

My Prayer this Morning 4-16-26@4:21 AM

"Many times when I'm called to pray, my lovely Jesus Christ has me right down my prayers as He had me do today. This time He has asked me to share it with you. It is not perfect but it's what I pray from my heart this morning. I have added Scripture like I normally do when I journal a prayer."

"Lord Jesus Christ my love, I am here. Your children have become codependent on technology that will fail." "Yes daughter they have." "Technology Lord, that makes them trackable to all. They have to have their cell phones. They can't go into the next room without picking it up in their hands, or stuffing it into their pockets. They are in bondage Lord, bondage to technology. Charmed, witchcraft-enhanced technology and it's a deliberate attack plan of the enemy. I have prayed over all our devices and have asked You to not let us be trackable even in the truck. But now I ask you that all strongholds and demonic powers be broken among Your children. Whom the Son sets free...you are free indeed."

"Lord Jesus Christ, the blood pours like rivers that has been shed of people of both the innocent and those not. The Earth no longer can cover the slain. The Earth cries out for help O' Righteous Judge of All. O' Lover of my soul, great King of kings, sweet Savior and Lord of mine, help us! Help Your children and those to come, lest we be consumed by all the evil in the Earth."

"Create in Your children a hunger to get closer to You, to know You more intimately. O' Sweet Lover of our souls, wash us clean of all sins with Your All-Powerful Blood. Forgive us for we have sinned, and sinned greatly against You, oh God of Heaven and Lord of All.

"Although the devil may be the root cause, most things cannot be done without a choice. Forgive us for we have sinned. To Your children, Your mercy is everlasting and unending. To the merciful, You are merciful. Teach Your children how to be merciful, yet strong in You also. Teach us to make all our decisions through Your eyes in the way You see things. Shake us up!"

"Holy Ghost Spirit, Great Teacher of God, teach Your children and those to come, Your holy discernment. Tune our ears to the voice of our Shepherd, Jesus Christ the Good Shepherd of all His children."

"Lord Jesus Christ, Your people are hurting. Your people are in bondage like the children of Israel, but so many are so, because of self-inflicted wounds and agreements with the enemy's side, when Your children are called to be free. Free in our minds, free and our spirit and soul, free in our bodies of control of influences of demonic control. Or even when the enemy uses evil devices, technology and weapons, those making the decision to do so are either demon possessed, influenced by the enemy or are one of them."

"Lord Jesus Christ, teach Your children had to war in the spirit realm, and when we learn how to do this, it carries over into our physical world. We are not powerless! We, Your children are not defenseless! We are mighty through You! We are all-powerful through You, Jesus Christ, because You were and still are All-powerful. In our weaknesses, that's where we find our true strength, only possible, when we fall on our knees and spend time talking with Father God and You."

"Jesus Christ, a lot of our wounding is self-afflicted due to negligence or disobedience to Your Word. Please help us, Lord Jesus Christ. Never let go of Your children. Lead us to the paths of righteousness that only You can in a world so evil that the only light capable of piercing such evil and darkness is Your divine one."

"Wake Your children up! O' God in Heaven, shake them out of complacency to red hot fire in their passion and desire for You."

"Those whose lives need mending, no matter what the hurt, the scarring or pain, Gentle Shepherd, heal the wounds. Loving Savior Jesus Christ, there are marriages that need restored. There are souls that are still lost. There are people who need jobs... that are homeless. Jesus Christ, help Your children realize You're everything we need. My God shall supply all my needs according to His riches and glory through Christ, Your Word says and Philippians 4:19. But it also says in Haggai 2:8, that You said, the gold and silver is Yours. So if You own all such things, why do we allow ourselves to worry? When worry is really doubt that You, Jesus Christ will not meet our needs. Our needs You'll supply... not our wants."

"Jesus Christ, I ask You to send the great convicting power of the sweet Holy Ghost Spirit into the whole firmament. Do whatever it takes to wake Your children up! Whatever it takes Jesus Christ to make and shape Your children into faithful children and not faithless."

"Send us to our knees, drive us to prayer by giving us hearts of compassion for one another. Soften our hearts. Shut our mouths of condemnation and gossip, and let Your children's voices rise up in the power of encouragement and love. For You O' loving Savior and Lord are Love itself. Help us to become Your hands and feet wherever the need, and no longer just where we, ourselves pick and choose."

"Jesus Christ, remind us daily of Your great sacrifice, and the cost You paid for us by shedding Your Holy, Godly Blood freely for us, so we could be free from our sins. Not continuing them once we were set free of sin's bondages. Expose the enemies' plots, plans and schemes in our lives and move them out of our way."

