

Turkey, Somalia, Libya, Erdogan & Netanyahu 1-8-26@11:15 PM

“I'm here my lovely Jesus Christ. You called me.” “Yes, Daughter I did. I wish to speak to you, Daughter, about a few coming things.” “I'm here my Love.”

“Turkey is about to make itself known as a dominant nation, a dominant country.” “What does this mean?” “It means in the shadows deals have been made in secret. Erdogan has joined with Putin in secret dealings, to not only aid in the removal of America-Babylon from power, but to aid Putin in the attempt to remove My nation Israel, paving the way for the Battle of Gog of Magog and Israel. Putin is joined already with others such as Persia and Iraq who shall join with him in the battle, for already their hatred for the land of Israel and its people has grown beyond any sane reasoning. Nor is the conniving, scheming Netanyahu aiding in reality the land of Israel. From the synagogue of Satan he is, and is pushing hard in the shadows the Noahide laws with Macron being the pushing force behind him.”

“All I have spoken shall come to pass. Not all inside the walls of Israel are of true Jewish descent of the 12 tribes of Israel. Though some have returned, much more are still scattered. Netanyahu performs rituals he declares are done in the name of My Father Yahweh. Yet all with knowing eyes see how he pays homage and honor to the fallen ones and what he calls the gods of superior technology. It is through him and others the way will be paved for Israel to embrace the man of sin.

Libya, Daughter, Libya of old is not dead, but is to be revived as a greater land of people than before.

When the islands fall, volcanoes erupt, stars fall, darkness has lifted, mountains crumble, and the land divides in the aftermath of what's left of the prior land masses, there will be a new leader raised up as Macron, the man of sin will have removed those he could that he knew, or thought might possibly get in his way.

Somalia, Somalia daughter, keep your eyes on Somalia, for they are about to surprise the world.
