

It's That 9-11 Time 10-3-26@9:11 AM

It's at 9-11 time, Daughter, that 9-11 time. It's time for New York's Manhattan to be destroyed. The evil that you've seen on the YouTube, that is a small, insignificant amount compared to the whole of New York's Manhattan. Hear Me Daughter, oh beloved Daughter of My heart, it is now that time that I spoke of months ago in your time.

Midnight hours of evening shades have fallen and are about to pass into dawn's early light. A new day shall dawn, one not of hope but a burning hot judgment.

Evening shades shall bring in destruction for New York's Manhattan that shall usher in the three days of darkness. Weep and wail, O world; your hour has come, and now you face the Wrath of the Lamb.

Your 9-11 moment has finally come again, or evil wicked, harlot Babylon Manhattan.

Oh America, America
Babylon you are to Me
America, America
Now I bring you to your knees

America, America
No longer you shall be
The home of the brave
The home of the free

America, America
So wicked you became to be
Now it's time to receive your retribution
For the shed blood you thought I didn't see

America, America
New York's Manhattan City
It's time for you to be destroyed
By My judgment's hand sent to you from Me

It's 9-11 time Daughter. As it stands in the world of man today, it's that time again. It's 9-11 for all to see. I have shown you through the messing of times and days, of months rearranged, how what the enemy has done to keep My people confused from worshiping Me, their holy God, on appointed days. But those who love Me, I honor what they do in trying to serve Me with pure hearts.

Now, Daughter, now can't you see how all this has come to be on Oktober 3? Yet in time, it's really 9-11, I say, and through your gained knowledge, you too now see and realize it is the truth, as all will also see.

It cannot be stopped, Daughter; for My hand is in control of the world of man. In addition, Daughter, all that has been manipulated, all the altering and tampering of the course of the Earth's timeline to try to prevent My return, to take control of the outcome of Armageddon, has all been corrected.

Now all who reside on the Earth, inside the firmament, are living inside one combined unit of time, without any alternate branches caused by choices, because the time of My Great Day, the tribulation period, has come to your world. It has arrived, and the last remnant of the inhabitants of the world are passing through into the door of the new day.

But this new day is a Day of Wrath and recompense for all who remain here. Yet, those who are Mine who have found themselves inside this time minus My two end time witnesses will find hope and a true love relationship with Father and Me that shall keep them, for most, until the end, whether their end is by death or the end of the tribulation. But for now, Daughter, it's your nation's 9-11 day once again.

It was only after I started typing this up that I realized this word was received at 9-11 AM