"Jesus Christ, give us Your courage and boldness for us to let go of the things, even if it's a person or situation that You have revealed is from the enemy. Help us to see past the manipulation of the enemy to try to snare us back into the web of traps You have given us the courage through Your strength to walk away from. Don't let Your children become like the dog that returns to eat his own vomit."

"Jesus Christ, my heart is heavy and grieved for Your body. So many are shallow and fickle in the walk with you. Your Word speaks of these kinds in Matthew 13:1-15. These are also those so easily offended by everything like Matthew 24:10 speaks of."

"Shake us up Lord! This life of flesh is temporary. It's a trying and testing place for Your creation of mankind to choose if they want to spend our eternity with You."

"Help us to draw closer to You, Jesus Christ and in Your Holy Word, for it is our connected lifeline directly to You, side by side with prayer, so that when the evil ones, the tempter comes, we will stand in the power of Your Name alone Jesus Christ and resist the devil and he will flee as James 4:7 tells us he must do."

"If we, Your children are commanding the enemy to flee, and he does not, then grant us the understanding of where we have somehow come into agreement with the kingdom darkness, and once it's known to us, lead us into true repentance of the heart, so, that with Your help, we will learn from our mistakes and not repeat them."

"Jesus Christ, help Your children to understand that if something does not appear to be happening as Your Word says, then it's not Your Word at fault, because You told us in John 10:35 that the Scripture cannot be broken."

"Holy Ghost Spirit, sweet Friend examine us. Go deep into our hearts and reveal to us how we have erred. If it's an evil heart of unbelief that we have which would cause us to become distant from Father God and our lovely Jesus Christ, then reveal it to us. If it's an agreement with the kingdom of darkness, then reveal it in our lives, so we can break it in the power of Jesus Christ's Name."

"For what fellowship has the righteous with the unrighteous? If we are the light, then what are we doing by being buddy-buddy with those of the dark? If Your children stay in the darkness, soon it shall overpower Your light in them, because our lights will dim if we don't keep h ourselves plugged into You, Jesus Christ our power source."

"Jesus Christ, Your children are hurting. Come do what You do best, All-powerful Lord, God and Gentle, Compassionate Savior."

"When I think there's no more that can be prayed, You draw me deeper into prayer. When I think there's no more tears I can shed for Your body, they begin pouring like rain."

"Jesus Christ, help Your children. You see every need, every situation, every pain, every betrayal, every heartache, You see every false accusation and every true one. Heal Your body. Unite them into one, so we can rise up and be what each of us are called to be in You, so Your body will operate smoothly. There is not one of Your children better than the other. We are all Your beloved, and the ground beneath Calvary's Cross is a level for all."

"Help us to reach all we can, both the saved and unsaved, as Your hands and feet."

"This world is about to erupt from all the evil hidden within that can no longer remain in the shadows. Antichrist is ready. They're waiting on You, Lord Jesus Christ to make the next move, because the kingdom of darkness really does know what so many of Your children still deny. That is, You are in control of all things. You are a God of order, not chaos. But because You gave mankind and even the angels the ability to choose and make choices, war must be fought for the Kingdom of God to come to full fruition, so that evil and sin will never be able to rise up and conceive into any heart or mind again."

"Jesus Christ, we need Your help down here! Please come as the Holy Avenger and the God of Psalms 18, but also the Good Shepherd for your children... of Psalms 23. I ask and pray all this in your great name, but according to your perfect will in all things according to John 14:13-14; Matthew 7:7-8 and Isaiah 55:11."

"I ask where possible, will You know all things Jesus Christ, for there to be allowed no evil returns, actions, spying, monitoring, retaliation or such like from the kingdom of darkness for this prayer, all its effects and it's rippling effects inside the spiritual and physical realms. Let this all be done for Your glory Father God and Jesus Christ."

"There are some of Your children like me, who love You with every fiber in our beings. Lord Jesus Christ, for a long time, we have been carrying much of the body of Christ, Your body that still sleeping, or chosen complacency, instead of being an active member as a soldier in Your holy army. Give us Your strength to carry on however You need us to do, but please, oh please wake up all You can, so that they do not end up in a Christless hell, followed by the eternal lake of fire."

"I hear you, Daughter of Mine, I hear you, and I am moving. Be it according to your faith."

"Jesus Christ, my Love, I believe and know all things are possible with You and through You as Matthew 19:26, Luke 1:37, and Mark 9:23 says, for Your Word cannot fail or be broken." "Then Daughter, it will be done as you have prayed.... According to My will, also meaning in My timing." "Yes, Lord Jesus Christ. Thank You." "You are welcome, beloved Daughter of Mine."
