine river. Having now to move these things above ground since I have begun already reclaiming those things of the earth that are rightfully Mine as King of kings and Lord of lords, not to mention Creator of all."

"These data centers being built across your world which will be limited to only 10 usable ones at the time of the seven-year tribulation period when it begins are not what the common people are told they are. Nor do those who have determined they are really built for surveillance of the world's people and activity understand fully what is happening."

"These data centers like the one you've heard of in Memphis Tennessee Daughter, owned by elon musk, antichrist's left hand man, his man over the electronic area of establishment in advance for his time to rule, is said to consume approximately 1 million gallons of water per day to keep the Colossus supercomputer and the facility cooled. I say, that's deception! It only takes part of this amount, a small percentage. What is occurring is, they are removing and storing the water, because mankind, the people must have water to survive. Crops must have water to survive. In reality Daughter, they are storing and purifying it to be used, like as if it were liquid gold. The enemy has openly revealed their plans and agenda. First they create famine and sickness. Reduce the food that's available and you can control most of the people of the world. But lucifer and the upcoming one world government aren't content with this percentage."

"Because there are those who have prepared food like when My Word spoke of the seven years of plenty followed by the seven years of famine that I warned Pharaoh and Joseph was coming. There are those who are still self-reliant and self-sufficient like many of My children. Next, to control all the world's people and to herd them in the direction they choose, they need to control

the available water supply." "That's evil Lord." "Yes, Daughter, it is. Water will soon become the new 'gold' in the world when antichrist reigns, with food replacing the place of silver. Is it not written in My Word, how famine would come as the riders of My seals begin their riding across your world in full gallop? Yes, Daughter, it is written it would be so."

"Now with so much being presented on your world's stage for the common, ordinary people and the inhabitants of the earth to behold it has caused many to become overwhelmed, feeling despair, and a sense of hopelessness. With many of these being some of My own who have failed to keep their eyes focused on Me. This is a deliberate, coinciding, release of events and happenings, so that My people's senses will become overloaded with so much information and the revelations that's occurring, in addition with the added pressure of trying to keep their bills paid up and their families fed. This is to distract you from the enemy's real agenda and to cause you to lose hope and faith in Me, so doubt can arise. This is in addition to all that I am having My children to reveal that the enemy continually tries to keep hidden, or recover it up by distraction upon distraction."

"They are now openly uniting the world players and bringing them to the center stage. Your President Trump's rededication to the god of your nation, of Babylon was not to Me, Daughter, but to the false one that sits in New York's harbor. Nor is the triumphant archway he's going to be building for Me to triumphantly return, but for antichrist to walk through. This is a requirement he has commanded of your President Trump for some of the public treatment he has experienced at his hands. Even after President Trump knew he was the chosen one, the one to rule as lucifer's son, as satan's protege. The arch of triumph already remains standing in France in honor of lucifer the light bearer with its contained, lit torch."

"In a time when your nation's people, many are hungry, they're struggling to pay their everyday bills, and fearful of losing their homes, your nation's President Trump has plans to build a great arch with an angel on top that in reality is to welcome the entrance of antichrist into your world and nation. This Daughter is not a game! These archways all across your world are also used as portal openings for the larger things to come through like the titan-size fallen angels and fake alien ships. This is where your world is at. The so-called elites are openly making preparations to welcome antichrist as the world leader above ground and not only below. This is too, why so many strange things are happening in the people. They're no longer trying to hide who they really are and the evil that they normally do inside the shadows of the underworld."

"As in the days of Noah, Daughter is where your world is at. And just like the Israelites brazenly dancing around the golden calf that Aaron created at their urging, because Moses did not return when they thought he should, and they worshiped the golden calf as their god while they openly fornicated and committed adultery with one another. So has many of My church began doing the same with the world, because I have not returned when they supposed I should."

"Daughter, those who are faithful to Me now, are those who will go with Me when I return, because these are those who are living holy in My righteousness with My help and that of My Holy Spirit's help. I shall come for My bride, yes indeed, but I shall not be staying in Heaven after the marriage feast. But returning to exact justice and to bring safety to those of Mine who are

called to endure for a little while, and those who shall endure to the very end of it all. And no, Daughter, no, it's not like most of the world's scholars, teachers and even children of Mine believe it's going to occur, and it's definitely not going to be how lucifer, how satan, and the antichrist has strategized and schemed for it to be. It shall be how My Father has commanded it to be from the beginning of all things, and I shall see that it happens just as He says, for He is just in all His ways."

"I can guarantee you this kingdom of darkness, I've only just begun revealing what I shall do in holy justice against you for all you have done to My beloved people and the world I created for them, for Me. You have worked so hard planning and scheming for centuries trying to cause My Word to come to pass beforehand and each time you have failed. Now that the time has arrived, with all your planning, with all your rearranging, with all that you've done, when the darkness lifts...when the nephilim, demons, and your other fallen ones make it through the emergence of the two realms to what will become the completed physical realm...when the others are released from their prisons of ice, mountains and ground, and you have all things ready to begin, I say again, when the darkness lifts, after I reclaim My bride from the earth, then all control will be out of your hands and placed into Mine."

"Because lucifer, it's not your great day, it's not antichrist's great day. It's My Great Day of Wrath and when you step back and realize the greatest majority of foretold happenings and warnings written about inside My Holy Word is about the Holy righteous judgment, with the man of sin ruling during this time, do you see the clearer picture now lucifer? It's never really been about the antichrist entirely. He's a small part of it compared to the judgments coming upon the world for the wicked. Wicked people deserve a wicked ruler in the last stretch of time for mankind to choose finally who they will serve."

"Understand this! There will be no mourning over those who choose the antichrist's beast mark, Daughter, for all who take it will know they have chosen to renounce Father and Me and will embrace the man of sin. This will be their clear, conscious choice when it comes time for them to decide."

"As for now, lucifer, pay attention and hear Me well! I take from you, your ability to traverse through the portals and doorways from point 'a' to 'b.' Your star chamber shall be closed down and mirror travel will soon be forbidden, because those of Mine left behind, mostly will not understand or have time to gain all the knowledge of how you travel from location to location and back again through them and many times it's to spy on My children or to launch your attacks. I already gave you the warning that surveillance by your dark kingdom would be reduced. This also applies to all reflective surfaces including bodies of water both small and great."

"I told you that you were not prepared for what holy justice I bring to this world of Mine."

Verses:

Golden calf related:

Exodus chapter 32; Psalms 106:19-21; 1 Corinthians 10:5-8
